Interests & Experiences

List any certifications or licenses which may further qualify you to serve on a board or committee.

Prior to my retirement I held Series 7, 9, 63 licenses from the SEC. Series 7 allowed for the sale of securities as a registered representative for a broker dealer. Series 9 was the ability to manage employees and provide oversight who have a Series 7 license at a broker dealer. Series 63 allows the holder to solicit orders for any type of security in a particular state.

Briefly describe why you wish to serve as a member of a board or committee and how your personal experience and background relate:

With over 40 years of experience in public markets, private investments, and fiduciary oversight, I bring a deep understanding of investment management, risk evaluation, and strategic decision-making that aligns with the mission of safeguarding and growing the retirement assets of those who serve and protect our communities. Throughout my career, I have held Managing Director roles across several lines of business, including broker-dealer operations and investment management services. These leadership positions have provided me with extensive experience working with institutional investors, performing due diligence on investment managers, and evaluating opportunities across asset classes such as fixed income, equities, derivatives, real estate, and hedge funds. My ability to assess complex financial instruments and strategies ensures that I can contribute meaningfully to the fund's long-term sustainability and growth.

List any other community/civic involvement which you would like the Commission to consider:

Throughout my career and now in retirement I have volunteered to help the less fortunate. Most recently I have volunteered one day a week at the Boca Helping Hands Food Pantry in Delray Beach.
