Anthea Gianniotis remarked that the property has to give 2' to Oak Alley to bring the ROW up to standard and they are asking to adjust the set back with the same amount and this is in this board power.

Missy Barletto remarked that this is a 16' alley and the egress and ingress will be off of this 15' alley, so does fire have any issues. Asst. Chief Mazzeo said that he feels there are no problems.

7. BOARD COMMENTS

Anthea Gianniotis suggested that we draft a letter of approval for Eagles Nest similar to a Board Order for Ms. Gianniotis signature.

Ms. Gianniotis also mentioned that we regularly grant these adjustments of setbacks with and exchange for ROW. Consideration of moving this to her purview and this would streamline things a little better.
