Dear Historic Board members

We at Galera Collective have been hired by BH3 to paint a mural commemorating the growth of Delray Beach while keeping the feel of Delray Beach. The mural we have landed on is a combination of two murals in one. One side will be a representation of Lake Ida and a Sunset. The other mural will be a representation of one of the longest living residents of Delray Beach and a leader in the NW/SW Community Mr Alfred "Zach" Straghn the founder of Straghn and Sons Funeral Home in Delray Beach.

Sincerely,

Glaysen Leroy
