Briefly describe why you wish to serve as a member of a board or committee and how your personal experience and background relate:

I have always liked taking on roles that support and enhance community. Working in land use and transportation planning, particularly in the areas of resiliency and sustainability, gave me that purpose on a daily basis. Now that I am no longer working, serving on a Delray Beach Advisory Board would allow me to continue to contribute and lend expertise gained in my professional life and as a long-time resident (35 years).

List any other community/civic involvement which you would like the Commission to consider:
