| <b>Road/Intersection</b>   | <b>Date/Time Closed</b> | <b>Date/Time Open</b> |
| <b>SE 3<sup>rd</sup> street between atlantic and halfway down towards 1<sup>st</sup> ave from 8am to 8pm</b>       |                         |                       |
|  |                         |                       |
|  |                         |                       |
|  |                         |                       |

I. Site Plans/ Maps

Please attach a detailed site map to include the following: Locations of tents, Port-o-let, vendors (all types), stages, and where power will be required. If any area of the event is fenced in, please include and show the following on the site map: size of fenced in area, size and location of tents, tables, bars, entrances and exits including width, standing only or will seating be permitted (identify if fixed seating or festival lawn chair seating). If there is a barricade or fenced in VIP area within the footprint, same principle applies. For fixed floor seating: include floor plan showing rows and number of chairs in each row, section, aisles and width of aisles. Show chair spacing distance. Parking: Parking plan should include location of available parking and staffing details. Please contact Allie Behrman, Special Event Manager, if you have any questions or concerns regarding the site plan. Hand drawn maps will not be accepted as a site map.

J. Insurance Requirements

General Liability Insurance is required for all public events. All General Liability Insurance must be provided by the event applicant, no exceptions. Liquor Liability can be provided by whichever business/organization/non-profit that is providing the alcohol services. The insurance limits are \$1,000,000 per occurrence. The certificate holder must be listed as City of Delray Beach, 100 NW 1st Ave, Delray Beach, FL 33444. The certificate holder (City of Delray Beach) must also be listed as Additional Insured. All vendors coming on to city property are also required to provide a current copy of their General Liability Insurance naming the city as additional insured.

K. Additional Terms

The City reserves the right to revoke any permit granted for an activity which is found to be in violation of any ordinance, law, or condition of approval. Failure of the City to timely invoke this right will act as a waiver to exercise such rights in the future.

L. Processing

All applications must be submitted for review no less than 90 days prior to the date of the event to be held. Applications turned in with less than 90 days processing time will not be processed. Events requiring major road closures or impact events (3,500 people or more) require 180 days processing.

**Marketing/advertising of any kind may not take place until event approval is granted.**

To ensure timely processing of your event application, the following must be submitted at time of application. Applications will not be sent for review unless you have included all of the following items with your application:

- ☐ Completed Application
- ☐ Site Map
- ☐ Non-Refundable Application Fee
- ☐ Parking Plan (If necessary)
- ☐ IRS Letter for Non-profit (If applicable)

## Special Event Application Information

Please carefully read and initial all the information below regarding the Special Event Application. Incomplete Applications will not be accepted.

RM All applications must include paperwork, completed site map and non-refundable application fee.

RM Applications must be received a minimum of 90 days in advance of the event or a minimum of 180 days for an impact event.

RM Amusement rides must be inspected onsite after installation by the Florida Department of Agriculture and Consumer Services (FDACS) and a copy of the temporary amusement ride inspection letter must be provided to the city.

RM Tents of 900 sq feet or greater require a tent permit. Tent permits are available through the City of Delray Beach Building Department and may take up to 30 days to process. Be advised there is a fee for tent permits. Tent duration is limited to setup and break down time indicated on application.

RM Serving alcoholic beverages requires a Liquor License and Liquor Liability Insurance and is required 30 days prior to the event. License holders must provide a Certificate of Insurance listing the City of Delray Beach as Certificate holder and Additional Insured.

RM All events with alcohol are required to have 6' fencing.

RM Fire Marshal inspections are required for all that include, but not limited to, road closures, cooking on site, fenced in events.. The Delray Beach Fire Marshal reserves the right to add an inspector as deemed necessary.

RM City Commission approval is required for all fireworks and pyrotechnics. A site map must be included including the fallout zone with your application.

RM City Commission approval is required for all impact and major road closure events. An impact event is an event that has 3500 people in attendance on any given day.

RM A full list of food and beverage vendors will be required prior to the event. Each vendor must provide a Certificate of insurance listing the City of Delray Beach as Certificate Holder and as additional insured.

RM Each food vendor must sign and return the DBFR Fire Inspections Requirement Form. All vendors cooking under tents must submit proof that tents are fire retardant.

RM Food Trucks must have current Florida and Health Department permits and inspections. And provide Certificate of Insurance listing the City of Delray Beach as the Certificate Holder and as Additional Insured. Fire Marshal inspections are required.

RM Applicant agrees all entertainment will be family friendly and contain no obscenities. A list of all performers and DJs is required before an event permit is issued.

RM All merchandise vendors and exhibitors must provide a city business tax receipt or vendor license. Each vendor must provide a Certificate of Insurance listing the City of Delray Beach as the Certificate holder and as additional insured.

RM Stages must be 30" high or less. An additional stage permit may be required for anything over 30". Depending on the size, a building permit may be required.
