

Sandoway Discovery Center

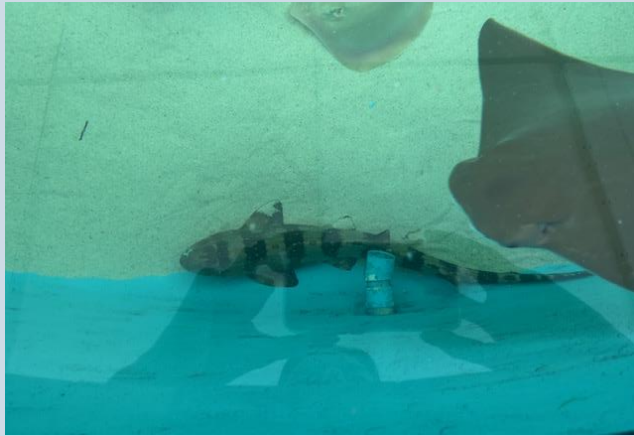

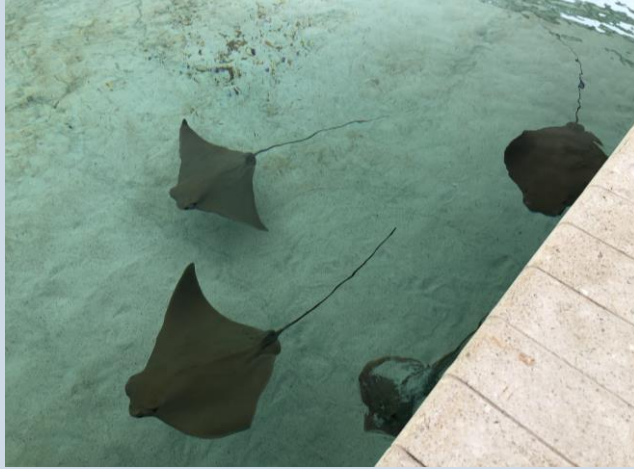

Completed Our Pool Renovation

Opened our new stingray touch tank!

Increased Number of Animal Ambassadors

This year we have given forever homes to a skunk, several stingrays, a Porcupine Puffer, Bamboo Shark and two Nurse Sharks!

Sandoway's educational programs....

- Sandoway taught 5,791 students through educational field trips and outreaches
- Curriculum has been approved by Palm Beach County Schools, and we have been on their free busing list for the past 10 years
- Reached over 16,000 visitors with public programming including shark and stingray feedings, animal encounters and aquarium feedings.

Ran a successful afterschool program in partnership with the Jim Moran Foundation for 882 underserved students.

Roots and Wings Partnership

Sandoway brought environmental education to:

- 5 schools including Village Academy, Plumosa, Crosspoint, Freedom Shores, and Coral Sunset Elementary, totaling 137 students

Taught 100 preschool children the importance of environmental education through our Discovery Series Program.

Ran a successful Service-Learning Program with help from DHL Express for 34 young adults.

Hired Two New Fulltime Employees

- Director of Education: Suzanne Williamson

Aquarist-Adriana Barioli

Helped fill criteria needed
for Blue Flag Designation

Ran two successful Beach Clean Ups in partnership with the City of Delray Beach and removed hundreds of pounds of waste from our beaches with the help of 188 volunteers.

Organized a highly successful fundraising event,
“ Muscle On The Beach,” which resulted in an impressive
fundraising amount of over \$17,000.

Continued to
improve upon our
spectacular
butterfly garden!

Upcoming projects to be finished by the end of 2023

Perimeter Fence

Generator

As well as two new aquariums in our newly redesigned shark room!

Thank you for the continued support of the City of Delray Beach! We are proud to serve the Delray community and teach thousands about the importance of our coastal ecosystems.
