### Private Utilities Note:

As per the law, a dig ticket is required to be called in before any excavation takes place. Safe 4 Play and IGS along with our affiliates will be responsible for obtaining a public dig ticket for your project. This dig ticket will cover the major utilities such as water, power, sewage, and cable. However, we would like to emphasize that it does not cover any secondary lines.

In the event that there is a possibility of additional underground lines on your site, we highly recommend ordering a private locate. This will ensure that all underground lines are properly marked before any excavation takes place. It is the responsibility of the client/owner to order a private locate if there is any indication of secondary lines on the site.

Please note that if any underground lines are hit during excavation and were not marked by the dig ticket or private locate, it will be the responsibility of the client/owner to fix any damages. Safe 4 Play and its affiliates will not be held liable for any

Terms of the quote are as follows:

Safe 4 Play has supplied "The Customer" with a quote detailing the work as understood during a site visit. It will be the customers responsibility to review the quote and make adjustments prior to the acceptance of the quote. If the quote is accepted and the items within the quote change prior to or during work a change order may be required to continue said work. At no point does Safe 4 Play claim to be site contractors or general contractors. Safe 4 Play is very knowledgeable and professional in the line of business quoted while our services are very wide ranged.

By accepting the quote both the Customer and Safe 4 Play enter an agreement to have the work performed within the quote. Once a deposit or Work Order is received Safe 4 Play will then start the ordering/ scheduling process. Safe 4 Play will order the materials once quote and deposit are BOTH completed.

Deposit: The proposed price above represents a 3% cash discount (cash or check). If paying by credit card, for all or part of the project, 3% will be added to the payment amount for the portion paid by credit card. A 50% DEPOSIT is required on all orders including installation. 100% PAYMENT due on Material only order.

The schedule will be determined on the order of the executed quote. A representative may have already given a verbal estimate for installation, but this may not be the most accurate based on with the quote is executed.

Once quote and Deposit is submitted-

1. Materials are ordered
  1. Materials may not be returned.
  2. Some materials maybe return, but not without restocking fees.
2. Schedule is created for Start Date
  1. Start date is based on material arrival and crew availability
3. Reminder and Calendar Invite for Work Date
  1. Calendar Invite within 2 weeks of work
  2. If opening occurs an attempt will be made- it will be up to the customer if the job can be completed at that time. (No Penalty)
  3. Once job is scheduled- If the job needs to be rescheduled within (10) Days no penalty will be added
  4. If job is rescheduled within the (10) Period a charge of \$400.00 will be required
4. Possible site visit with Installer to assure job scope remaining the same.
  1. Any changes may result in additional fees.
5. Once the job has started a foreman will remain in contact with the customer on progress
  1. Foremans do not have the ability to make changes on the project without reporting to office.
  2. If agreement with Foreman is made without office approval by email the Warranty will be Voided
6. Final Walkthrough
  1. The final walkthrough will be made once the Foreman and Customer have gone through a pre-walkthrough
  2. A Safe 4 Play representative must perform a walkthrough with the customer unless customer declines
7. Payment
  1. Final payment will be made by customer to Safe 4 Play Representative during
