

# Florida Recovery Obligation Calculation

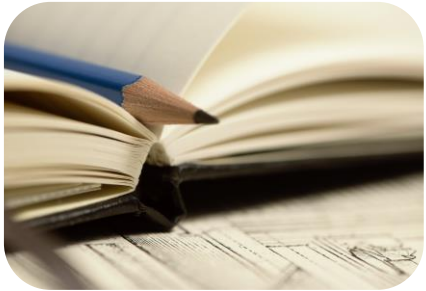

**F-ROC is a state sponsored program that implements a standardized approach to FEMA's Public Assistance process, reducing risk and helping Florida communities Prepare to Recover™.**

City of Delray Beach  
Mayor and Commissioners

# Disaster Readiness Assessment (DRA)

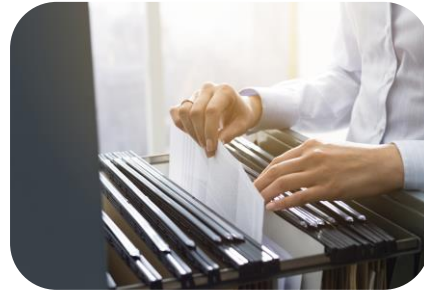

The assessment evaluates preparedness across five key areas:

Applicant  
Experience

Policy and  
Procedure

Documentati  
on

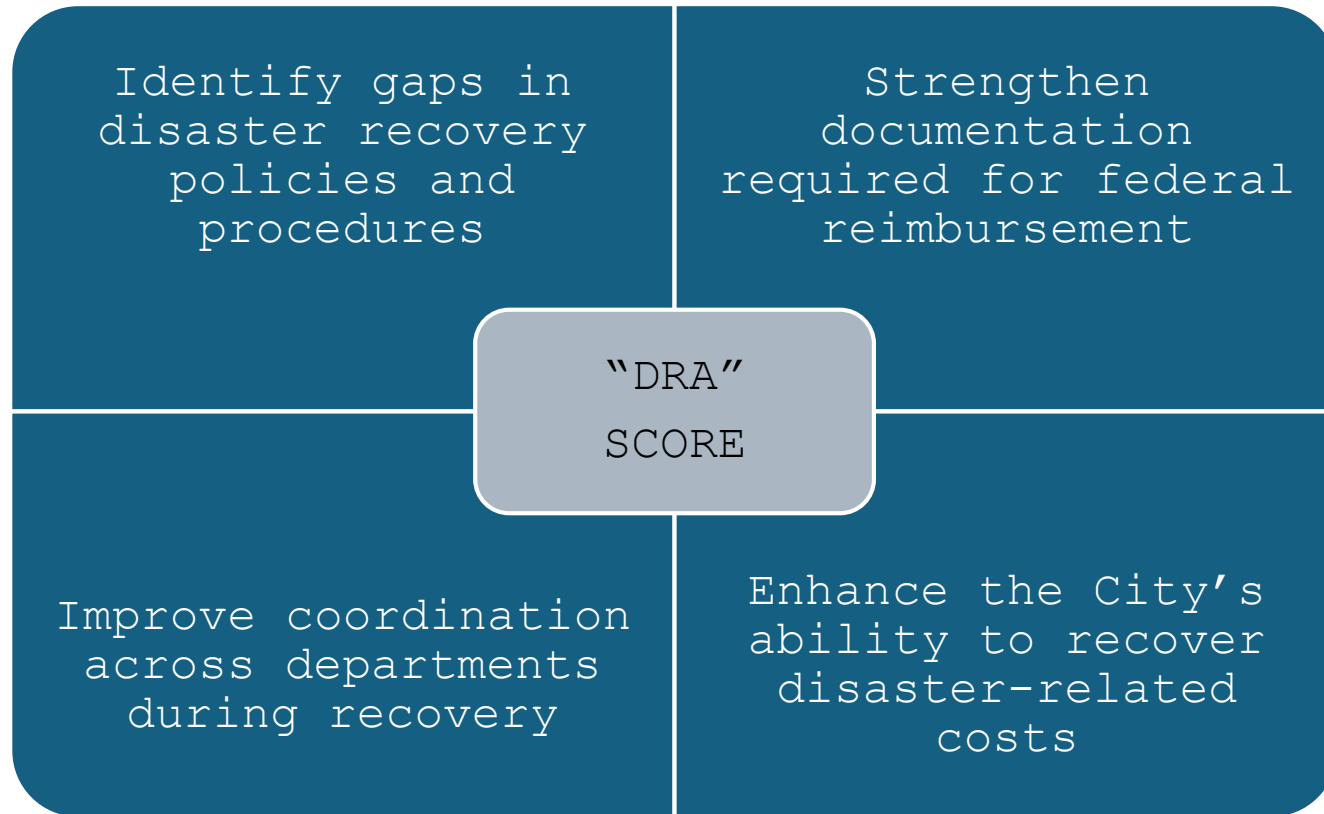

Procurement

Contract  
Administ  
rat  
ion

# Why are we Participating?

# Implementation and Timeline

A citywide workgroup will assist with reviewing:

- Financial policies
- Procurement procedures
- Documentation practices
- Disaster recovery processes

- Spring 2026 (Started)
  - Executive leadership briefing
  - Coordination with city departments
- May 2026
  - Informational briefing to City Commission
- June 2026
  - City begins participation in the program and completes the assessment

# Thank you

Participation in the F-ROC Disaster Readiness Assessment will help the City strengthen its disaster recovery preparedness and improve the ability to recover costs.
