Re: Partial Vacation of Canal Right of Way
1300 Cormorant Road, Delray Beach, FL
Palm Beach County PCN: 12-43-46-29-14-000-0140

Dear Mr. Stillings:

Please be advised that this firm represents Robin and Milena Bird. The Birds are the owner of the real property which has a mailing address of 1300 Cormorant Road and which is legally described as follows:

Lot 14, Replat of Tropical Palms Plat No. 2, according to the plat thereof, recorded in PB 33,
Page 144 thru 146 of the Public Records of Palm Beach County, Florida.

The Bird's property fronts on both the C-15 Canal and the Hungerford Canal. Enclosed please find both an aerial of the property from the Palm Beach County Property Appraiser's Office as well as a survey of the Lot which was performed in 2001. As you can see from both the aerial and the survey, there is a portion of real property outside of the Bird's Lot which is not actual waterway. This area contains a boat ramp and is protected by a sea wall which was installed by the Bird's after receiving a permit from the City. I have highlighted this area on both the survey and the aerial.

I have performed a title search and reviewed the Public Records and am of the opinion that this segment of property is owned by the City of Delray Beach ("City"). The survey and plat show

that there is no retained developer property outside of the Lot 14 in the Replat or Lot 656 of the original Plat (Tropic Palms Plat No. 2). Copies of the Replat and Plat are attached hereto.

The City owns the real property which comprises the Hungerford Canal and furthermore has undertaken the responsibility for maintaining the Hungerford Canal. A review of Tropic Palms Plat No. 2, recorded at PB 25, Page 135 of the Palm Beach County Public Records reveals that the Plat "dedicated to the perpetual use of the public, as highways and waterways, the Streets and Canals as shown herein." Thus, any area outside of Lot 656 in the Plat or Lot 14 of the Replat were dedicated to the public. In a manner similar to a publically dedicated roadway, this means that the City of Delray Beach is the owner of this segment of property as it is outside the boundaries of the C-15 Canal.

The area depicted on the aerial is currently being surveyed and once we have the legal description an application to vacate will be filed with the City. I looked on the City's website and did not see the application listed so it would be appreciated if you could also e-mail me the Application for Vacation or the link to where I can find such Application.

I look forward to working with you and if you have any questions or if you would like to discuss this in more detail, please feel free to contact me.

Very truly yours,

ROD A. FEINER
