In accordance with the provisions of controlling law, the City of Delray Beach hereby publishes the following information:

1. Summary of the proposed ordinance (must include a statement of the public purpose, such as serving the public health, safety, morals and welfare):

The Ordinance is a corrective measure to move the Definitions section for Automated External Defibrillators and Bleeding Control Kits from the LDRs into the Ordinances, where it was originally intended, to place it in a new section, and make some clarifications to the Ordinance

2. An estimate of the direct economic impact of the proposed ordinance on private, for- profit businesses in the City of Delray Beach, if any:
  - (a) An estimate of direct compliance costs that businesses may reasonably incur;
  - (b) Any new charge or fee imposed by the proposed ordinance or for which businesses will be financially responsible; and
  - (c) An estimate of the City of Delray Beach's regulatory costs, including estimated revenues from any new charges or fees to cover such costs.

There are approximately 80 businesses that fall within the range of 20,000 and 35,000 square feet that may be impacted by the amended ordinance. An AED and bleeding control kit cost approximately \$1500.00.

3. Good faith estimate of the number of businesses likely to be impacted by the proposed ordinance:  
80 businesses as it relates to the amended portion.

4. Additional information the governing body deems useful (if any):
