CERTIFICATE OF RECOGNITION PRESENTED TO PERRY DONFRANCISCO

In honor of your unwavering dedication and extraordinary leadership as President and Co-founder of Delray Citizens for Delray Police since its inception in 1988. Through your vision and commitment, the organization has provided approximately \$3 million in equipment and support to enhance police operations and strengthen the bond between law enforcement and the Delray Beach community.

Your impact includes the establishment of the Annual Delray Citizens for Delray Police Scholarships, ensuring educational opportunities for the children of sworn officers for 36 consecutive years. You have fostered community engagement through events such as the Tri-City Labor Day Police Challenges, the Kids and Cops Holiday Toy Drive, and the Delray Beach Police Ice Cream Truck initiative, all of which have created meaningful connections between law enforcement and the community they serve.

Your advocacy for youth programs, including the Delray Beach Police Explorers, Kids and Cops, Atlantic High School Criminal Justice Program, and the Target Heroes and Helpers initiative, has empowered future generations while reinforcing the values of mentorship and service. Additionally, the Delray Citizens for Delray Police Annual Awards Banquet and the Christine Braswell Scholarship for aspiring officers stand as lasting testaments to your commitment to the men and women in uniform.

On behalf of the Delray Beach City Commission, we commend you for your outstanding service, leadership, and dedication to making Delray Beach a safer and stronger community.

Sincerely,

Thomas F. Carney, Jr., Mayor
