

**INTERLOCAL AGREEMENT BETWEEN  
THE CITY OF DELRAY BEACH AND THE  
DELRAY BEACH COMMUNITY REDEVELOPMENT AGENCY  
FOR FUNDING CAPITAL IMPROVEMENT PROJECTS  
2021/2022 FISCAL YEAR**

**THIS AGREEMENT** is made this \_\_\_\_ day of \_\_\_\_\_, 2022 by and between the **CITY OF DELRAY BEACH**, a Florida municipal corporation, (hereinafter referred to as "**CITY**"), and the **DELRAY BEACH COMMUNITY REDEVELOPMENT AGENCY**, a public body corporate and politic, duly created and operated pursuant to Chapter 163, Florida Statutes (hereinafter referred to as the "**CRA**").

**W I T N E S S E T H :**

**WHEREAS**, the **CITY** will be performing construction on the projects located in the **CRA's** Community Redevelopment Area as shown in **Exhibit "A"**; and

**WHEREAS**, the **CRA** approved funding for the projects in the amount included in Exhibit "A" for the 2021-2022 fiscal year; and

**WHEREAS**, this **CITY** and the **CRA** find that this Agreement serves a municipal and public purpose, is consistent with the Community Redevelopment Plan, and the requirements of Chapter 163, Florida Statutes.

**NOW, THEREFORE**, in consideration of the mutual covenants and promises herein contained, the parties hereby agree as follows:

1. The recitations set forth above are hereby incorporated herein.
2. (a) The **CRA** shall provide funding to the **CITY** in the amounts listed for the projects included in Exhibit "A". Such payment shall be made to the **CITY** upon the bid award to the contractor, or approval of a Service Authorization with a consultant. Funding for the projects included in Exhibit "A" shall include actual construction costs as well as

other costs directly related to procuring, awarding, and completing the projects construction including, but not limited to, advertising, testing, inspection, and utility relocation costs.

(b) The CRA shall provide to the **CITY** the final design plans prepared by Kimley-Horn and Associates, Inc. (“Kimley-Horn”), for the Wayfinding Signage Project, attached hereto and incorporated herein as **Exhibit “B”**. The **CITY** agrees to manage all aspects of fabrication and installation of the wayfinding signage in accordance with Exhibit “B”, including but not limited to: procuring the services of a contract to fabricate and install the wayfinding signage, managing the Wayfinding Signage Project, and hiring an independent project manager to manage the Wayfinding Signage Project, if needed.

3. The **CITY** shall provide a written request to the **CRA** for approval of any change order that will result in an increase in the funding to be provided by the **CRA**. The **CITY** shall submit the written request to the **CRA** prior to the execution of any work covered by the change order. Failure to obtain the **CRA**’s approval of the funding for the change order, prior to the execution of the work, shall be a basis for the **CRA** to deny additional funding to the **CITY** for the projects identified in the change order. The **CITY** and the **CRA** agree and acknowledge that the approval of a change order does not require an amendment to this Agreement.

4. The term of this Agreement shall commence upon execution by both parties, and this Agreement shall continue until either party delivers written notice to the other party of its intent to terminate this agreement, or 60 days after the City receives the final invoice from the contractor or professional for all of the projects included in Exhibit “A”. Notwithstanding the foregoing, once the City has executed a contract with a

contractor or professional for the projects, the **CRA** shall not be allowed to withdraw its funding for the projects. If the **CITY** terminates this Agreement, the **CITY** shall refund to the **CRA** any funding that was provided to the **CITY** but was not paid to the contractor or professional. If the total funds the **CITY** requires to complete the projects, as identified in Exhibit "A", is less than the amount paid by the **CRA** to the **CITY** for a particular project, the **CITY** shall refund to the **CRA** any and all funds provided to the **CITY** that exceed the amount the **CITY** paid to the contractor or professional for the projects.

5. Once the **CRA** provides any funding for the projects identified in Exhibit "A", the **CITY** shall provide the **CRA** with monthly reports detailing the progress of the projects, including, but not limited to, the contract amount, the amount of funds paid to the contractor, the status of the projects, and the total of any change orders related to the projects.

6. The **CITY** shall insure that all publicity, public relations, advertisements and signs recognize the **CRA** for the support of all activities conducted with the funds provided by the **CRA**. The use of the **CRA** logo is permissible, but all signs used to publicize **CRA** contracted activities must be approved by the **CRA** Executive Director or her designee prior to being posted. Upon request by the **CRA**, **CITY** shall provide proof of the use of the **CRA** logo as required by this paragraph for the projects funded pursuant to this Agreement.

7. This Interlocal Agreement shall be filed pursuant to the requirements of section 163.01(11), Florida Statutes.

8. No prior or present agreements or representations with regard to any subject matter contained within this Agreement shall be binding on any party unless

included expressly in this Agreement. Any modification to this Agreement shall be in writing and executed by the parties.

9. The validity of any portion, article, paragraph, provision, clause, or any portion thereof of this Agreement shall have no force and effect upon the validity of any other part of portion hereof.

10. PUBLIC RECORDS. City and CRA are public agencies subject to Chapter 119, Florida Statutes. The City and CRA shall comply with all public records laws in accordance with Chapter 119, Florida Statutes. In accordance with state law, City and CRA agree to:

10.1 Keep and maintain all records required by the City and CRA to perform the service.

10.2 Upon request from the City or CRA's custodian of public records, provide the City or CRA with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.

10.3 Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the City or CRA does not transfer the records to the City or CRA.

10.4 Upon the termination of the contract, the CRA shall transfer, at no cost to the CITY, all public records in possession of the CRA and destroy any duplicate public records that are exempt or confidential and exempt from

public records disclosure requirements. If the CRA keeps and maintains public records upon completion of the contract, the City shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the CITY, upon request from the CITY's custodian of public records in a format that is compatible with the information technology systems of the CITY. All records shall be transferred to the CITY prior to final payment being made by the CRA.

10.5 If City or CRA does not comply with this section, the CITY or CRA shall enforce the contract provisions in accordance with the contract and may unilaterally cancel this contract in accordance with state law.

INSPECTOR GENERAL. **CRA** is aware that the Inspector General of Palm Beach County has the authority to investigate and audit matters relating to the negotiation and performance of this Agreement, and may demand and obtain records and testimony from the **CRA**, and its sub licensees and lower tier sub licensees. The **CRA** understands and agrees that in addition to all other remedies and consequences provided by law, the failure of the **CRA** or its sub licensee or lower tier sub licensees to fully cooperate with
