- Advertising plan: Split of advertising revenues 50/50 between Freebee and CRA

Term:

The pilot program shall be for up to one (1) year from contract award (approximately May 1, 2019 through April 30, 2020). The CRA may extend the term of this contract by written notice for two (2) additional one (1) year periods.

***RFP required:** The use of environmentally friendly vehicles is **required**, more specifically a neighborhood electric vehicle (NEV), GEM car, or similar that meets the Federal Motor Vehicle Safety Standard (FMVSS) and supply state-of-the-art charging equipment. The vehicles used throughout the term of the contract must be consistent and identifiable with the appropriate program signage.
