Profile

NOTE: Each Applicant is advised to attend at least one meeting prior to applying for appointment.

Board Member applications must be received no later than **ten (10) business days** prior to the first City Commission Meeting at which the Commissioner is eligible to nominate and appoint the prospective board member.

The [City Commission](#) appoints members of the boards and committees. All positions are voluntary and members are not compensated for their time. However, the individuals who serve on the boards and committees provide an invaluable service to the city. Their advice and expertise on a wide range of topics assist the City Commission in its decision-making process.

In general, individuals may serve on only one board or committee at a given time, with the exception of ad-hoc committees or task forces. Most advisory groups meet at least once a month, however, there are varying degrees of commitment, depending on the board. Membership requirements vary with each board and committee

Interests & Experiences

List any certifications or licenses which may further qualify you to serve on a board or committee.

I have a Real Estate Associate License. I am no longer practicing but my license is voluntarily inactive and I am up to date on the continuing education requirements. I just would need to make it active under a broker if I wanted to become active again. I also have a General Contractor's License which is also voluntarily inactive and am up to date on my continuing education requirements. I don't want to pay for a bond and license until I am ready to make it active again. I am eligible at any time to make it active again.
