**RE: Delray Hyundai
Project #: 241010
Traffic Performance Standards (TPS) Review**

Dear Mr. Kerr:

The Palm Beach County Traffic Division has reviewed the above referenced project Traffic Impact Statement, dated September 26, 2024, pursuant to the Traffic Performance Standards in Article 12 of the Palm Beach County (PBC) Unified Land Development Code (ULDC). The project is summarized as follows:

Municipality:	City of Delray Beach
Location:	Approx. 550 feet south of US 1 and Gulfstream Boulevard intersection
PCN:	12-43-46-04-08-000-0160
Access:	One Right-in / Left-in / Right-out on US 1 and one full access driveway on Old Dixie Highway <u>(As used in the study and is NOT necessarily an approval by the County through this TPS letter)</u>
Existing Uses:	Vacant
Proposed Uses:	Automobile Sales = 45,704 SF
Total Daily Trips:	1,081
Total Peak Hour Trips:	72 (53/19) AM; 94 (37/57) PM
Build-out:	December 31, 2029

Based on the review, the Traffic Division has determined that the proposed development does not significantly impact the roadways in the vicinity of the project and **meets** the Palm Beach County Traffic Performance Standards.

Please note the receipt of a TPS approval letter does not constitute the review and issuance of a Palm Beach County Right-of-Way (R/W) Construction Permit nor does it eliminate any requirements that may be deemed as site related. For work within Palm Beach County R/W, a detailed review of the project will be provided upon submittal for an R/W permit application. The project is required to comply with all Palm Beach County standards and may include R/W dedication.

No building permits are to be issued by the City after the build-out date specified above. The County traffic concurrency approval is subject to the Project Aggregation Rules set forth in the Traffic Performance Standards Ordinance.

The approval letter shall be valid no longer than one year from date of issuance, unless an application for a Site Specific Development Order has been approved, an application for a Site Specific Development Order has been submitted, or the approval letter has been superseded by another approval letter for the same property.
