Late or misdelivered questions may not receive a response in a subsequent addendum.

Any discrepancies, errors, or ambiguities in the RFP or addendum (if any) should also be reported in writing. If applicable, the CRA will issue a written addendum to the RFP clarifying such conflicts or ambiguities. It is agreed that any such alleged discrepancies, errors, or omissions will not be construed against the drafting party.

CRA Staff will issue responses to timely received questions and any other clarifications the CRA deems necessary via written addendum prior to the Proposal Submission Due Date. Proposers should not rely on any representations, statements, or explanations other than those made in this

RFP and in any written addendum to this RFP. Oral explanations, information and instructions shall not be considered binding on the CRA. Neither the CRA nor any of its agents or employees shall be responsible for the accuracy of any oral information provided to any Proposer.

Where there appears to be conflict between the RFP and any addendum issued, the last addendum issued shall prevail.

Any issued addendum will only be made available on the CRA webpage, [www.delraycra.org](http://www.delraycra.org), and at [www.bidsync.com](http://www.bidsync.com). It is the Proposer's sole responsibility to ensure its review and receipt of all addendum.

#### **D. Agreement Terms and Conditions**

Proposers should note that certain provisions contained within a potential Agreement with the CRA are non-negotiable. These include, without limitation, applicability, and compliance with applicable laws (e.g., Federal Statutes, State Statutes, County and City Codes), venue, hold harmless, duty to defend, indemnity and insurance, and cancellation for convenience or due to lack of funding by the CRA.

#### **E. Award of Agreement**

An Agreement may be awarded to the Successful Proposer for the Property Management Services by the CRA Board. The CRA reserves the right to execute or not execute, as applicable, an Agreement with the Successful Proposer, when it is determined to be in the CRA's best interest. The CRA does not represent that any award will be made. The award and execution of an Agreement shall comply with the CRA's Purchasing Policies, and the terms and specifications stated herein.

#### **F. Unauthorized Work**

The Successful Proposer shall not begin work until the CRA issues a written Notice to Proceed ("NTP"). Such NTP shall constitute the CRA's authorization to begin work. Any unauthorized work performed by the Successful Proposer, prior to receiving the NTP, or during the term of the Agreement, shall be deemed non-compensable by the CRA. The Successful Proposer shall not have any recourse against the CRA for prematurely performing any unauthorized work.

#### **G. Sub-Contractor(s)/Sub-Consultant(s)**

For purposes of this RFP, the terms "Sub-Consultant" and "Sub-Contractor" are used interchangeably. A Sub-Consultant or Sub-Contractor is any individual, firm, entity, company, or organization, other than the employees of the Proposer, who has or will have a contract with the Proposer to assist in the performance of the Property Management Services required under this RFP. A Sub-Consultant shall be paid directly by the Proposer and shall not be paid directly by the CRA. The Proposer must clearly identify in its Proposal the Sub-Consultants to be utilized to perform the Property Management Services. The CRA retains the right to accept or reject any Sub-Consultant proposed in accordance with Article V, "Proposer's Minimum Qualification and Experience Requirements and Proposal Submittal Requirements," or proposed prior to execution of the Agreement. Any and all liabilities regarding the use of a Sub-Consultant shall be borne solely by the Successful Proposer, and insurance for each Sub-Consultant must be approved by the CRA and maintained in good standing throughout the duration of the Agreement. Neither the Successful

Proposer nor any of its Sub-Consultants are considered employees, partners, affiliates, or agents of the CRA. Failure to list all Sub-Consultants and provide the required information may disqualify any unidentified Sub-Consultants from performing work under this RFP. Proposers shall include in their Proposal the requested Sub-Consultant information.

## **H. Insurance**

The CRA reserves the right to ensure and require that the insurance coverages provided by the Successful Proposer are proper and that the insurers are licensed or otherwise qualified to do business in the State of Florida. If at any time during the term of the Agreement, the CRA should determine that it is in its best interests to insist on an alternative insurance provider, it may do so and the Successful Proposer agrees to comply with the CRA's decision. The CRA also reserves the right to review, modify, or amend any required coverages, limits, and endorsements during the life of a contract and any extensions thereof. The CRA further reserves the right, but not the obligation, to review and reject any insurer providing coverage on the company's behalf because of the insurer's poor financial condition or due to the insurer's failure to operate legally in the State of Florida.

## **I. Protest**

A recommendation for award or rejection of award may be protested by a Proposer through filing a type-written protest with the CRA office. The Proposer shall file its type-written protest with the CRA, Monday through Friday, between the hours of 8:00 AM EST and 5:00 PM EST, excluding legal holidays. Protests shall contain the name, address, and phone number of the petitioner, name of the petitioner's representative (if any), and the title and number of the solicitation. Additionally, the protest shall be signed by an authorized agent of the Proposer and notarized. The protest shall specifically describe the subject matter, facts giving rise to the protest, and the action requested from the CRA. The protest shall be limited to 15 type-written pages. The written protest must be received within three business days from the time of initial posting of the intended award. Notice of Intent to Award shall be posted on the CRA's website, [www.delraycra.org](http://www.delraycra.org), and on BidSync, [www.bidsync.com](http://www.bidsync.com). Failure to file a timely formal written protest within the time period specified shall constitute a waiver by the Proposer of all rights of protest.

The letter of protest shall be accompanied by a non-refundable protest application fee of five thousand dollars (\$5,000). The protest application fee must be a cashier's check, a certified check, or an attorney's trust account check made payable to the Delray Beach Community Redevelopment Agency. Failure to provide the required protest application fee shall deem the protest as incomplete and invalid.

**QUESTIONS:**

**1. What is the rent per square foot being charged to prospective tenants?**

At this time, the rent per square foot has not been established. It is the intent of the CRA for all units to be rented at an affordable rate.

**2. How many square feet of rentable space?**

Each first-floor rental unit (five units total) is approximately 650- 664 square feet. The square footage for each unit includes the janitorial closet and bathroom that is in each unit.

The second-floor co-working space is approximately 3,320 square feet. This includes the janitorial closet and bathrooms.

**3. What is the expected time to fully lease the building?**

The CRA will be issuing a public notice to solicit interested parties and prospective tenants in the near future. There is no current timeline to fully lease the building.

**4. What is the expected vacancy rate when stabilized?**

The expected vacancy rate is zero.

**5. What is the expected income each month during the lease up period and when stabilized?**

At this time, as rent per square foot has not been determined, this information is not currently available.

**6. What entity is responsible for leasing, advertising, showing the building and property to prospective tenants?**

The CRA will be responsible for leasing, advertising, and showing the building and property to interested parties and prospective tenants. However, the CRA may request and/or require the Successful Proposer to assist.

**7. What does the CRA expect as an operational budget for this property?**

At this time, as rent per square foot has not been determined, this information is not currently available. It is the desire of the CRA to work with the Successful Proposer to develop the operational budget for the property.

**8. What other properties does the CRA own that are managed by third parties?**

The CRA has affordable housing units that are managed by third parties.

**9. What is the management fee and the staffing amount paid by the CRA for other properties?**

The CRA does not currently pay a separate management fee or staffing amount to third parties for the management and maintenance of CRA-owned properties. Third parties that currently manage and maintain CRA-owned properties use the rents collected to provide all required property maintenance and management services and cover any overhead expenses.

**10. What is the income and expense of other properties owned by the CRA?**

The CRA does not have any income or expense as it relates to CRA-owned properties that are managed by third parties. Third parties that currently manage and maintain CRA-owned properties use the rents collected to provide all required property maintenance and management services and cover any overhead expenses.

**11. What properties does the City of Delray Beach own that are managed by third party?**

The CRA is a separate legal entity from the City of Delray Beach. The Successful Proposer would be contracting with the CRA to provide the Property Management Services and not the City of Delray Beach.

**12. What is the management fee and the staffing amount paid by the City of Delray Beach for other properties?**

The CRA is a separate legal entity from the City of Delray Beach. The Successful Proposer would be contracting with the CRA to provide the Property Management Services and not the City of Delray Beach.

**13. What is the income and expense of other properties owned by the City of Delray Beach?**

The CRA is a separate legal entity from the City of Delray Beach. The Successful Proposer would be contracting with the CRA to provide the Property Management Services and not the City of Delray Beach.

**14. What entities expressed interest in leasing, are currently in negotiation, or have a signed lease? What is the rent per square foot being charged for rent?**

Please see answers to questions 1 and 3.

**15. What research was conducted and what rent comparables are used to support the rent being sought after for the office/retail units on the 1<sup>st</sup> floor and co-working space on 2<sup>nd</sup> floor?**

Please see answer to question 1.

**16. What entity conducted the rental comparable research?**

Please see answer to question 1.

**17. Provide copy of research on rental comparables, lease up period study based on absorption rate of office space and proforma.**

Please see answer to question 1, 3, 4, 5, 7, and 10.

**18. Provide a copy of the lease agreement and house rules being offered to prospective tenants.**

The CRA works with each selected tenant on individual lease agreements. At this time, tenants will be responsible for monthly rent, water, electricity, internet, phone, security alarm within units, individual business advertisement, janitorial services within units (if desired), trash disposal (taking trash out to dumpster), and disposable items within units (light bulbs, air filters, paper towels, toilet paper, soap, etc.), and contents insurance.

It is the intent of the CRA to establish “house rules” with the Successful Proposer.

**19. What is the CRA’s expectation of rental income?**

Please see answer to question 5.

**20. Is there any debt on the property? If so, what are the terms of the debt and the lender(s)?**

There is no debt associated with the property.

**21. Will the owner deliver the property completely remodeled with a certificate of occupancy, lien releases, furnished, and rent ready or is it the Successful Proposer’s responsibility to supervise or coordinate any of this work?**

The CRA will deliver the building with a Certificate of Occupancy and lien releases.

The second-floor co-working space will be completely furnished and rent ready.

The five (5) first-floor units will be “vanilla boxes”. Tenants may not need any additional build out, however, some may need additional build out. It is the CRA’s desire that the Successful Proposer assist in the supervision of the build out (i.e. making sure that construction debris is picked up, any damage to the property is timely documented, etc.). Tenants will be responsible for securing their own permits, coordinating their own contractors, vendors, etc.

**22. Are administrators, janitors and 24/7 employees an expense of the property or of the Successful Proposer?**

Any staff and services required to successfully perform the required Property Management Services for the proper management and maintenance of the property will be the responsibility of the Successful Proposer.

**23. Is the expectation of the CRA to have onsite staff at all times during business hours?**
