Briefly describe why you wish to serve as a member of a board or committee and how your personal experience and background relate:

I retired from my job as COO of a real estate development company that worked on constructing everything from affordable housing to luxury apartments and retail. I also have worked on historic preservation projects. I've lived in Tropic Isle since 2012 and now that I have more time on my hands, I would enjoy getting involved in the community. I feel that my 30 years of experience in housing development could really serve a good purpose on housing and/or development boards/committees.

List any other community/civic involvement which you would like the Commission to consider:
