Profile

NOTE: Each Applicant is advised to attend at least one meeting prior to applying for appointment.

Board Member applications must be received no later than **ten (10) business days** prior to the first City Commission Meeting at which the Commissioner is eligible to nominate and appoint the prospective board member.

The [City Commission](#) appoints members of the boards and committees. All positions are voluntary and members are not compensated for their time. However, the individuals who serve on the boards and committees provide an invaluable service to the city. Their advice and expertise on a wide range of topics assist the City Commission in its decision-making process.

In general, individuals may serve on only one board or committee at a given time, with the exception of ad-hoc committees or task forces. Most advisory groups meet at least once a month, however, there are varying degrees of commitment, depending on the board. Membership requirements vary with each board and committee

Interests & Experiences

List any certifications or licenses which may further qualify you to serve on a board or committee.

I was a CPA for 30 years and Florida licensure for circa 20+ (1982-2004).

Briefly describe why you wish to serve as a member of a board or committee and how your personal experience and background relate:

For the past 15+ years, I have been an outspoken advocate for the best interests of Delray citizens and taxpayers. (1)- I spearheaded the overturning of the No Bid WM contract which the OIG stated saved trash customers \$9M, (2)- I blew up the attempted Auburn Trace debacle on 3/18/14 which could have cost taxpayers a \$4M rip off concocted by former Commissioners Jacquet, Frankel, and Gray, (3)- I filed the Otto Trash cart complaint with the OIG on 1/22/14 which resulted in former CM Louie Chapman perjuring himself 8 times to which he readily admitted to 4, (4)- I exposed the No Bid lifeguard tower contract that cost \$150K per tower. Two years later, the contractor bid and won the Hollywood contract for \$90K per tower, and (5)- I exposed the 4 open and unresolved Whistle Blower complaints against new Fire Chief Martin that your HR Dept. never uncovered or disclosed to the Commission. Also, he resigned with -0- notice to his 30 year employer. As recently as this past week, I exposed Cmmr. Long's attempt to return to a Super Majority vote to remove the CM with the historical details why it was removed.

List any other community/civic involvement which you would like the Commission to consider:

I was a Time Share owner of 50 year old run down property (1625 S. Ocean). I got on the Board in 2019 and orchestrated an owner vote of 498-156 to sell it. Mayor Carney represented the buyer. Twice I had to correct pro ration errors on his pro forma HUD-1s. But here is what I initiated for DB taxpayers. The PAPA taxable value as a Timeshare was a paltry \$1.5M. When Carney's client bought the land fro \$12.3M, the Taxable Value was increased to \$10M, a 600% increase. Carney's buyer constructed and sold 14 condos that have a Taxable Value greater than \$70M- a 4600% increase. Unit owners received \$16,000 for each week owned which I was told was a state record. So, I spearheaded big wins for the unit owners AND Delray taxpayers!
