Delray Beach Police Department,

This letter is in reference to the potential purchase of our ASPIS X Level III Rifle Rated Shield. This shield is an approved item on the Florida State Body Armor contract 680-850-11-1, which is a pre negotiated contract between Point Blank Enterprises and the State of Florida Law Enforcement agencies, and is sold through our authorized distributor Federal Eastern International. The contract's price points enable our distributors to provide the customer service that Point Blank recognizes as paramount when a Florida agency receives our products. For those reasons they are the best price for the given products and services.

If you have any questions please feel free to contact me with any questions. Thank you for your support. Below is all my contact information.
