Profile

NOTE: Each Applicant is advised to attend at least one meeting prior to applying for appointment.

Board Member applications must be received no later than **ten (10) business days** prior to the first City Commission Meeting at which the Commissioner is eligible to nominate and appoint the prospective board member.

The [City Commission](#) appoints members of the boards and committees. All positions are voluntary and members are not compensated for their time. However, the individuals who serve on the boards and committees provide an invaluable service to the city. Their advice and expertise on a wide range of topics assist the City Commission in its decision-making process.

In general, individuals may serve on only one board or committee at a given time, with the exception of ad-hoc committees or task forces. Most advisory groups meet at least once a month, however, there are varying degrees of commitment, depending on the board. Membership requirements vary with each board and committee

Interests & Experiences

List any certifications or licenses which may further qualify you to serve on a board or committee.

I am a registered landscape architect in the state of Florida. I also belong the American Society of Landscape Architects.

Briefly describe why you wish to serve as a member of a board or committee and how your personal experience and background relate:

I have knowledge in site planning, landscape architecture, historic property renovation, and the processes involved in site plan applications. I have served on the SPRAB board and on the Historic Preservation Board and presented to them on other occasions. I have been on both sides of the table, which is an asset to the discussions and decisions that are to be made.

List any other community/civic involvement which you would like the Commission to consider:

I belong to the Delray Beach Chamber of Commerce, the Delray Beach Historic Preservation Society and Plein Air Palm Beach - a group of artists in Palm Beach County.

University attended:

University of Florida

Degree(s) received:

Bachelor of Landscape Architecture

Major area of study:

Landscape Architecture
