Evaluator Comments:

Freebee - Strong service and app. already experienced w/ similar projects
Downtowner: Very large fleet w/ almost double price per hour
also provided other approaches that are not what this RFP needs
O-Cartz: No plan of Ad, lack of experience in similar settings; not sure about the # of carts.

Round the Town - It is a marketing company w/ lack of driver training, app. and strong approach

The Free Ride - strong company w/ similar experience in developing stages of their app.

The Nickel Ride - merely a marketing company w/ no price per hr. data, or ADA option or training for drivers
