- Signed & sealed site plan or survey.

- Private underground utilities located and marked prior to installation.
- Sod & Landscape Restoration.
- Soils testing.
- Tree survey.
- Site security.
- Water and 110 Electric.
- Dewatering and drainage considerations.
- Concrete testing.

Installation Charges on this proposal are based on NO UNFORESEEN conditions in the area, above or below the surface. If unforeseen conditions arise, the installation charges will change to reflect additional costs associated with dealing with those circumstances. Examples of this include, but are not limited to: site not ready upon installer's arrival, underground utilities, or difficulties with footers due to coral rock or ground water in the holes.

Orders are shipped within our manufacturer's standard lead times. Requests for delayed shipping may result in additional costs due to increases in freight, material costs or other factors. To secure the prices on this proposal, the offer must be accepted prior to the expiration date noted.

The undersigned warrants that he/she is an authorized representative of the company noted and has the requisite authority to bind said company and/or principal. If any particular billing is not paid when due, all outstanding balances, regardless of prior terms, will become immediately due and owing upon demand. Interest on past due amounts will be assessed at 1 ½ % per month or the maximum interest rate permitted by applicable law, whichever is less. Should it become necessary for either party to this contract to institute legal action for enforcement of any provisions of this contract, the prevailing party shall be entitled to reimbursement for all court costs and reasonable attorney's fees incident to such legal action. The parties hereto agree that proper venue for any legal action in any way related to this contract shall be in Palm Beach County, FL.
