AVENUE.**

**ORDER OF THE CITY COMMISSION
OF THE CITY OF DELRAY BEACH, FLORIDA**

1. The final subdivision plat request regarding the project "Uptown Atlantic", located at between SW 9th Avenue and SW 6th Avenue, south of Atlantic Avenue, has come before the City Commission on April 19, 2016.

2. The Applicant and City staff presented documentary evidence and testimony to the City Commission pertaining to the final subdivision plat request for the project "Uptown Atlantic", located at between SW 9th Avenue and SW 6th Avenue, south of Atlantic Avenue. All of the evidence is a part of the record in this case. Required findings are made in accordance with the following sections:

A. **Future Land Use Map**: The resulting use of land or structures must be allowed in the zoning district within which the land is situated and said zoning must be consistent with the applicable land use designation as shown on the Future Land Use Map. The subject property has a Future Land Use Map designation of Commercial Core (CC) and Medium Density Residential (MD) and a zoning designation of Central Business District (CBD) and Multiple Family Residential (RM)..

Is the project's proposed location consistent with the Future Land Use Map?

Yes _____ No _____

B. **Concurrency**: Facilities which are provided by, or through, the City shall be provided to new development concurrent with issuance of a Certificate of Occupancy. These facilities shall be provided pursuant to levels of service established within the Comprehensive Plan.

Concurrency as defined pursuant to Objective B-2 of the Future Land Use Element of the Comprehensive Plan must be met and a determination made that the public facility needs of the requested land use and/or development application will not exceed the ability of the City to fund and provide, or to require the provision of, needed capital improvements for the following areas:

Are the concurrency requirements met with respect to water, sewer, drainage, streets and traffic, parks, open space, solid waste, and schools?

Yes _____ No _____

C. **Consistency**: The performance standards set forth in LDR Section 3.2.3, and outlined in Exhibit A of the Plat review, shall be the basis upon which a finding of overall consistency is to be made.

Has a finding of overall consistency been made for the Uptown Atlantic Plat?

Yes _____ No _____

D. **LDR Requirements**: Pursuant to L.D.R. 2.4.5(J)(5), the City Commission must make findings that the Final Plat is consistent with the findings associated with the preliminary plat.

On March 21, 2016, the Planning and Zoning Board made positive findings that the preliminary plat is consistent with the Comprehensive Plan and meets criteria set forth in Section 2.4.5(J) (Major Subdivisions), Section 3.2.3 (Standards for Site Plan and/or Plat Actions) and Section 3.1.1 (Required Findings for Land Use and Land Development Applications) of the Land Development Regulations.

Is the Final Plat consistent with the findings associated with the preliminary plat attached as Exhibit "A"?

Yes _____ No _____

3. The City Commission has applied the Comprehensive Plan and LDR requirements in existence at the time the Final Subdivision Plat was submitted and finds that its determinations set forth in this Order are consistent with the Comprehensive Plan.

4. The City Commission finds there is ample and competent substantial evidence to support its findings in the record submitted and adopts the facts contained in the record including but not limited to the staff reports, testimony of experts and other competent witnesses which supports the findings set forth in this Order.

5. Based on the entire record before it, the City Commission approves _____ denies _____ the final subdivision plat and hereby adopts this Order this April 19,, 2016, by a vote of _____ in favor and _____ opposed.

PLAT ANALYSIS

Pursuant to Section 3.1.1 of the Land Development Regulations, prior to approval of development applications, certain findings must be made in a form which is part of the official record. Findings shall be made by the Board to approve or deny the development application. These findings relate to Future Land Use Map, Concurrency and Consistency with the Comprehensive Plan, and Compliance with the Land Development Regulations.

Section 3.1.1 (A) - Future Land Use Map: The resulting use of land or structures must be allowed in the zoning district within which the land is situated and said zoning must be consistent with the applicable land use designation as shown on the Future Land Use Map.

The subject property has a Future Land Use Map designation of both CC (Commercial Core) and MD (Medium Density Residential) and a zoning designation of both CBD (Central Business District) and RM (Multiple Family Residential). Based upon the above, positive findings can be made with respect to consistency with the Future Land Use Map.

Section 3.1.1 (B) – Concurrency: Pursuant to Section 3.1.1(B), Concurrency as defined pursuant to Objective B-2 of the Future Land Use Element of the Comprehensive Plan must be met and a determination made that the public facility needs of the requested land use and/or development application will not exceed the ability of the City to fund and provide, or to require the provision of, needed capital improvements for the following areas:

During the conditional use hearing held on June 16, 2015, the City Commission made a positive finding of concurrency with respect to water and sewer, streets and traffic, drainage, parks and recreation, open space, solid waste, and schools.

Section 3.1.1 (C) - Consistency: Pursuant to Section 3.2.1 (Basis for Determining Consistency), the performance standards set forth in Section 3.2.3 (Standards for Site Plan and/or Plat Actions) shall be the basis upon which a finding of overall consistency is to be made.

As described in Appendix "A", a positive finding for consistency can be made as it relates to Standards for Plat Actions.

Section 3.1.1 (D) - Compliance with the Land Development Regulations:

- **LDR Section 4.3.4(K) (Development Standards Matrix):**

Open space, building setbacks and building height, pursuant to the CBD zoning district regulations, were addressed with approval of the conditional use and will be further enforced with the approval of the site plan for the project. A positive finding can be made once all site plan conditions of approval have been addressed.

- **LDR Section 5.1.3(A) (Plat Required):**

A positive finding can be made with respect to this LDR Section as a Replat has been submitted and is before the Board for consideration.
