FOLLOW UP CONSIDERATIONS REGARDING THE TREE TRUST FUND AND COMMUNITY TREE PLANTING PROGRAM

**Recommended Action:**

To discuss considerations regarding future community tree planting programming, as well as to provide a follow up commentary relative to the current financial position of the Tree Trust Fund.

**Background:**

During the May 19, 2026 Regular Commission meeting, a commitment was offered to provide a financial history of the Tree Trust Fund (deposits) and Tree Planting Program (expenses).

A opportunity for follow up guidance and consideration for future community tree planting programming (to include the possibility of external proposal procurement opportunities) is likewise now available as well.
