TERMS AND CONDITIONS FOR SOFTWARE LICENSES, SOFTWARE AND EQUIPMENT SUPPORT SERVICES,
AND EDUCATIONAL AND PROFESSIONAL SERVICES

This Section B applies to Software licensed, Equipment purchased, support services for Software and Equipment, and educational and professional services, when such items are identified on the Order which expressly references this Agreement.

1. PAYMENT AND DELIVERY

Unless otherwise set forth in this Agreement, payment terms are indicated on the Order Form or other contemporaneous ordering document containing product-specific payment terms signed by the parties. Delivery terms are as stated on the Order Form ("Delivery"). Kronos will invoice Customer for products upon Delivery. Unless otherwise set forth on the Order Form, Professional and Educational Services are provided on a time and materials basis, invoiced monthly as rendered.

2. GENERAL LICENSE TERMS

Kronos owns or has the right to license the Software. The Software and Software documentation are confidential and may not be disclosed to a third party without Kronos' written consent. The Software contains proprietary trade secret technology. Unauthorized use and copying of such Software is prohibited by law, including United States and foreign copyright law. The price Customer pays for a copy of the Software constitutes a license fee that entitles Customer to use the Software as set forth below. Kronos grants to Customer a non-exclusive, nontransferable, perpetual (except as provided herein) license to use the Software. This license may be terminated by Kronos by written notice to Customer upon any material breach of this Agreement by Customer which remains uncured for a period of thirty (30) days after such written notice from Kronos. Upon such termination of this license by Kronos, Customer will have no further right to use the Software and will return the Software media to Kronos and destroy all copies of the Software (and related documentation) in Customer's possession or control. This license is subject to all of the terms of this Section B.

3. FEE BASED LIMITATIONS

Customer recognizes and agrees that the license to use the Software is limited, based upon the amount of the license fee paid by Customer. Limitations, which are set forth on the Order Form, may include the number of employees, simultaneous or active users, Software product modules, Software features, computer model and serial number and partition, and/or the number of telephone lines or terminals to which the Software is permitted to be connected. Customer agrees to: i) use the Software only for the number of employees, simultaneous or active users, computer model, partition and serial number, and/or terminals permitted by the applicable license fee; ii) use only the product modules and/or features permitted by the applicable license fees; and iii) use the Software only in support of Customer's own business. Customer agrees not to increase the number of employees, simultaneous or active users, partitions, terminals, products modules, features, or to upgrade the model, as applicable, unless and until Customer pays the applicable fee for such increase/upgrade. Customer may not relicense or sublicense the Software to, or otherwise permit use of the Software (including timesharing or networking use) by any third party. Customer may not provide service bureau or other data processing services that make use of the Software without the express prior written consent of Kronos.

4. OBJECT CODE ONLY

Customer may use the computer programs included in the Software (the "Programs") in object code form only, and shall not reverse compile, disassemble or otherwise convert the Programs into uncompiled or unassembled code. The Programs include components owned by third parties. Such third party components are deemed to be Software subject to this Section B. Customer shall not use any of the Programs (or the data models therein) except solely as part of and in connection with the Software and as described in the published documentation for such Software.

5. PERMITTED COPIES

Customer may copy the Programs as reasonably necessary to load and execute the Programs and for backup and disaster recovery and testing purposes only, except for additional copies of the Teletime Software and the Kronos iSeries (which must be licensed separately). All copies of the Programs or any part thereof, whether in printed or machine readable form and whether on storage media or otherwise, are subject to all the terms of this license, and all copies of the Programs or any part of the Programs shall include the copyright and proprietary rights notices contained in the Programs as delivered to the Customer.

6. UPDATES

In the event that Kronos supplies Service Packs, Point Releases and Major Releases (including legislative updates if available) of the Software (collectively referred to as "Updates"), such Updates shall be part of the Software and the provisions of this license shall apply to such Updates and to the Software as modified thereby.

7. ACCEPTANCE

For Customer's initial purchase of each Equipment and Software product Kronos shall provide an acceptance test period (the "Test Period") that commences upon installation. Installation shall be defined as: a.) the Equipment, if any, is mounted; b.) the Software is installed on Customer's server(s); and c.) implementation team training, if any, is complete. During the Test Period, Customer shall determine whether the Equipment and Software meet the Kronos published electronic documentation, ("Specifications").

The Test Period shall be for 30 days. If Customer has not given Kronos a written deficiency statement specifying how the Equipment or Software fails to meet the Specifications ("Deficiency Statement") within the Test Period, the Equipment and Software shall be deemed accepted. If Customer provides a Deficiency Statement within the Test Period, Kronos shall have 30 days to correct the deficiency, and Customer shall have an additional 30 days to evaluate the Equipment and Software. If the Equipment or Software does not meet the Specifications at the end of the second 30 day period, either Customer or Kronos may terminate this Agreement. Upon any such termination, Customer shall return all Equipment and Software (and related documentation) to Kronos, and Kronos shall refund any monies paid by Customer to Kronos for the returned Equipment and Software. Neither party shall then have any further liability to the other for the products that were the subject of the Acceptance Test.

8. LIMITED WARRANTY

Kronos warrants that all Kronos Equipment and Software media shall be free from defects in materials and workmanship, for a period of ninety (90) days from Delivery. In the event of a breach of this warranty, Customer's remedy shall be Kronos' repair or replacement of the deficient Equipment and/or Software media, at Kronos' option, provided that Customer's use, installation and maintenance thereof have conformed to the Specifications. This warranty is extended to Customer only and shall not apply to any Equipment (or parts thereof) or Software media in the event of:

- (a) damage, defects or malfunctions resulting from misuse, accident, neglect, tampering, (including modification or replacement of any Kronos components on any boards supplied with the Equipment), unusual physical or electrical stress or causes other than normal and intended use;
- (b) failure of Customer to provide and maintain a suitable installation environment, as specified in the Specifications; or
- (c) malfunctions resulting from the use of badges or supplies not approved by Kronos.

When using and applying the Information generated by Kronos products, Customer is responsible for ensuring that Customer complies with requirements of federal and state law where applicable. If Customer is licensing Workforce Payroll Software or Workforce Absence Management Software: (i) Customer is solely responsible for the content and accuracy of all reports and documents prepared in whole or in part by using such Software, (ii) using such Software does not release Customer of any professional obligation concerning the preparation and review of such reports and documents, (iii) Customer does not rely upon Kronos, Best Software, Inc. or such Software for any advice or guidance regarding compliance with federal (and state laws where applicable) or the appropriate tax treatment of items reflected on such reports or documents, and (iv) Customer will review any calculations made by using such Software and satisfy itself that those calculations are correct.

9. PROFESSIONAL AND EDUCATIONAL SERVICES

(a) ENGAGEMENTS

Unless otherwise indicated on the Order, Professional and Educational Services ("Professional Services") shall be provided on a time and material basis and described in a statement of work. If a dollar limit is stated in the Order Form or any associated statement of work ("SOW"), the limit shall be deemed an estimate for Customer's budgeting and Kronos' resource scheduling purposes. After the dollar limit is expended, Kronos will continue to provide Professional Services on a time and materials basis, if a Change Order or Schedule of Services for continuation of the Professional Services is signed by the parties.

(b) WARRANTY

Kronos warrants that all professional and educational services performed under this Agreement shall be performed in a professional and competent manner. In the event that Kronos breaches this warranty, and Customer so notifies Kronos within 30 days of receipt of invoice for the applicable services, the Customer's remedy and Kronos' liability shall be to re-perform the services which were deficient in a manner so as to conform to the foregoing warranty, at no additional cost to Customer.

Both parties agree to comply with all applicable privacy or data protection statutes, rules, or regulations governing the respective activities of the parties under the Agreement.

EXHIBIT A

SERVICE LEVEL AGREEMENT (SLA)

Service Level Agreement: The Services, in a production environment and as described in the Statement of Work (aka Services Scope Statement), are provided with the service levels described in this Exhibit A. SLAs are only applicable to production environments. SLAs will be available upon Customer's signature of Kronos' Go Live Acceptance Form for Customer's production environment.

99.75% Application Availability

Actual Application Availability % = (Monthly Minutes (MM) minus Total Minutes Not Available (TM)) multiplied by 100) and divided by Monthly Minutes (MM), but not including Excluded Events

Service Credit Calculation: An Outage will be deemed to commence when the Applications are unavailable to Customer in Customer's production environment hosted by Kronos and end when Kronos has restored availability of the Services. Failure to meet the 99.75% Application Availability SLA, other than for reasons due to an Excluded Event, will entitle Customer to a credit as follows:

Actual Application Availability % (as measured in a calendar month)	Service Credit to be applied to Customer's monthly invoice for the affected month
<99.75% to 98.75%	10%
<98.75% to 98.25%	15%
<98.25% to 97.75%	25%
<97.75 to 96.75%	35%
<96.75	50%

"Outage" means the accumulated time, measured in minutes, during which Customer is unable to access the Applications for reasons other than an Excluded Event.

"Excluded Event" means any event that results in an Outage and is caused by (a) the acts or omissions of Customer, its employees, customers, contractors or agents; (b) the failure or malfunction of equipment, applications or systems not owned or controlled by Kronos, including without limitation Customer Content, failures or malfunctions resulting from circuits provided by Customer, any inconsistencies or changes in Customer's source environment, including either intentional or accidental connections or disconnections to the environment; (c) Force Majeure events; (d) scheduled or emergency maintenance, alteration or implementation provided during the Maintenance Period defined below; (e) any suspension of the Services in accordance with the terms of the Agreement to which this Exhibit A is attached; (f) the unavailability of required Customer personnel, including as a result of failure to provide Kronos with accurate, current contact information; or (g) using an Application in a manner inconsistent with the product documentation for such Application.

"Maintenance Period" means scheduled maintenance periods established by Kronos to maintain and update the Services, when necessary. During these Maintenance Periods, the Services are available to Kronos to perform periodic maintenance services, which include vital software updates. Kronos will use its commercially reasonable efforts during the Maintenance Period to make the Services available to Customer; however, some changes will require downtime. Kronos will provide notice for planned downtime via an email notice to the primary Customer contact at least one day in advance of any known downtime so planning can be facilitated by Customer.

Currently scheduled Maintenance Periods for the Services are:

Monday through Friday 04:00 am – 06:00 am (U.S. eastern time)
Saturday and Sunday 12:00 am – 06:00 am (U.S. eastern time)

Maintenance Periods include those maintenance periods mutually agreed upon by Customer and Kronos.

"Monthly Minutes (MM)" means the total time, measured in minutes, of a calendar month commencing at 12:00 am of the first day of such calendar month and ending at 11:59 pm of the last day of such calendar month.

"Total Minutes Not Available (TM)" means the total number of minutes during the calendar month that the Services are unavailable as the result of an Outage.

Limitations: Service Credits will not be provided if: (a) Customer is in breach or default under the Agreement at the time the Outage occurred; or (b) the Outage results from an Excluded Event. If Kronos does not provide the appropriate Service Credit as due hereunder, Customer must request the Service Credit within sixty (60) calendar days of the conclusion of the month in which the Service Credit accrues. Customer waives any right to Service Credits not requested within this time period. All performance calculations and applicable Service Credits are based on Kronos records and data unless Customer can provide Kronos with clear and convincing evidence to the contrary.

The Service Level Agreements in this Exhibit, and the related Service Credits, apply on a per production environment basis. For the avoidance of doubt, Outages in one production environment may not be added to Outages in any other production environment for purposes of calculating Service Credits.

Customer acknowledges that Kronos manages its network traffic in part on the basis of Customer's utilization of the Services and that changes in such utilization may impact Kronos' ability to manage network traffic. Therefore, notwithstanding anything else to the contrary, if Customer significantly changes its utilization of the Services than what is contracted with Kronos and such change creates a material and adverse impact on the traffic balance of the Kronos network, as reasonably determined by Kronos, the parties agree to co-operate, in good faith, to resolve the issue.

<98.75% to 98.25%	20%
<98.25% to 97.75%	35%

- b) failure of Customer to provide and maintain a suitable installation environment, as specified in the published specifications for such Equipment; or

- c) malfunctions resulting from the use of badges or supplies not approved by Kronos.

EXCEPT AS PROVIDED FOR IN THIS SECTION 11, KRONOS HEREBY DISCLAIMS ALL WARRANTIES, CONDITIONS, GUARANTIES AND REPRESENTATIONS RELATING TO THE SERVICES, EXPRESS OR IMPLIED, ORAL OR IN WRITING, INCLUDING WITHOUT LIMITATION THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NON-INFRINGEMENT, AND WHETHER OR NOT ARISING THROUGH A COURSE OF DEALING. THE SERVICES ARE NOT GUARANTEED TO BE ERROR-FREE OR UNINTERRUPTED. EXCEPT AS SPECIFICALLY PROVIDED IN THIS SECTION D OF THIS AGREEMENT, KRONOS MAKES NO WARRANTIES OR REPRESENTATIONS CONCERNING THE COMPATIBILITY OF THE SERVICES, THE SAAS APPLICATIONS OR THE EQUIPMENT NOR ANY RESULTS TO BE ACHIEVED THEREFROM.

12.0 DATA SECURITY

12.1 As part of the Services, Kronos shall provide those administrative, physical, and technical safeguards for protection of the security, confidentiality and integrity of Customer data as described at: <http://www.kronos.com/products/smb-solutions/workforce-central-saas/security-description.aspx>

Customer acknowledges that such safeguards endeavor to mitigate security incidents, but such incidents may not be mitigated entirely or rendered harmless. Customer should consider any particular Kronos supplied security-related safeguard as just one tool to be used as part of Customer's overall security strategy and not a guarantee of security. Both parties agree to comply with all applicable privacy or data protection statutes, rules, or regulations governing the respective activities of the parties under this Section D.

12.2 As between Customer and Kronos, all Personally Identifiable Data is Customer's Confidential Information and will remain the property of Customer. Customer represents that to the best of Customer's knowledge such Personally Identifiable Data supplied to Kronos is accurate. Customer hereby consents to the use, processing or disclosure of Personally Identifiable Data by Kronos and Kronos' Suppliers wherever located only for the purposes described herein and only to the extent such use or processing is necessary for Kronos to carry out Kronos' duties and responsibilities under this Section D or as required by law.

12.3 Prior to initiation of the Services and on an ongoing basis thereafter, Customer agrees to provide notice to Kronos of any extraordinary privacy or data protection statutes, rules, or regulations which are or become applicable to Customer's industry and which could be imposed on Kronos as a result of provision of the Services. Customer will ensure that: (a) the transfer to Kronos and storage of any Personally Identifiable Data by Kronos or Kronos' Supplier's data center is permitted under applicable data protection laws and regulations; and, (b) Customer will obtain consents from individuals for such transfer and storage to the extent required under applicable laws and regulations.

13. INDEMNIFICATION

13.1 Kronos shall defend Customer and its respective directors, officers, and employees (collectively, the "Customer Indemnified Parties"), from and against any and all notices, charges, claims, proceedings, actions, causes of action and suits, brought by a third party (each a "Claim") alleging that the permitted uses of the Services infringe or misappropriate any United States or Canadian copyright or patent and will indemnify and hold harmless the Customer Indemnified Parties against any liabilities, obligations, costs or expenses (including without limitation reasonable attorneys' fees) actually awarded to a third party as a result of such Claim by a court of applicable jurisdiction or as a result of Kronos' settlement of such a Claim. In the event that a final injunction is obtained against Customer's use of the Services by reason of infringement or misappropriation of such copyright or patent, or if in Kronos' opinion, the Services are likely to become the subject of a successful claim of such infringement or misappropriation, Kronos, at Kronos' option and expense, will use commercially reasonable efforts to (a) procure for Customer the right to continue using the Services as provided in this Section D, (b) replace or modify the Services so that the Services become non-infringing but remain substantively similar to the affected Services, and if neither (a) or (b) is commercially feasible, to (c) terminate the Services and the rights granted hereunder after provision of a refund to Customer of the Monthly Service Fees paid by Customer for the infringing elements of the Services covering the period of their unavailability.

13.2 Kronos shall have no liability to indemnify or defend Customer to the extent the alleged infringement is based on: (a) a modification of the Services by anyone other than Kronos; (b) use of the Services other than in accordance with Kronos' documentation for such Service or as authorized by this Section D; (c) use of the Services in conjunction with any data, equipment, service or software not provided by Kronos, where the Services would not otherwise itself be infringing or the subject of the claim; or (d) use of the Services by Customer other than in accordance with the terms of this Section D. Notwithstanding the foregoing, with regard to infringement claims based upon software created or provided by a licensor to Kronos or Suppliers, Kronos' maximum liability will be to assign to Customer Kronos' or Supplier's recovery rights with respect to such infringement claims, provided that Kronos or Kronos' Supplier shall use commercially reasonable efforts at Customer's cost to assist Customer in seeking such recovery from such licensor.

13.3 Customer shall be responsible and liable for all damages and cost of Kronos, its suppliers and their officers, directors and employees for all Claims resulting from: (a) employment-related claims arising out of Customer's configuration of the Services; (b) Customer's modification or combination of the Services with other services, software or equipment not furnished by Kronos, provided that such Customer modification or combination is the cause of such infringement and was not authorized by Kronos; or, (c) a claim that the Customer Content infringes in any manner any intellectual property right of any third party, or any of the Customer Content contains any material or information that is obscene, defamatory, libelous, or slanderous violates any person's right of publicity, privacy or personality, or has otherwise caused or resulted in any tort, injury, damage or harm to any other person.

13.4 The Indemnified Party(ies) shall provide written notice to the indemnifying party promptly after receiving notice of such Claim. If the defense of such Claim is materially prejudiced by a delay in providing such notice, the purported indemnifying party shall be relieved from providing such indemnity to the extent of the delay's impact on the defense. The indemnifying party shall have sole control of the defense of any indemnified Claim and all negotiations for its settlement or compromise, provided that such indemnifying party shall not enter into any settlement which imposes any obligations or restrictions on the applicable Indemnified Parties without the prior written consent of the other party. The Indemnified Parties shall cooperate fully, at the indemnifying party's request and expense, with the indemnifying party in the defense, settlement or compromise of any such action. The Indemnified party may retain its own counsel at its own expense, subject to the indemnifying party's rights above.

14. LIMITATION OF LIABILITY

14.1 Except as specifically provided in this Section D, Kronos and its suppliers will not be liable for any damages or injuries caused by the use of the services or by any errors, delays, interruptions in transmission, or failures of the services.

14.2 Except for Kronos' indemnification obligations set forth in section 13 above, the total aggregate liability of Kronos or Kronos' suppliers to

customer and/or any third party in connection with this Section D shall be limited to direct damages proven by customer, such direct damages not to exceed an amount equal to the total net payments received by Kronos for the services in the twelve (12) month period immediately preceding the date in which such claim arises.

14.3 Except for Kronos' indemnification obligations set forth in section 13 above, in no event shall Kronos or Kronos' suppliers, their respective affiliates, service providers, or agents be liable to customer or any third party for any incidental, special, punitive, consequential or other indirect damages or for any lost or imputed profits or revenues, lost data or cost of procurement of substitute services resulting from delays, nondeliveries, misdeliveries or services interruption, however caused, arising from or related to the Services, regardless of the legal theory under which such liability is asserted, whether breach of warranty, indemnification, negligence, strict liability or otherwise, and whether liability is asserted in contract, tort or otherwise, and regardless of whether Kronos or supplier has been advised of the possibility of any such liability, loss or damage.

14.4 Except with respect to liability arising from Kronos' gross negligence or willful misconduct, Kronos disclaims any and all liability, including without limitation liability related to a breach of data security and confidentiality obligations, resulting from any externally introduced harmful program (including without limitation viruses, trojan horses, and worms), Customer's content or applications, third party unauthorized access of equipment, SAAS applications or systems, or machine error.

EXHIBIT A

SERVICE LEVEL AGREEMENT (SLA)

Service Level Agreement: The Services, in a production environment and as described in the Statement of Work (aka Services Scope Statement), are provided with the service levels described in this Exhibit A. SLAs are only applicable to production environments. SLAs will be available upon Customer's signature of Kronos' Go Live Acceptance Form for Customer's production environment.

99.75% Application Availability

Actual Application Availability % = (Monthly Minutes (MM) minus Total Minutes Not Available (TM)) multiplied by 100) and divided by Monthly Minutes (MM), but not including Excluded Events

Service Credit Calculation: An Outage will be deemed to commence when the Applications are unavailable to Customer in Customer's production environment hosted by Kronos and end when Kronos has restored availability of the Services. Failure to meet the 99.75% Application Availability SLA, other than for reasons due to an Excluded Event, will entitle Customer to a credit as follows:

Actual Application Availability % (as measured in a calendar month)	Service Credit to be applied to Customer's monthly invoice for the affected month
<99.75% to 98.75%	10%
<98.75% to 98.25%	15%
<98.25% to 97.75%	25%
<97.75 to 96.75%	35%
<96.75	50%

"Outage" means the accumulated time, measured in minutes, during which Customer is unable to access the Applications for reasons other than an Excluded Event.

"Excluded Event" means any event that results in an Outage and is caused by (a) the acts or omissions of Customer, its employees, customers, contractors or agents; (b) the failure or malfunction of equipment, applications or systems not owned or controlled by Kronos, including without limitation Customer Content, failures or malfunctions resulting from circuits provided by Customer, any inconsistencies or changes in Customer's source environment, including either intentional or accidental connections or disconnections to the environment; (c) Force Majeure events; (d) scheduled or emergency maintenance, alteration or implementation provided during the Maintenance Period defined below; (e) any suspension of the Services in accordance with the terms of the Agreement to which this Exhibit A is attached; (f) the unavailability of required Customer personnel, including as a result of failure to provide Kronos with accurate, current contact information; or (g) using an Application in a manner inconsistent with the product documentation for such Application.

"Maintenance Period" means scheduled maintenance periods established by Kronos to maintain and update the Services, when necessary. During these Maintenance Periods, the Services are available to Kronos to perform periodic maintenance services, which include vital software updates. Kronos will use its commercially reasonable efforts during the Maintenance Period to make the Services available to Customer; however, some changes will require downtime. Kronos will provide notice for planned downtime via an email notice to the primary Customer contact at least one day in advance of any known downtime so planning can be facilitated by Customer.

Currently scheduled Maintenance Periods for the Services are:

Monday through Friday 04:00 am – 06:00 am (U.S. eastern time)
 Saturday and Sunday 12:00 am – 06:00 am (U.S. eastern time)

Maintenance Periods include those maintenance periods mutually agreed upon by Customer and Kronos.

"Monthly Minutes (MM)" means the total time, measured in minutes, of a calendar month commencing at 12:00 am of the first day of such calendar month and ending at 11:59 pm of the last day of such calendar month.

"Total Minutes Not Available (TM)" means the total number of minutes during the calendar month that the Services are unavailable as the result of an Outage.

Limitations: Service Credits will not be provided if: (a) Customer is in breach or default under the Agreement at the time the Outage occurred; or (b) the Outage results from an Excluded Event. If Kronos does not provide the appropriate Service Credit as due hereunder, Customer must request the Service Credit within sixty (60) calendar days of the conclusion of the month in which the Service Credit accrues. Customer waives any right to Service Credits not requested within this time period. All performance calculations and applicable Service Credits are based on Kronos records and data unless Customer can provide Kronos with clear and convincing evidence to the contrary.

The Service Level Agreements in this Exhibit, and the related Service Credits, apply on a per production environment basis. For the avoidance of doubt, Outages in one production environment may not be added to Outages in any other production environment for purposes of calculating Service Credits.

Customer acknowledges that Kronos manages its network traffic in part on the basis of Customer's utilization of the Services and that changes in such utilization may impact Kronos' ability to manage network traffic. Therefore, notwithstanding anything else to the contrary, if Customer significantly changes its utilization of the Services than what is contracted with Kronos and such change creates a material and adverse impact on the traffic balance of the Kronos network, as reasonably determined by Kronos, the parties agree to co-operate, in good faith, to resolve the issue.

SECTION E

KRONOS WORKFORCE READY® - SOFTWARE AS A SERVICE (SAAS) TERMS AND CONDITIONS

Customer and Kronos agree that the terms and conditions set forth in this Section E shall apply to the Kronos software application programs and related services and materials (including applicable documentation) and equipment (if any) specified on an Order Form for Workforce Ready (collectively, the "Services"). The Services described on an Order Form shall be delivered by means of Customer's permitted access to the password protected customer area of a Kronos website.

1. TERM

1.1 The Services shall be deemed to start on the earlier of: a) ninety (90) days from Kronos' receipt of the relevant Order Form; or, b) the date Customer is authorized to "go live" with the Services for production purposes, (the "Start Date"), and shall continue indefinitely on a month-to-month basis until terminated in accordance with the provisions hereof (the "Term"). Customer acknowledges that execution of separate third party agreements may be required in order for Customer to "go live" with certain add-on features or functionality, including tax filing services ("Add-on Features"), as identified by Kronos on the Order Form.

1.2 Customer may terminate the Services or the Agreement for convenience upon thirty (30) days prior written notice.

1.3 Either party may suspend or terminate the Services or the Agreement upon a material breach of the Agreement by the other party if such breach is not cured within fifteen (15) days after receipt of written notice. Notwithstanding the foregoing, Kronos may suspend or terminate the Services or the Agreement immediately upon notice in the event of any Customer breach of Sections 3 (License to Use), 4 (Acceptable Use), or Section A.4 (Confidential Information), below.

1.4 In the event that either party becomes insolvent, makes a general assignment for the benefit of creditors, is adjudicated a bankrupt or insolvent, commences a case under applicable bankruptcy laws, files a petition seeking reorganization, the other party may request adequate assurances of future performance. Failure to comply with such request within ten (10) days of delivery of the request shall entitle the requesting party to terminate the Agreement immediately upon written notice to the other.

1.5 If the Agreement is terminated for any reason:

(a) Customer shall pay Kronos within thirty (30) days all fees accrued for the Services prior to the date of termination, provided that if Customer terminates Kronos for material breach of the Agreement, Kronos shall be responsible to refund to Customer unused pre-paid service fees, if any;

(b) Customer's right to access and use the Services shall be revoked and be of no further force or effect;

(c) Within fifteen (15) days of termination Customer will retrieve Customer's historical data in accordance with previously established system access procedures and applicable state and federal laws. After such time period, Kronos shall have no further obligation to store and/or make available Customer's historical data and may delete same. If Customer requires additional data conversion services from Kronos, these services may be contracted from Kronos at Kronos' then published rates.

(d) Customer agrees to timely return all Kronos-provided materials related to the Services to Kronos at Customer's expense or, alternatively, upon prior written approval of Kronos, provide Kronos with an officer's certification of the destruction thereof; and

(e) all provisions in the Agreement, which by their nature are intended to survive termination, shall so survive.

2. FEES AND PAYMENT

2.1 In consideration of the delivery of the Services, Customer shall pay Kronos the Setup Fees, the Monthly Service Fees and any additional one time, set-up or recurring fees, all as defined on the Order Form. All fees payable for the Services shall be sent to the address specified on the Kronos invoice. Unless otherwise indicated on an Order Form, payment terms for all items except the Setup Fees shall be net upon receipt of invoice. Except as expressly set forth in this Section E, all amounts paid to Kronos are non-refundable.

2.2 The Setup Fees shall be invoiced upon execution of the Order and shall be due net 30 days following date of invoice. Customer acknowledges that setup fees may be charged to Customer by third parties for Add-on Features. Monthly Service fees shall be based on monthly periods that begin on the Start Date. Monthly Service Fees shall include fees for Equipment rental, if any, as described in Section 8 below. Monthly Service Fees for Services added on or before the 15th day of a given month will be charged for that full monthly period and each monthly period of the Term thereafter; Monthly Service Fees for Services added after the 15th day of a given month will begin to accrue as of the 1st day of the following month and will be charged for each monthly period of the Term thereafter. Monthly Service Fees shall be invoiced promptly following the end of the calendar month in which the Monthly Service Fees were accrued. Kronos will monitor Customer's "Usage" of the Services (as defined below) in order to calculate the Usage portion of the Monthly Service Fees to be charged. Usage of the Services, depending on applicable features, components, or services, shall be priced as identified on the Order Form either on a: (a) per month basis; (b) per active employee (herein "Active Employee") per month usage basis; or, (c) per transaction basis (e.g.: pay statement). For purposes of the Agreement, an employee shall be deemed an Active Employee during any applicable billing period if through the Services: (i) time has been entered for such employee; (ii) records have been included for such employee for the purpose of processing payroll; (iii) records have been included for such employee within an import/export process; (iv) such employee has accessed the Services, regardless of the purpose; (v) benefit time has been accrued for such employee; (vi) human resource reporting has been performed for or on such employee; or, (vii) such employee has been marked as an "Active" status during the period.

2.3 Customer agrees that except in those circumstances in which Customer is entitled to invoke the termination for cause provision set forth in Section 1.3 above, in consideration of Kronos' delivery of the Services on a variable fee basis, Customer agrees to pay Kronos each month during the Term in which charges accrue no less than the minimum monthly fees ("Minimum Monthly Fees") as identified on the Order Form. The Minimum Monthly Fees shall be calculated by Kronos based on Customer's anticipated monthly Usage of the Services plus Equipment rental fees, if any. In the event that Customer does not reach the anticipated Usage upon which the Minimum Monthly Fees was based for any given month during the Term, Customer shall remain responsible for paying the Minimum Monthly Fees for that month. If an Order Form or the Agreement is suspended by Kronos for non-payment or otherwise terminated by Kronos for cause, Customer shall remain liable to pay the applicable Minimum Monthly Fees up to and including the last day of the month in which the effective date of termination occurs.

2.4 If any amount owing under this or any other agreement for Services is 30 or more days overdue, Kronos may, without limiting its other rights and remedies, accelerate unpaid fee obligations under such agreements so that all such obligations become immediately due and payable, and suspend Services until such amounts are paid in full. Kronos will provide at least 7 days' prior notice that Customer's account is overdue before suspending Services.

2.5 Deleted Intentionally.

3. LICENSE TO USE

3.1 Subject to the terms and conditions of this Section E, Kronos hereby grants Customer during the Term a limited, revocable, non-exclusive, non-transferable, non-assignable license to use for internal business purposes only: a) the Kronos application(s) and related services, including applicable Services description documentation and training materials (the "Documentation"); and, b) any embedded third party software, libraries, or other components, which collectively comprise the Services. The Services contain proprietary trade secret technology of Kronos. Unauthorized use and/or copying of such Services are prohibited by law, including United States and foreign copyright law. Customer may use the software included in the Services in object code form only, and shall not reverse compile, disassemble or otherwise convert such software into uncompiled or unassembled code. Customer acknowledges and agrees that the license to use the Services is limited based upon authorized Usage and the amount of the Monthly Service Fees to be paid by Customer. Customer agrees to use only the modules and/or features described on the Order Form. Customer agrees not to use any other modules or features unless Customer has licensed such additional modules or features. Customer may not relicense or sublicense the Services, or otherwise permit use of the Services (including timesharing or networking use) by any third party. Customer may not provide service bureau or other data processing services that make use of the Services without the express prior written consent of Kronos. No license, right, or interest in any Kronos trademark, trade name, or service mark, or those of Kronos' licensors or third party suppliers ("Suppliers"), is granted hereunder.

3.2 Customer may authorize its third party contractors and consultants to access the Services on an as needed basis, provided Customer: a) abides by its obligations to protect confidential information; b) remains responsible for all such third party usage and compliance with this Section E of this Attachment; and c) does not provide such access to a competitor of Kronos who provides workforce management services.

3.3 Customer agrees and acknowledges that Kronos retains ownership of all right, title and interest to the Services, all of which are protected by copyright and other intellectual property rights, and that, other than the express licenses granted herein, Customer shall not obtain or claim any rights in or ownership interest to the Services or any associated intellectual property rights therein. Customer agrees to comply with all copyright and other intellectual property rights notices contained on or in any information obtained or accessed by Customer through the Services.

3.4 Kronos will make updates and upgrades to the Services (tools, utilities, improvements, third party applications, general enhancements) available to Customer at no charge as they are released generally to its customers. Customer agrees to receive those updates automatically as part of the Services. Kronos also may offer new products and/or services to Customer at an additional charge. Customer shall have the option of purchasing such new products and/or services under a separate Order Form.

3.5 Kronos reserves the right to change or discontinue the Services, in whole or in part, including but not limited to, the Internet based services, technical support options, and other Services-related policies. Customer's continued use of the Services after Kronos posts or otherwise notifies Customer of any changes indicates Customer's agreement to those changes.

4. ACCEPTABLE USE

4.1 Customer shall take all reasonable steps to ensure that no unauthorized persons have access to the Services, and to ensure that no persons authorized to have such access shall take any action that would be in violation of this Section E.

4.2 Customer represents and warrants to Kronos that Customer has the right to publish and disclose Customer's data and other content ("Customer Content") in connection with the Services. Customer represents and warrants to Kronos that the Customer Content will not: (a) infringe or violate any third-party right, including (but not limited to) intellectual property, privacy, or publicity rights; (b) be abusive, profane, or offensive to a reasonable person; or, (c) be hateful or threatening.

4.3 Customer will not (a) use, or allow the use of, the Services or Customer Content in contravention of any federal, state, local, foreign or other applicable law, or rules or regulations of regulatory or administrative organizations; (b) introduce into the Services any virus or other code or routine intended to disrupt or damage the Services, or alter, damage, delete, retrieve or record information about the Services or its users; (c) excessively overload the Kronos systems used to provide the Services; (d) perform any security integrity review, penetration test, load test, denial of service simulation or vulnerability scan; (e) use any tool designed to automatically emulate the actions of a human user (e.g., robots); or, (d) otherwise act in a fraudulent, malicious or negligent manner when using the Services.

5. CONNECTIVITY AND ACCESS

5.1 Customer acknowledges that it shall (a) be responsible for securing, paying for, and maintaining connectivity to the Services (including any and all related hardware, software, third party services and related equipment and components); (b) provide Kronos and its representatives with such physical or remote access to Customer's computer and network environment as Kronos deems reasonably necessary in order for Kronos to perform its obligations under this Section E of this Agreement. Kronos is hereby (i) granted access to such Customer data to perform its obligations under this Section E of this Agreement and (ii) authorized to audit the number of Active Employee counts or other transactions that have occurred to measure Usage; (iii) make all necessary arrangements as may be required to provide such physical access to Customer's computer and network environment if necessary for Kronos to perform its obligations under this Section E of this Attachment.

5.2 Customer shall be fully responsible for all access requirements imposed by law, rule, regulation or contract in order for Kronos to deliver the Services pursuant to the terms of this Section E of this Agreement. Customer shall provide 30 calendar days advance written notice to Kronos of any change, modification, or reconfiguration of components or elements of the Customer's computer and network environment which may, in any manner, affect Customer's access to the Services.

6. SUPPORT

- a) Implementation. Kronos will configure the Services utilizing scheduled remote resources. Software module configuration will be based on information and work flows obtained from Customer during the discovery portion of the implementation. Customer shall provide Kronos with necessary configuration-related information in a timely manner to ensure that mutually agreed implementation schedules are met. Kronos and Customer's implementation responsibilities are described more specifically in the Services Implementation Guideline set forth at: <http://www.kronos.com/products/workforce-ready/implementation-guidelines.aspx>. 7. CUSTOMER CONTENT

Customer shall own all Customer Content and posts or other inputs into the Services by Customer or others acting on behalf of or through Customer, including but not limited to information, data (such as payroll data, vacation time, and hours worked), logos, text, multimedia images (e.g. graphics, audio and video files), compilations or any other content shared or processed through the Services.
