Profile

NOTE: Each Applicant is advised to attend at least one meeting prior to applying for appointment.

Board Member applications must be received no later than **ten (10) business days** prior to the first City Commission Meeting at which the Commissioner is eligible to nominate and appoint the prospective board member.

The [City Commission](#) appoints members of the boards and committees. All positions are voluntary and members are not compensated for their time. However, the individuals who serve on the boards and committees provide an invaluable service to the city. Their advice and expertise on a wide range of topics assist the City Commission in its decision-making process.

In general, individuals may serve on only one board or committee at a given time, with the exception of ad-hoc committees or task forces. Most advisory groups meet at least once a month, however, there are varying degrees of commitment, depending on the board. Membership requirements vary with each board and committee

List any certifications or licenses which may further qualify you to serve on a board or committee.

Founding member with my husband with the Delray Beach American Little League since 1971. nurturing countless number of kids now adults. Worked in this community my entire adult life. Always actively engaged and continue to have a love for Delray Beach and its people. No license need,

Briefly describe why you wish to serve as a member of a board or committee and how your personal experience and background relate:

As a Delray resident since 1966 when I married my high School sweetheart. I, from the then Segregated white high school, and my future husband the then segregated Carver High School. We've lived here for that entire time raising our 3 children all attended the public schools. We have vested our entire adult lives to the welfare of this city and its children through our volunteer service most notable baseball and football as well as other activities. We both continue to serve. My strong love for this community is evident by my long and continued Service. (Sometimes just showing up)

List any other community/civic involvement which you would like the Commission to consider:

Something that I am most proud of is my involvement with the DelrayBeach Community Development Corporation since the being in 1971. I remember fondly the very first house we built for a young family and channel 12 came out. We also receive the news that several of the "lottery" winners for a home came as a result of our efforts. Home ownership for young people is a passion of mine. Pouring into young people is deliberate. Even as I complete this application, the good news of a young family receiving the opportunity to become a home owner continues to come in.
