**RE: Grieco Delray Mazda  
Project #: 220604  
Traffic Performance Standards (TPS) Review**

Dear Ms. Kinlen:

The Palm Beach County Traffic Division has reviewed the above referenced project Traffic Impact Statement, dated March 31, 2022, pursuant to the Traffic Performance Standards in Article 12 of the Palm Beach County (PBC) Unified Land Development Code (ULDC). The project is summarized as follows:

<b>Municipality:</b>	Delray Beach
<b>Location:</b>	SEC of Tropic Blvd and Federal Hwy
<b>PCN:</b>	12-43-46-28-06-002-0150
<b>Access:</b>	As existing (Two right-in/right-out access driveway connections onto Federal Hwy and one full access driveway connection onto Tropic Blvd) <u>(As used in the study and is NOT necessarily an approval by the County through this TPS letter)</u>
<b>Existing Uses:</b>	Automobile Sales = 32,016 SF
<b>Proposed Uses:</b>	Expand the existing facility for a total of 35,550 SF
<b>New Daily Trips:</b>	84
<b>New Peak Hour Trips:</b>	5 (4/1) AM; 7 (3/4) PM
<b>Build-out:</b>	December 31, 2026

Based on our review, the Traffic Division has determined the proposed development generates less than 20 peak hour trips; therefore, the project meets the TPS of Palm Beach County.

Please note the receipt of a TPS approval letter does not constitute the review and issuance of a Palm Beach County Right-of-Way (R/W) Construction Permit nor does it eliminate any requirements that may be deemed as site related. For work within Palm Beach County R/W, a detailed review of the project will be provided upon submittal for a R/W permit application. The project is required to comply with all Palm Beach County standards and may include R/W dedication.

No building permits are to be issued by the City after the build-out date specified above. The County traffic concurrency approval is subject to the Project Aggregation Rules set forth in the Traffic Performance Standards Ordinance.
