APPROVAL OF RESOLUTION NO. 86-26 TO AWARD AN AGREEMENT TO ROK TECHNOLOGIES, LLC, FOR GIS CLOUD MANAGED SERVICES; UTILIZING CITY OF PEMBROKE PINES, FLORIDA SOLICITATION NO. TS-22-02- \$360,000 FOR 3 YEARS AND 1 RENEWAL

Recommended Action:

Motion to Approve Resolution No. 86-26 to award an Agreement to ROK Technologies, LLC for GIS cloud managed services in the estimated amount of \$360,000 over 4 years, utilizing the Pembroke Pines, Florida Solicitation No. TS-22-02; and authorize the City Manager to exercise renewal options, in the amounts below, contingent upon appropriation of funds.

Background:

The Information Technology Department requires GIS cloud managed services to host the City of Delray Beach's' GIS environment. The proposal has an annual cost of \$90,000 (\$7,500/month) for GIS managed cloud services.

The centralized hosting of the GIS environment is necessary as GIS layers are shared with many City applications, such as Development Services Enterprise Permitting & Licensing software, Cityworks Asset Management and Work Order software, GIS Enterprise Mapping, and direct links to Public Safety software.. This will ensure the system is online and functional 99.99% of the time because of built-in disaster recovery and business continuity protocols. These needs are met by utilizing the same services solicited by Pembroke Pines, Florida

On April 20, 2022, Pembroke Pines, Florida, entered into a three (3) year agreement with ROK Technologies, LLC for GIS cloud managed services, with the option to renew for an additional one (1) year term.

On January 22, 2025, Pembroke Pines, Florida, entered into a three (3) year agreement with ROK Technologies, LLC for GIS cloud managed services, with the option to renew for an additional one (1) year term. Per Section 11 of the Service Level Agreement allows for the parties to mutually agree to extend the term of the agreement as set forth in a written amendment signed by the parties thereto.

Should the City exercise the renewal options provided in the contract, the cumulative contract value is provided below.

Estimated Contract Value		
Initial Term - Year 1	February 1, 2026 - January 31, 2027	\$ 90,000
Initial Term - Year 2	February 1, 2027 - January 31, 2028	\$ 90,000
Initial Term - Year 3	February 1, 2028 - January 31, 2029	\$ 90,000
Renewal - Year 1	February 1, 2029 - January 31, 2030	\$ 90,000
	Total:	\$ 360,000
