AWARD OF AN AGREEMENT WITH WEST CONSTRUCTION, INC. FOR PHASE 1
CONSTRUCTION OF THE SEACREST BEAUTIFICATION PROJECT IN A NOT-TO-EXCEED
AMOUNT OF \$834,247.70

Recommended Action:

Motion to award an Agreement with West Construction, Inc. for Phase 1 construction of the Seacrest Beautification Project in a total amount not-to-exceed \$834,247.70 for the Agreement term.

Background:

On August 9, 2017, the Purchasing Department issued ITBC No. 2017-065-2 for streetscape construction of Phase 1 of the Seacrest Beautification project, which is a project initiated in response to requests from the Del Ida Park Neighborhood Community for a more aesthetically pleasing streetscape that addressed pedestrian and bicyclist safety along a main corridor leading directly into downtown Delray Beach. Three responsive and responsible proposals were received from West Construction, State Contracting & Engineering Corporation, and Jones Benitez Corporation.

The cost submitted by West Construction is for a total project amount not-to-exceed \$834,247.70. State Contracting & Engineering Corporation and Jones Benitez Corporation submitted bids totaling \$1,066,709.44 and \$1,806,205.00, respectively. This project is partially funded by the Florida Department of Transportation (FDOT) in the amount of \$750,000.

The City of Delray Beach (City) and Delray Beach Community Redevelopment Agency (CRA) have acknowledged the need for beautification and other necessary improvements through the development of the Seacrest/Del-Ida Park Neighborhood Plan which was adopted by the City Commission on March 3, 1998. The City's Bicycle/Pedestrian Plan as well as the Metropolitan Planning Organization (MPO) Master Comprehensive Bicycle Transportation Plan also recommends the provision for bicycle facilities along the NE 2nd Avenue (Seacrest) corridor. As a result, the Seacrest Beautification projects will provide for and/or increase the use of pedestrian and bicycle facilities, while creating an appropriately improved streetscape within a highly visible neighborhood.

This motion is in accordance with Code of Ordinances Section 36.02 Commission Approval Required.

City Attorney Review:

Approved as to form and legal sufficiency.

CITY OF DELRAY BEACH
MEMORANDUM
PUBLIC WORKS DEPARTMENT

www.mydelraybeach.com

TO: Mark Lauzier, City Manager

FROM: Caryn Gardner-Young, Assistant City Manager *clay*

THROUGH: Missie Barletto, Deputy Director Program and Project Management *MB*

SUBJECT: Notice to Proceed – NE 2nd Avenue Seacrest Beautification Phase 1
Project No. 17-008 (previously 14-071)

DATE: November 21, 2017

On June 30, 2017 the City of Delray Beach (City) first advertised ITB 2017-065 for NE 2nd Avenue Seacrest Beautification Project, Phase 1. The City received one responsible and responsive bid. Since this is a FDOT funded project and a minimum of three (3) bids are required, it was re-advertised. The second advertisement was on August 9, 2017 (ITB 2017-065-2), but due to Hurricane Irma, the due date was extended to October 2, 2017 and the City received three responsible and responsive bids. On November 20, 2017, City Commission approved the bid award to West Construction, Inc. with a not-to-exceed amount of \$834,247.70.

Due to lost time from having to advertise twice for a minimum of 30 days each and in order to avoid potentially losing \$750,000 of FDOT funding, this project is on a fast track. The Pre-Construction Meeting is scheduled for December 1, 2017. In addition, the contractor's first invoice is due December 15, 2017.

Therefore, by issuance of the Notice to Proceed, the Contractor can commence construction activities for the NE 2nd Avenue Seacrest Beautification Phase 1 project beginning December 1, 2017 with Final Completion scheduled for May 30, 2018. Attached is the City's contractual notice to proceed for your review and execution.

If this meets with your approval, please sign and return to Public Works for further processing.

Thank you.
