WITNESSETH:

WHEREAS, for the Project to be approved, **Developer** has secured offsite parking for the Project to meet the Project's parking requirement in accordance with the City's Land Development Regulation Section 4.6.9(E)(5) and Section 4.4.13(I)(3); and

WHEREAS, this Agreement will be effective upon certification of the Site Plan for the Project (if approved).

NOW, THEREFORE, for good and valuable consideration, the Parties hereby agree as follows:

1. **Recitals.** The recitals set forth above are hereby incorporated as if fully set forth herein.
2. **Grant of Easement.** Subject to the terms and conditions hereinafter set forth, Owner/Grantor does hereby grant and convey unto Developer/Grantee, an exclusive and perpetual parking easement and right of access to twenty-five (25) parking spaces that are located on the Property more particularly described and depicted on Exhibit "A" ("Easement Area") for the purpose of providing customer and employee parking for the Grantee's Project. 3. **Owner's Declaration of Covenant.** The Owner hereby declares that the Easement Area shall never be disposed of except in conjunction with the transfer or sale of the Project which the Easement Area is intended to serve, so long as the parking facilities are required.
4. **Maintenance.** Owner shall maintain the parking spaces located in Easement Area in a neat, clean and sanitary condition, free from all garbage, trash, litter and debris and provide

whatever maintenance is required thereon, including, but not limited to asphalt repair or repaving, and painting lines thereon to clearly mark the parking spaces.

5. **Enforcement.** The Parties hereby acknowledge and agree that the parking spaces located in the Easement Area are necessary for the Project to satisfy the parking requirements as set forth in the City's Land Development Regulations and that the Developer will be in violation of the City's Land Development Regulations if for any reason these offsite parking spaces are no longer available for use by Developer. 8. **Indemnification.** Developer and Owner shall at all times hereafter indemnify, hold harmless and, at the City Attorney's option, defend or pay for an attorney selected by the City Attorney to defend City, its officers, agents, servants, and employees from and against any
