If the pressure test is required to be longer than 15 minutes, additional charges will be billed at \$275.00 per hour. When customer installs material and it does not pass the standard 15-minute pressure test, all Rangeline labor will be billed at \$275.00/hr.
- Additional charges may be added for ID badges, security check-in or job postponements due to site events.
- Above costs do not include office expense for extensive contract agreements.
- Sub-Contract agreements (when required) must be received by Rangeline prior to starting work. Rangeline will not be responsible for meeting any requirements stated in a Sub-Contract agreement after the proposed work has begun.
- Certificates of insurance with contractor as a certificate holder can be provided at no cost. Adding contractor as additional insured cannot be done unless we have a written contract with your company. Coverage required above the limits of our policy is not included.
- Price does not include "Sales Tax" on supplied material(s), Rangeline will collect applicable sales tax based on the city and state tax rates in effect where the work is being performed.
- If, after the date of this Quote/Purchase Order, any new or increased tariffs, duties, or other imposed costs on materials used in the work become effective, the Contract Price shall be equitably adjusted to reflect the actual, documented increase in cost to the Contractor. The Contractor shall promptly notify the [Owner/Buyer] of any such cost impact and provide reasonable supporting documentation. If the parties are unable to agree upon an adjusted price within [15] days of such notice, the Contractor shall be entitled to adjust the Contract Price accordingly and shall be entitled to an extension of time if such tariffs, duties, or imposed costs result in material shortages or delays. In the event of a prolonged delay or continued inability to agree upon an adjusted price, the Contractor may, upon written notice, suspend performance until the matter is resolved.
- Quotation is valid for 3 years with option to renew for (2) additional (1) year periods.
- No retainage allowed.

CUSTOMER IS RESPONSIBLE FOR THE FOLLOWING:

- Flow rates of 1 ft/sec for Single position Line Stops or 2 ft/sec for Double position Line Stops shall not be exceeded where and while Line Stop heads are inserted. If the flow rates are higher than the above noted rates, the flow will need to be lowered. These rates and flow direction will need to be confirmed by the customer, owner, and/or engineer before any Line Stop heads are inserted. Rangeline will not be held liable for misinformation concerning flow rates, flow direction or water forces within the piping which causes damage to the piping system. Owner and/or Engineer is responsible for all proper information. Flow Rate must be measured at the point of the line stop location. Please be advised that "NOT" knowing the flow direction or the feet per second conditions during the insertion of the Line Stop equipment may cause damage to the pipe and or Rangeline equipment. In the event this occurs Rangeline will be compensated for its time, material, equipment damage and services.
- Excavating, de-watering, shoring, and/or scaffolding of job area, all of which must comply with OSHA standards.
- 12' extension ladder, light pole, and pump for de-watering.
- Lifting equipment and an air compressor (CFM 185 when required) with personnel to operate.
- Adequate Lifting Equipment & Lifting Services for duration of the project: Lifting equipment shall be large enough to lift the Line Stop Unit without any part of the equipment coming in contact with the Line Stopper. A larger crane is required for 48" and larger Line Stop projects
- Scheduling inspectors and obtaining permits as necessary.
- Labor assistance of _1_ man to be supervised by Rangeline Technician(s).
- Lifting services if necessary.
- Concrete pipe anchor or mega lug joint restraint system if required.
- Concrete support for the Line Stop Fitting if required.
- O.D. measurements prior to scheduling.
- Pipe wall thickness prior to scheduling.

Rangeline Tapping Services - Terms and Conditions

1. **Rangeline** has issued this quotation based upon all information provided by the Customer.
2. All prices quoted are subject to current sales and use taxes. Any increase or enactment of new sales, use, excise or similar taxes shall be passed onto the account of Customer. The price does not include any amounts for changes in taxes, tariffs, or other similar charges that are enacted after the date of this Quotation. Subcontractor shall be entitled to an equitable adjustment in time and money for any costs that it incurs directly or indirectly that arise out of or relate to changes in taxes, tariffs, or similar charges due to such changes, including, without limitation, escalation, delay damages, cost to re-procure, cost to change suppliers, costs of manufactured equipment or goods, or other costs of any kind resulting from the changes.
3. The prices quoted above are based upon the quantities, sizes and operating conditions as listed above. Any changes in quantities, sizes or operating conditions of the system will void this quotation and a new quotation will be issued on the basis of changed information or operating conditions. Any projects that are booked and in progress that require changes in the quantities, sizes and/or operating conditions that differ with this quotation will be subject to pricing changes based upon new data related to the project.
4. In the case of unusual or non-typical pipe variations the Customer will be subject to additional costs.
5. The base price quoted is the minimum charge for the number of days allowed and is not subject to pro-ration for work completed early. Time onsite for calculating the base period and the additional days commences the day the technician or equipment are on the job site and ends when equipment leaves the jobsite or the customer's custody. Any additional days the equipment is on the jobsite will be paid by the customer at the per day charge quoted. For jobsite or travel days that fall on weekends or holidays, the price quoted will be increased accordingly to reflect our weekend or holiday pricing.
6. **Rangeline** shall not be held liable for any back charges without prior written consent of **Rangeline**. **Rangeline** does not guarantee that the placement of the Line Stop head(s) into the pipe system the first time will provide a "Workable" shutdown. In the event it is necessary for **Rangeline** to remove the Line Stop head and replace a seal and make any adjustments to the head/equipment such activity shall not be considered a delay of work at the job site. If the Line Stopper cannot be removed an additional Line Stop will be needed and be performed at the customers expense.
7. **Rangeline** makes every effort to ensure "OSHA" safe working conditions for its employees. Customer agrees and shall provide **Rangeline** employees with OSHA safe working conditions prior to entering the workplace.
8. The work site location must be accessible by a suitable roadway from a public highway. If the jobsite location or site conditions require barricades, traffic control or assistance, the Customer must furnish barricades and assistance.
9. **Rangeline** cannot take responsibility for actions other than its own employees. **Rangeline** will be liable and will hold Customer harmless from the compensatory but not consequential damages caused solely by defect in **Rangeline's** equipment or caused solely by the negligence of **Rangeline** employees in the operation of the equipment. All other losses, costs, expenses, liability, or damages arising from or connected with the performance of the work will not be the responsibility of **Rangeline** and customer will indemnify and hold **Rangeline** harmless there from.
10. **Rangeline** makes no warranty on any purchased products. Please refer to manufacturer for details on warranty.
11. Manufacturers of Valve Inserts do not guarantee a 100% shutdown. **Rangeline** cannot exceed the Manufacturers' guarantee of valve performance. We install all valve inserts as per manufacturers' specified procedures. **NOTE:** Valve Inserts are not designed to be pressure tested against. A 30% restocking fee will be assessed for all returned Valves and fittings.
12. In the case of unusual line stopping conditions, **Rangeline** may require an owner of the piping system or their representative to be present during the pressure testing of materials and insertion of the Line Stop into their system
13. **Rangeline** will provide Tapping, Line Stopping equipment and a technician to operate equipment. Customer is responsible for providing all other equipment, supervision and labor necessary to complete the work including inspection, testing, safety and control equipment, lifting and moving equipment, etc.
14. Customer shall pay for all costs and expenses incurred by **Rangeline** because of rescheduling or cancellation by the customer for any reason including but not limited to inclement weather.
15. Customer or Owner is responsible to furnish electric power and lighting as required by us to perform our work.
16. In regards to concrete pipe only, the condition of the interior mortar lining may adversely affect the percentage of the amount recovered during tapping operation. **Rangeline** cannot be held responsible for any unforeseen, and or diminished conditions of such pipe.

17. All Tapping Sleeves & Line Stop materials fabricated for PCCP, RCCP & RCP pipes are non-returnable once fabricated. The customer is responsible for the accumulated costs of the materials, freight, and sales tax for all these items once ordered. These materials are custom ordered and "NON-RETURNABLE".
18. The supply of bid and or performance bonds is excluded. **Rangeline** supply these bonds only when specifically stated on the quotation.
19. Any invoice unpaid for more than 30 days will be subject to the maximum finance charges allowed by applicable state law. **Rangeline** does not allow retainage on any invoices.
20. Clerical errors made in good faith are subject to correction within **Rangeline** sole discretion.
21. Notwithstanding these terms and conditions or any amendments thereto or terms and conditions of the customer who may be deemed part of this agreement, **Rangeline** shall not be liable for any losses, costs, expenses, liability or damages arising from or connected with the performance of the work not covered by **Rangeline's** liability insurance in effect at the time of such loss, etc., and Customer shall hold **Rangeline** harmless for any loss, etc., in excess of coverage. **Rangeline** will provide Customer a certificate of its liability insurance upon request.
22. In the event it becomes necessary for **Rangeline** to retain legal counsel to enforce its rights the Customer agrees that it shall be responsible for payment of all reasonable attorney's fees, expenses and costs incurred by **Rangeline**.
23. **Rangeline** shall not be held liable for any pipe which splits, breaks, or leaks as a result of material installation, Wet Tapping pipe, Line Stopping pipe or completion of line stop fitting or valve insertion. **Rangeline** follows all material manufacturers' installation procedures and operates all equipment to manufacturer's standards and cannot be held responsible for pipe which fails during the Tapping and Line Stopping operation.
24. **Rangeline** will not be held liable for misinformation concerning flow rates, flow direction or water forces within the piping system which causes damage to the piping system. Owner, Engineer, and/or contractor is responsible for all proper information and any damage to **Rangeline** equipment will be charged to the customer accordingly.
25. **Rangeline** will take all means available to capture the pipe coupon. Pipe integrity, flow rates and other unknowns at the time of the Wet/Hot Tapping operation can be contributing factors. Therefore, **Rangeline** cannot be responsible for any lost or pieces of the coupons which do not come out after the tap is performed.
26. **Rangeline** does not guarantee a 100% leak free Completion Plug installation. The Completion Plug is a temporary seal to remove the isolation valve to install the permanent blind flange and sealing hardware.
27. **Rangeline** will not be responsible for reduced flow through temporary by-pass system due to solids or debris clogging by-pass operations.

28. **Prices & Payment**

All payments for materials furnished hereunder shall be made upon the basis of material delivered as shown by our delivery ticket and our delivery records. Failure to notify us of discrepancies in quantities/schedules prior to manufacturing of items invoiced constitutes irrevocable acceptance of the quantities and delivery schedule for the materials covered by the invoice. If you fail to make payments when due on any order, or if at any time we have any doubt about your intention or ability to pay, we may decline to make any further shipments on this or any other order with you. Our rights and remedies in this regard are not exclusive and we retain all other rights and remedies at law. Sales or use tax are not included in the prices set forth on the face of the Quotation or Order Acknowledgement. Prices for undelivered goods may be increased by Seller in the event of any increase in the cost to Seller of supplies, labor or services, or any increase in Seller's cost resulting from governmental or administrative action or any other cause beyond Seller's control. Invoices shall be deemed correct unless contested in writing within seven (7) business days of invoice date.

29. **Delivery**

Unless stated otherwise in a quotation by us, shipments are quoted F.O.B. jobsite. Rail shipments are based on minimum car load lots. Truck shipments are based on applicable state limit truck load lots. Delivery is tailgate, on board trucks unless otherwise specified. You agree to provide: (1) an unloading point accessible over roads acceptable to the carrier; (2) an area where unloading can be accomplished quickly and efficiently with standard unloading methods; (3) blocking and chocking if required for unloaded material; (4) indemnification of us and the carrier regarding liability for personal injury, including death and property damage resulting from unloading done under your direction; (5) flagmen and lights or warning devices if required by local agents, governmental laws, rules or regulations; (6) payment for unloading time in excess of one hour at the rate specified in the published tariff of the carrier making delivery; (7) adequate qualified labor and facilities to remove materials from truck. If any of the above are not provided, we reserve the right to stop deliveries until the condition is remedied. Deliveries shall be made in accordance with a delivery schedule, which may be revised by mutual agreement to adjust to job conditions or manufacturing requirements. We cannot guarantee precise delivery dates and we shall not be responsible for delays in deliveries, nor liable for any losses, expenses or damages, including liquidated damages or penalties of any kind, which you may incur. Acceptance of delivery by you constitutes confirmation of your acceptance of the delivery schedule against which the delivery was made. In the event delivery is required beyond curb lines, you will be responsible for any damage to curbs, sidewalks, driveways, or other property.

30. **Warranty and Limitations**

Our products are warranted to be manufactured in accordance with the specifications identified on the face of our Quotation or Order

- c. Our field representative may, from time to time, be present on a job site where products you have purchased from us are being installed and he or she will be glad to work with you and be of assistance to you. The field representative, of course, has no authority to modify this Agreement or bind us however; and since the installation is your responsibility under your supervision or that of your customer or his contractor, we shall not be responsible for any instructions or technical advice in connection with the design, installation or use of the materials sold hereunder.
- d. You agree to pay any and all costs, expenses, and attorney fees which we may incur or become liable for by reason of our enforcing or attempting to enforce the terms of this Agreement, including lien claims and foreclosure of liens filed.
- e. Should any part or provision of this Agreement be declared invalid, unenforceable, illegal, or in conflict with any law, the validity and enforceability of the remaining or provisions shall not be affected.
- f. The prices listed are unit prices for the quantities listed. We reserve the right to change unit prices in the event of quantity changes.
- g. Neither this Agreement nor any of the rights or responsibilities arising hereunder may be assigned by you without our express written consent to the assignment.
- h. The services of a Layout Technician are included in our pricing for the initial submittal and one revision. Charges may be incurred if further revisions are required unless caused by our error.
- i. If we are required to store finished product thirty (30) days beyond a jointly agreed to delivery date, a storage charge of one and one-half (1.5%) percent per month will be assessed on the purchase price of the product stored.
- j. All quotes are Rangeline Standard Quotes only and are without any inclusion of Prevailing Wage Rates that may be applicable in the region where the work is to be done. As such, if Prevailing Wage Rates for the region in which the work will be done are not disclosed prior to the calculation or execution of the Rangeline Standard Quote and added via the terms of the subcontract or thereafter, pricing will then be adjusted accordingly to take the Prevailing Wage Rates into account.
