**RE: The Maxwell - City of Delray Beach
Project #: 250110
Traffic Performance Standards (TPS) Review**

Dear Dr. Ortega:

The Palm Beach County Traffic Division has reviewed the above referenced project Traffic Impact Statement, dated January 13, 2025, pursuant to the Traffic Performance Standards in Article 12 of the Palm Beach County (PBC) Unified Land Development Code (ULDC). The project is summarized as follows:

Municipality:	Delray Beach
Location:	NEC and SEC of NE 2 nd Street and Railroad Ave
PCN:	12-43-46-16-01-090-0250
Access:	Access driveway connection onto NE 2 nd Street <u>(As used in the study and is NOT necessarily an approval by the County through this TPS letter)</u>
Existing Uses:	General Retail = 6,011 SF
Proposed Uses:	Redevelop the site with: Multi-Family Mid-Rise Residential = 23 DUs General Retail = 2,651 SF
New Daily Trips:	36
New Peak Hour Trips:	6 (0/6) AM; 0 (1/-1) PM
Build-out:	December 31, 2028

Based on the review, the Traffic Division has determined the proposed development generates less than 20 peak hour trips and also within the City of Delray Beach Traffic Concurrency Exception Area (TCEA); therefore, it is exempt from the TPS of Palm Beach County.

Please note the receipt of a TPS approval letter does not constitute the review and issuance of a Palm Beach County Right-of-Way (R/W) Construction Permit nor does it eliminate any requirements that may be deemed as site related. For work within Palm Beach County R/W, a detailed review of the project will be provided upon submittal for an R/W permit application. The project is required to comply with all Palm Beach County standards and may include R/W dedication.

No building permits are to be issued by the City after the build-out date specified above. The County traffic concurrency approval is subject to the Project Aggregation Rules set forth in the Traffic Performance Standards Ordinance.

The approval letter shall be valid no longer than one year from date of issuance, unless an application for a Site Specific Development Order has been approved, an application for a Site Specific Development Order has been submitted, or the

approval letter has been superseded by another approval letter for the same property.

If you have any questions regarding this determination, please contact me at 561-478-5755 or email MRahman@pbc.gov.

Sincerely,
