RE: CLASS III - Site Plan Modification.
710 SE 5th Ave.
Delray Beach FL 33444
CASE FILE: 2019-260-SPF-SPR-CL3 (Traffic Statement)

To whom it may concern:

This project is the addition of a new ± 744 SF Owners Living Unit over an existing retail space. The increase in the Square Footage is Residential, only the new living unit. The Owner is already with-in the current Trips in and out of this site, therefore this addition will yield a net of **0** Trips to and from the site. No commercial SF is to be added to the site and no new Daily Trips will be generated.

Thank you.
