Profile

NOTE: Each Applicant is advised to attend at least one meeting prior to applying for appointment.

Board Member applications must be received no later than **ten (10) business days** prior to the first City Commission Meeting at which the Commissioner is eligible to nominate and appoint the prospective board member.

The [City Commission](#) appoints members of the boards and committees. All positions are voluntary and members are not compensated for their time. However, the individuals who serve on the boards and committees provide an invaluable service to the city. Their advice and expertise on a wide range of topics assist the City Commission in its decision-making process.

In general, individuals may serve on only one board or committee at a given time, with the exception of ad-hoc committees or task forces. Most advisory groups meet at least once a month, however, there are varying degrees of commitment, depending on the board. Membership requirements vary with each board and committee

Briefly describe why you wish to serve as a member of a board or committee and how your personal experience and background relate:

I have lived in Delray for the last 7+ years. I lived here when I started and graduated from my Masters program, have gotten married here, and would like to have children here. But as I watch my neighbors struggle with rising cost and the concerns of Delray being almost limited to just Downtown, I believe I could provide additional perspective from a lower income condo owner that cares about the city and want it to be the best version of itself possible. Buying a condo here after making a life here was a struggle and I worry about being able to afford it in the upcoming years. Being a part of this committee would be a way for me to give back to a city I love so much and I know we can do better.

List any other community/civic involvement which you would like the Commission to consider:

I have been a mentor within higher education circles, been a part of city commission meetings, and I am also a part of my HOA board.

University attended:

FSU, FAU

Degree(s) received:

BA, Masters

Major area of study:

Criminology, Higher Education Leadership
