**HOLD HARMLESS AGREEMENT**

This Hold Harmless Agreement is made this \_\_\_\_\_ day of \_\_\_\_\_, 2024 by and between the City of Delray Beach, a Florida municipal corporation of the State of Florida (“**City**”), whose address is 100 NW 1st Avenue, Delray Beach, Florida 33444 and Delray Beach Community Redevelopment Agency, a Florida public body corporate and politic created pursuant to Section 163.356, Florida Statutes (“**Owner**”), with a mailing address of 20 North Swinton Avenue, Delray Beach, Florida 33444 regarding the property located at 95 SW 5th Avenue, Delray Beach, Florida 33444.

W I T N E S S E T H:

WHEREAS, **Owner**, requested approval to install a canopy or covered walkway on the structure located at 95 SW 5th Avenue, as more particularly described in Exhibit “A,” which is attached hereto and incorporated by reference herein. The requested improvements would extend into the public right-of-way abutting the property; and,

WHEREAS, Section 6.3.4 of the Land Development Regulations permits canopies and covered walkways to extend into the public right-of-way when approved by the Chief Building Official through approval of an applicable agreement with the City; and

WHEREAS, the Chief Building Official, through this Agreement, approves the installation of a canopy or covered walkway extending into the public right-of-way, which shall

be constructed in accordance with Exhibit “B,” and pursuant to the requirements of the Land Development Regulations of the City of Delray Beach.

**NOW, THEREFORE**, for the mutual covenants and matters set forth herein, as of the date set forth above, the parties hereby agree as follows:

1. The recitations set forth above are incorporated herein.
2. The parties hereby represent and warrant that the above recitations set forth above are accurate and correct and hereby incorporate them in this Agreement.
3. **Owner** acknowledges the **City** shall assume no liability or responsibility for said land, structures, improvements, materials, appurtenances, or the partial or complete destruction or removal of the same on the subject property.
4. Nothing in this Agreement relieves **Owner** of any obligation imposed under the **City's** Land Development Regulations or Code of Ordinances. **Owner** is responsible for obtaining any and all permits required in connection with the construction/installation of the canopies, covered walkways and/or supporting structures.
5. **Owner** shall construct/install the improvements in the location and manner depicted on Exhibit “B”, attached hereto and incorporated by reference herein.
6. **Owner** acknowledges the **City** shall assume no responsibility for the improvements which are being placed within the public right-of-way.
7. **Owner**, in consideration of the mutual promises contained herein and other good and valuable consideration, agrees to hold harmless the **City**, its agents, officers, employees and servants from any damage to the canopy or covered walkway and other related improvements by owner which will be placed within the public right-of-way. It is understood that any cost for replacement of the canopy or covered walkway and other related improvements shall be

**Owner's** responsibility and **City** will not be held liable for any damage as a part of any maintenance or construction within the said public right-of-way.

8. **Owner** shall at all times hereafter indemnify, hold harmless and, at the **City** Attorney's option, defend or pay for an attorney selected by the City Attorney to defend **City**, its officers, agents, servants, and employees from and against any and all causes of action, demands, claims, losses, liabilities and expenditures of any kind, including attorney fees, court costs, and expenses, caused or alleged to be caused by any intentional, negligent, or reckless act of, or omission of, **Owner**, its employees, agents, servants, or officers, or accruing, resulting from, or related to the subject matter of this Agreement including, without limitation, any and all claims, losses, liabilities, expenditures, demands or causes of action of any nature whatsoever resulting from injuries or damages sustained by any person or property. In the event any lawsuit or other proceeding is brought against **City** by reason of any such claim, cause of action, or demand, **Owner** shall, upon written notice from **City**, resist and defend such lawsuit or proceeding by counsel satisfactory to **City** or, at **City's** option, pay for an attorney selected by the City Attorney to defend **City**. The obligations of this section shall survive the expiration or earlier termination of this Agreement.

9. The **City** or its officers, agents, servants, employees, contractors, and representatives shall be allowed to access the enclosed portion, if any, of the public right-of-way at any time.

10. **Owner** shall remove the improvements from the public right-of-way within twenty (20) days of receiving notice from the **City** requesting removal. If **Owner** fails to remove the improvements, the **City** reserves the right to remove the improvements and invoice the **Owner** for the cost of such removal. The **City**, its officers, agents, servants, employees, or

contractors shall not be responsible for any damage that may occur to the improvements during such removal. The **City** may request removal of the improvements for any reason and in its sole discretion. In the event that such a request is made by the **City**, **Owner** agrees to repair and/or restore the public right-of-way affected by the improvements to its previous or better condition.

11. **Owner**, in consideration of the mutual promises contained herein and other good and valuable consideration, further agree to hold harmless, defend, or reimburse the **City**, for any damage that is caused to the **City's** public right-of-way as a result of the construction, maintenance or existence of the improvements located in the public right-of-way.

12. The **Owner's** placement of the canopy or covered walkway in the public right-of-way shall not in any way be construed as a constructive abandonment by the **City**.
