This is an Agreement ("Agreement"), made and entered into by and between: Delray Beach, a municipal corporation of the State of Florida, hereinafter referred to as "City,"

and

GoRack, a Florida limited liability corporation, hereinafter referred to as "Second Party," (collectively referred to as the "Parties").

WITNESSETH:

In consideration of the mutual terms, conditions, promises, covenants, and payments hereinafter set forth, the Parties agree as follows:

ARTICLE 1

DEFINITIONS AND IDENTIFICATIONS

The following definitions apply unless the context in which the word or phrase is used requires a different definition:

- 1.1 **Agreement** - This Agreement includes Articles 1 through 9, the exhibits and documents that are expressly incorporated herein by reference.
- 1.2 **Board** - The City Commission of Delray Beach, Florida.
- 1.3 **Contract Administrator** - The Delray Beach City Manager or the Director of the Delray Beach Information Technology Division. The primary responsibilities of the Contract Administrator are to coordinate and communicate with Second Party and to manage and supervise execution and completion of the Scope of Services and the terms and conditions of this Agreement as set forth herein. In the

administration of this Agreement, as contrasted with matters of policy, all Parties may rely on the instructions or determinations made by the Contract Administrator; provided, however, that such instructions and determinations do not change the Scope of Services.

- 1.4 **City Manager** - The administrative head of City appointed by the Board.
- 1.5 **City Attorney** - The chief legal counsel for City appointed by the Board.
- 1.6 **Project** - The Project consists of the services described in Article 2.

ARTICLE 2

SCOPE OF SERVICES

- 2.1 Second Party shall perform all work identified in this Agreement and Exhibit "A". The Scope of Services is a description of Second Party's obligations and responsibilities and is deemed to include preliminary considerations and prerequisites, and all labor, materials, equipment, and tasks which are such an inseparable part of the work described that exclusion would render performance by Second Party impractical, illogical, or unconscionable.
- 2.2 Second Party acknowledges that the Contract Administrator has no authority to make changes that would increase, decrease, or otherwise modify the Scope of Services to be provided under this Agreement.

ARTICLE 3

TERM AND TIME OF PERFORMANCE

- 3.1 This contract is in full force and effect upon full contract execution by the City of Delray Beach. The continuation of this Agreement beyond the end of any fiscal year shall be subject to both the appropriation and the availability of funds in accordance with Florida law.
- 3.2 All duties, obligations, and responsibilities of Second Party required by this Agreement shall be completed no later than five (5) years after full contract execution by the City of Delray Beach. Time shall be deemed to be of the essence in performing the duties, obligations, and responsibilities required by this Agreement.
- 3.3 In the event services are scheduled to end due to the expiration of this Agreement, the Second Party agrees that it shall continue service upon the request of the Contract Administrator. The extension period shall not extend for greater than three months beyond the term of the Agreement. The Second Party

shall be compensated for the service at the rate in effect when the extension is invoked by the City upon the same terms and conditions as contained in this Agreement as amended. The Chief Purchasing Officer shall notify Second Party of an extension authorized herein by written notice delivered prior to the end of the term of the Agreement.

ARTICLE 4

Additionally, there is a one-time set up/ buildout fee of two thousand five hundred ninety two Dollars (\$2,592.00) that is due at Project onset. Second Party acknowledges that this amount is the maximum payable and constitutes a limitation upon City's obligation to compensate Second Party for its services and expenses related to this Agreement. This maximum amount, however, does not constitute a limitation, of any sort, upon Second Party's obligation to perform all items of work required by or which can be reasonably inferred from the Scope of Services. Please reference Second Party prices in Exhibit "C."

4.2 METHOD OF BILLING AND PAYMENT

4.2.1 Second Party may submit invoices for compensation no more often than on a monthly basis, but only after the services for which the invoices are submitted have been completed. To be deemed proper, all invoices must comply with the requirements set forth in this Agreement and must be submitted on the form and pursuant to instructions prescribed by the Contract Administrator. Payment may be withheld for failure of Second Party to comply with a term, condition, or requirement of this Agreement.

4.3 Notwithstanding any provision of this Agreement to the contrary, City may withhold, in whole or in part, payment to the extent necessary to protect itself from loss on account of inadequate or defective work which has not been remedied or resolved in a manner satisfactory to the Contract Administrator or failure to comply with this Agreement. The amount withheld shall not be subject to payment of interest by City.

4.4 Payment shall be made to Second Party at:

This Agreement may also be terminated for convenience by the Board. Termination for convenience by the Board shall be effective on the termination date stated in written notice provided by City, which termination date shall be not less than thirty (30) days after the date of such written notice. This Agreement may also be terminated by the City Manager upon such notice as the City Manager deems appropriate under the circumstances in the event the City Manager determines that termination is necessary to protect the public health, safety, or welfare. If City erroneously, improperly, or unjustifiably terminates for cause, such termination shall be deemed a termination for convenience, which shall be effective thirty (30) days after such notice of termination for cause is provided.

- 7.2 This Agreement may be terminated for cause for reasons including, but not limited to, Second Party's repeated (whether negligent or intentional) submission for payment of false or incorrect bills or invoices, failure to suitably perform the work, or failure to continuously perform the work in a manner calculated to meet or accomplish the objectives as set forth in this Agreement. The Agreement may also be terminated for cause if the Second Party is placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List created pursuant to Section 215.473, Florida Statutes, or if the Second Party provides a false certification submitted pursuant to Section 287.135, Florida Statutes. - 7.5 In the event this Agreement is terminated for any reason, any amounts due Second Party shall be withheld by City until all documents are provided to City pursuant to Section 9.1 of Article 9.

NON-DISCRIMINATION

- 8.1 No party to this Agreement may discriminate on the basis of race, color, sex, religion, national origin, disability, age, marital status, political affiliation, sexual orientation, pregnancy, or gender identity and expression in the performance of this Agreement. Failure by Second Party to carry out any of these requirements shall constitute a material breach of this Agreement, which shall permit the City, to terminate this Agreement or to exercise any other remedy provided under this Agreement, or under the Delray Beach Code of Ordinances or under applicable law, with all of such remedies being cumulative.

Second Party shall not unlawfully discriminate against any person in its operations and activities or in its use or expenditure of funds in fulfilling its obligations under this Agreement and shall not otherwise unlawfully discriminate in violation of any State or Federal law. Second Party shall affirmatively comply with all applicable provisions of the Americans with Disabilities Act (ADA) in the course of providing any services funded by City, including Titles I and II of the ADA (regarding nondiscrimination on the basis of disability), and all applicable regulations, guidelines, and standards. In addition, Second Party shall take affirmative steps to prevent discrimination in employment against disabled persons.

By execution of this Agreement, Second Party represents that it has not been placed on the discriminatory vendor list as provided in Section 287.134, Florida Statutes. City hereby materially relies on such representation in entering into this Agreement. An untrue representation of the foregoing shall entitle City to terminate this Agreement and recover from Second Party all monies paid by City pursuant to this Agreement, and may result in debarment from City's competitive procurement activities.

ARTICLE 9

MISCELLANEOUS

9.1 RIGHTS IN DOCUMENTS AND WORK

Any and all reports, photographs, surveys, and other data and documents provided or created in connection with this Agreement are and shall remain the property of City, and, if a copyright is claimed, Second Party grants to City a non-exclusive license to use the copyrighted item(s) indefinitely, to prepare derivative works, and to make and distribute copies to the public. 9.2.1 Keep and maintain all records that ordinarily and necessarily would be required by the City.

- 9.2.2 Provide the public with access to public records on the same terms and conditions that the City would provide for the records and at a cost that does not exceed the costs provided in Chapter 119, Fla. Stat. or as otherwise provided by law.
- 9.2.3 Ensure that public records that are exempt or confidential and exempt from public records disclosure are not disclosed except as authorized by law.
- 9.2.4 Meet all requirements for retaining public records and transfer, at no cost, to the City all records in possession of the Second Party at the termination of the contract and destroy any public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the City in a format that is compatible with the information technology systems of the City. All records shall be transferred to the City prior to final payment being made to the Second Party.
- 9.2.5 If Second Party does not comply with this section, the City shall enforce the contract provisions in accordance with the contract and may unilaterally cancel this contract in accordance with state law.

9.3 INSPECTOR GENERAL.

Second Party is aware that the Inspector General of Palm Beach County has the authority to investigate and audit matters relating to the negotiation and performance of this contract, and may demand and obtain records and testimony from Second Party and its sub licensees and lower tier sub licensees. Second Party understands and agrees that in addition to all other remedies and consequences provided by law, the failure of Second Party or its sub licensee or lower tier sub licensees to fully cooperate with the Inspector General when requested may be deemed by the City to be a material breach of this Agreement justifying its termination.

9.4 AUDIT RIGHTS, AND RETENTION OF RECORDS

City shall have the right to audit the books, records, and accounts of Second Party that are related to this Project. Second Party shall keep such books, records, and accounts as may be necessary in order to record complete and correct entries related to the Project. All books, records, and accounts of Second Party shall be kept in written form, or in a form capable of conversion into written form within a reasonable time, and upon request to do so, Second Party, as applicable, shall make same available at no cost to City in written form.

Second Party shall preserve and make available, at reasonable times for examination and audit by City, all financial records, supporting documents, statistical records, and any other documents pertinent to this Agreement for the required retention period of the Florida Public Records Act, Chapter 119, Florida Statutes, if applicable, or, if the Florida Public Records Act is not applicable, for a minimum period of three (3) years after termination of this Agreement. If any audit has been initiated and audit findings have not been resolved at the end of the retention period or three (3) years, whichever is longer, the books, records, and accounts shall be retained until resolution of the audit findings. Any incomplete or incorrect entry in such books, records, and accounts shall be a basis for City's disallowance and recovery of any payment upon such entry.

9.5 TRUTH-IN-NEGOTIATION REPRESENTATION

Second Party's compensation under this Agreement is based upon representations supplied to City by Second Party, and Second Party certifies that the information supplied is accurate, complete, and current at the time of contracting. City shall be entitled to recover any damages it incurs to the extent such representation is untrue.

9.6 PUBLIC ENTITY CRIME ACT

Second Party represents that the execution of this Agreement will not violate the Public Entity Crime Act, Section 287.133, Florida Statutes, which essentially provides that a person or affiliate who is a contractor, consultant, or other provider and who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to City, may not submit a bid on a contract with City for the construction or repair of a public building or public work, may not submit bids on leases of real property to City, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with City, and may not transact any business with City in excess of the threshold amount provided in Section 287.017, Florida Statutes, for category two purchases for a period of thirty-six (36) months from the date of being placed on the convicted vendor list. Violation of this section shall result in termination of this Agreement and recovery of all monies paid by City pursuant to this Agreement, and may result in debarment from City's competitive procurement activities.

In addition to the foregoing, Second Party further represents that there has been no determination, based on an audit, that it committed an act defined by Section 287.133, Florida Statutes, as a "public entity crime" and that it has not been formally charged with committing an act defined as a "public entity crime" regardless of the amount of money involved or whether Second Party has been placed on the convicted vendor list.

9.7 INDEPENDENT CONTRACTOR

Second Party is an independent contractor under this Agreement. Services provided by Second Party pursuant to this Agreement shall be subject to the supervision of Second Party. In providing such services, neither Second Party nor its agents shall act as officers, employees, or agents of City. No partnership, joint venture, or other joint relationship is created hereby. Further, such persons shall not give sworn testimony or issue a report or writing, as an expression of his or her expert opinion, which is adverse or prejudicial to the interests of City in connection with any such pending or threatened legal or administrative proceeding unless compelled by court process. The limitations of this section shall not preclude Second Party or any persons in any way from representing themselves, including giving expert testimony in support thereof, in any action or in any administrative or legal proceeding.

9.12 MATERIALITY AND WAIVER OF BREACH

Each requirement, duty, and obligation set forth herein was bargained for at arm's-length and is agreed to by the Parties. Each requirement, duty, and obligation set forth herein is substantial and important to the formation of this Agreement, and each is, therefore, a material term hereof.

City's failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement. A waiver of any breach of a provision of this Agreement shall not be deemed a waiver of any subsequent breach and shall not be construed to be a modification of the terms of this Agreement.

9.13 COMPLIANCE WITH LAWS

Second Party shall comply with all applicable federal, state, and local laws, codes, ordinances, rules, and regulations in performing its duties, responsibilities, and obligations pursuant to this Agreement.

9.14 SEVERANCE

9.15 JOINT PREPARATION

The Parties and their counsel have participated fully in the drafting of this Agreement and acknowledge that the preparation of this Agreement has been their joint effort. The language agreed to expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the Parties than the other.  - 2) Bidder(s) shall have a minimum of five years’ experience in providing Data Center Colocation and Fiber Transport Services.
 - 3) Bidder(s) shall have existing adequate personnel capable to perform the services as required in the Scope of Services.

The selected facility will be utilized for colocation of the Information Technology Department’s servers and data.
- D. Colocation:** Currently the City is utilizing two (2) Data Centers in Delray Beach within City owned buildings. The intent of this bid is to Contract with a secure, redundant, hardened facility between 250 miles and 650 miles from the City of Delray Beach. The equipment currently housed in one of the City data centers will be moved to the newly contracted data center and connectivity established between the City and the new colocation facility. We are anticipating colocation into two (2) 42U Cabinets to be sufficient for our needs. Please include the installation and MRC pricing for 2 adjoining private cabinets.
- E. Connectivity**
- 1) The City of Delray Beach anticipates the need for a 10GB fiber transport from the data center in the City Hall building at 150 NW 1st Ave, Delray Beach, FL to the

two (2) colocation cabinets in the proposed data center. Please include the installation and MRC pricing for the fiber transport.

- 3) Optional – Please include installation and MRC pricing for redundant connection from FL Lambda Rail to Cabinets in Colocation facility.

F. Security

The facility shall adhere to CJIS Compliance for Physical Protection standards. This may include the use of a locked cage around the two (2) cabinets. Please include the installation and MRC pricing for a locked cage.

- 1) **Physically Secure Location:** The process of media protection starts from selecting a physically secure location. A physically secure location can be a facility, a room, a police vehicle, an area or a group of rooms within a given facility. These locations must have both personnel and physical security controls that are sufficient enough to protect Criminal Justice Information (CJI) as well as the associated information systems. It is also to be noted that the physically secure location is subject to FBI CJIS Security addendum; criminal justice agency management control; SIB control; or a combination of these. The following sections would describe the physical controls that need to be in place in order to consider a facility to be a secure location.
- 2) **Security Perimeter:** The perimeter of a physically secure location must be displayed prominently separating it from the non-secure areas by physical controls. The security perimeters need to be clearly defined, secured and controlled in a manner deemed acceptable by State Identification Bureau (SIB) or CJIS Systems Agency (CSA).
- 3) **Physical Access Authorizations:** The agency should prepare and maintain a list of personnel currently having authorized access to the location. The agency also would issue credentials to authorized people.
- 4) **Physical Access Control:** Other than the areas designated as publicly accessible by all, the agency should have complete control over all the physical access points. It should also ascertain individual access authorization before allowing access.
- 5) **Access Control for Transmission Medium:** Another important function of an agency is to control the physical access to information system transmission and distribution lines within the secure location.
- 6) **Access Control for Display Medium:** To ensure better physical protection to CJI, the agencies must control physical access to IT devices that are used to display criminal justice information.
