SUBJECT: City Standard Request - Approval to purchase Badger Meter Products
DATE: January 5, 2026

Background: In 2013, the City of Delray (City), initiated the procurement and installation of a comprehensive \$7.74 million multi-year Advance Metering Infrastructure (AMI) and Water Meter Replacement project, City Project No. 12-013. The project was competitively bid through Bid No. 2013-17, with Innovative Metering Solutions being awarded the contract to supply Badger Meter products including but not limited to meters, meter components, customer service software and hardware. Utilities has an approved City Standard Agreement (CS2024-013) expiring on March 7, 2026, and seeks authorization for a new City Standard for continued service and parts from Badger Meter.

Badger Meter is the one and only sole distributor to sell Badger Meter products to state of Florida customers.

Market Research: The Utilities Department has conducted internet research to ensure Badger Meter products cannot be obtained through any other authorized distributor, and no other sources were found. Badger Meter has provided a sole source letter and is attached.

Quote or Proposal is attached Yes No *5/6/26 - Badger accepted a 3-year CS Agreement updated to match the agreement.*
