CERTIFICATION OF BUSINESS LOCATION

IFB #18-055/HS

In accordance with the Palm Beach County Local Preference Ordinance, as amended, a preference may be given to: (1) bidders having a permanent place of business in Palm Beach County ("County") or (2) bidders having a permanent place of business in the Glades that are able to provide the goods and/or services to be utilized within the Glades. To receive a local preference, bidders must have a permanent place of business within the County or the Glades, as applicable, prior to the County's issuance of the solicitation. A Business Tax Receipt which is issued by the Palm Beach County Tax Collector, authorizes the bidder to provide the goods/services being solicited by the County, and will be used to verify that the bidder had a permanent place of business prior to the issuance of the solicitation. The bidder must submit this Certification of Business Location ("Certification") along with the required Business Tax Receipt at the time of bid or quote submission. The Business Tax Receipt and this Certification are the sole determinant of local preference eligibility. Errors in the completion of this Certification or failure to submit this completed Certification will cause the bidder to not receive a local preference.

In instances where the bidder is exempt by law from the requirement of obtaining a Business Tax Receipt, the bidder must: (a) provide a citation to the specific statutory exemption; and (b) provide other documentation which clearly establishes that the bidder had a permanent place of business within the County or the Glades prior to the date of issuance of the solicitation. The County hereby retains the right to contact said bidders for additional information related to this requirement after the bid/quote due date.

I. Bidder is a:

✓

Local Business: A local business has a permanent place of business in Palm Beach County.

(Please indicate):

YES

Headquarters located in Palm Beach County
Permanent office or other site located in Palm Beach County
from which a vendor will produce a substantial portion of the
goods or services.

Glades Business: A Glades business has a permanent place of business in the Glades.

(Please indicate):

Headquarters located in the Glades
Permanent office or other site located in the Glades from which a
vendor will produce a substantial portion of the goods or services.

II. The attached copy of bidder's County Business Tax Receipt verifies bidder's permanent place of business.

THIS CERTIFICATION is submitted by Sara L. Boyd, as

(Name of Individual)

Secretary, officer
(Title/Position)

of Precision Contracting Svc., Inc.
(Firm Name of Bidder)

who hereby certifies that the information stated above is true and correct and that the County Business Tax Receipt is a true and correct copy of the original. Further, it is hereby acknowledged that any misrepresentation by the bidder on this Certification will be considered an unethical business practice and be grounds for sanctions against future County business with the bidder.

DRUG-FREE WORKPLACE CERTIFICATION

IFB #18-055/HS

IDENTICAL TIE BIDS/QUOTES - In accordance with Section 287.087, F.S., a preference shall be given to vendors submitting with their bids/quotes the following certification that they have implemented a drug-free workplace program which meets the requirements of Section 287.087; provided, however, that any preference given pursuant to Section 287.087, shall be made in conformity with the requirements pursuant to the Palm Beach County Code, Chapter 2, Article III, Sections 2-80.21 thru 2-80.34. In the event tie bids/quotes are received from vendors who have not submitted with their bids/quotes a completed Drug-Free Workplace Certification form, the award will be made in accordance with Palm Beach County's purchasing procedures pertaining to tie bids/quotes.

This Drug-Free Workplace Certification form must be executed and returned with the attached bid/quote, and received on or before the published bid/quote submission deadline to be considered. The failure to execute and/or return this certification shall not cause any bid/quote to be deemed non-responsive.

Whenever two (2) or more bids/quotes which are equal with respect to price, quality, and service are received by Palm Beach County for the procurement of commodities or contractual services, a bid/quote received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process. In order to have a drug-free workplace program, a business shall:

- (1) Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.
- (2) Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.
- (3) Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in number (1).
- (4) In the statement specified in number (1), notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of Chapter 893, Florida Statutes, or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.
- (5) Impose a sanction on, or require the satisfactory participation in a drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is so convicted.
- (6) Make a good faith effort to continue to maintain a drug-free workplace through implementation Section 287.087, Florida Statutes.

THIS CERTIFICATION is submitted by Sara L. Boyd the
(Individual's Name)
Secretary, Officer of Precision Contracting Svc., Inc.
(Title/Position with Company/Vendor) (Name of Company/Vendor)

who does hereby certify that said Company/Vendor has implemented a drug-free workplace program which meets the requirements of Section 287.087, Florida Statutes, which are identified in numbers (1) through (6) above.

Precision Contracting Services, Inc.
15834 Guild Ct. Jupiter, FL 33478

Precision Contracting Services, Inc. (PCS) is a multi-faceted professional services firm incorporated in the State of Florida since 1990. PCS has completed in excess of 4,000 fiber optic communication network design, installation and/or integration projects exceeding 40,000 miles on infrastructure to support systems for transportation departments, state-county-municipal governments, military, educational, aerospace, telecommunication provider and private corporate clients.

PCS employs multiple BICSI Registered Communication Distribution Designers (RCDD), as well as Data Center Design, Outside Plant Design, Electronic Security & Systems Design, Wireless Design, Cisco Network Design and Passive Optical Network Design professionals. PCS has several certified network engineers holding Cisco and various industry certifications.

PCS provides design, installation, integration, maintenance and asset management services for fiber optic infrastructures as well as all network device applications supported by these distributed networks. We provide turnkey solutions for voice, data and video requirements implemented for Video Arraignment, Public Safety 800MHz, Rail-Water-Power SCADA network interfaces, and advanced Traffic Control systems. PCS supports analog and digital, wired and wireless communication systems including GPON, EPON, Fast Ethernet, ATM, SONET, Fiber Channel, Wifi & WiMax transmission formats.

PCS has certified Wireless designers skilled and experienced in both ISP and OSP wireless 2.4/5.8GHz Wi-Fi, WiMAX, 4.9 GHz public safety band, Single or Multi-Carrier Distributed Antennae Systems (DAS) and 4G/5G cellular wireless systems. PCS has certified cell tower climbers and utilizes the latest in alignment technology for rapid signal strength maximization. PCS recognizes critical nature of secured client wireless communications to segregate Public, Private and Secured layers within the overall wireless architecture. PCS has extensive experience with deployment of Bluetooth/BlueTooth ITS devices.

PCS is a certified Corning Network Preferred Installer (NPI) and can offer a 25-year extended warranty on projects PCS design-builds implementing Corning products. PCS is pre-qualified by several states' including Florida's Department of Transportation for Fiber Optic Communications, Intelligent Transportation Systems, Dynamic Messaging Networks and Electrical deployments.

PCS founders were the first to market deploying optical networks supporting DOT ITS market across 7 states in 1986 and PCS remains the leader in dedicated design/build, deployment, maintenance and documentation of Fiber Optic/Wireless/Intelligent Transportation Systems for numerous federal, state and local governments as well as large commercial & utility services.

PCS has over one hundred employees across 7 permanent warehousing offices throughout the Southeast including engineers, designers, surveyors, CAD draftsmen, linemen, installers and technicians. PCS utilizes in house designers, project supervision, installers, technicians and equipment for fiber installations, splicing, terminating, and testing.

PCS has twice been recognized internationally for developing and utilizing our **FiberTrak** asset management model providing clients with a state of the art Optical Network Asset Management & Maintenance capability. This Microstation-based platform provides quality web-accessible deliverables for effective monitoring and management. FiberTrak is a custom integration of CAD with Oracle spatial database associated attribute tables, ESRI GIS associated SQL asset database tables, custom work order/daily SQL attribute tables and GUI interfaces to effectively manage critical fiber optic and related communication infrastructure. This award winning management & design service model is currently being utilized by numerous clients throughout the SE USA.

Our approach to broadband deployment starts by listening to Client's for goal identification, network security prioritization, budget allocation, maximum deployed WAN concepts, IOT technologically supported systems and core communication platforms to efficiently identify, design and deploy projects meeting cost/benefit and ROI targets. PCS designed and deployed Fiber to the Home GPON projects for ITS Telecom in Indiantown, FL and for Myakka Communications outside Sarasota, FL with each Service Provider recognizing immediate profitability across a stable platform.

PCS has our own in-house team capable of handling documentation and asset management applications that promote standardization of data collected elements, information presentation in layer format, relevancy in application and utilization of industry standard of communication design criteria that becomes associated to a map reference point using US NAD83 state plane coordinate geometry allowing for access to information from a graphical map interface such as Map Info or Google Earth. We have completed several FDOT major design build projects throughout the course of our establishment.

PCS promotes Public/Private ventures and completed the first of its kind project in Florida for Martin County (Community Broadband Network) where PCS received recognition by the Martin Co. Economic Council for "improving communications technology in Martin Co. and expanding the County's access to the worldwide information highway" as well as being honored with a Bentley Communication Award for the 2009 "Innovation in Communications Networks".

PCS is a recognized DBE Enterprise in several states including with Florida FDOT and holds Electrical and/or Specialty Electrical (Low Voltage) Contractor's licenses in 9 states. PCS is a Corporate Membership of Building Industry Consulting Services International (BICSI), the premier entity established for certification and training within the telecommunication industry. PCS carries complete coverage for General, Automotive, Workers Compensation and Professional Liability Insurance and is fully licensed and bonded.

RE: CERTIFICATE OF QUALIFICATION

Dear Sir/Madam:

The Department of Transportation has qualified your company for the type of work indicated below. Unless your company is notified otherwise, this Certificate of Qualification will expire 3/30/2019. However, the new application is due 1/31/2019.

In accordance with S.337.14 (1) F.S. your next application must be filed within (4) months of the ending date of the applicant's audited annual financial statements.

If your company's maximum capacity has been revised, you can access it by logging into the Contractor Prequalification Application System via the following link:
[HTTPS://fdotwpl.dot.state.fl.us/ContractorPreQualification/](https://fdotwpl.dot.state.fl.us/ContractorPreQualification/)

Once logged in, select "View" for the most recently approved application, and then click the "Manage" and "Application Summary" tabs.

FDOT APPROVED WORK CLASSES:

COMPUTERIZED TRAFFIC CONTROL, ELECTRICAL WORK, INTELLIGENT TRANSPORTATION SYSTEMS, ROADWAY SIGNING, TRAFFIC SIGNAL, NAVIGATION LIGHTING, FIBER OPTIC CABLE INSTALLATION, SPLICING & TESTING, ACCESS CONTROL SYSTEMS, CCTV, VIDEO AND FENCE DETECTION

You may apply for a Revised Certificate of Qualification at any time prior to the expiration date of this certificate according to Section 14-22.0041(3), Florida Administrative Code (F.A.C.), by accessing your most recently approved application as shown above and choosing "Update" instead of "View." If certification in additional classes of work is desired, documentation is needed to show that your company has done such work with your own forces and equipment or that experience was gained with another contractor and that you have the necessary equipment for each additional class of work requested.

All prequalified contractors are required by Section 14-22.006(3), F.A.C., to certify their work underway monthly in order to adjust maximum bidding capacity to available bidding capacity. You can find the link to this report at the website shown above.

Sincerely,

Alan Autry, Manager
Contracts Administration Office

PRECISION CONTRACTING SERVICES INC.

**Palm Beach County -- Fiber Optic Engineering, Design, Material, Supplies & Installation, Term Contract
Number: Bid #18-055/HS**

**Precision Contracting Services, Inc.
Emergency Contact & Response Procedures**

For emergencies occurring after business hours, PCS provides the following number for the county to have a single point of contact for any after hour needs who will then distribute calls to our staff based on condition and severity. **Call 855-727-3427 (855-PCSFIBR).**

We also share the additional personal contact information with our clients for further comfort to ensure a prompt customer response (order of escalation):

<u>PCS Representative</u>	<u>Need</u>	<u>Mobile Number</u>	<u>Home Number</u>
Lynn Bayles, Area Mgr	All	561-718-8504	772-597-4166
Tommy Webb, Super.	UG	772-473-4371	772-283-3410
Greg Churchel, Tech	Optical	561-756-4490	561-333-2469
Jeff Bayles, Area Super	Construction	561-718-2514	772-597-4166
Bruce Boyd, Director	All	561-262-0001	561-744-2814
Robert Sanford	All	561-222-9538	561-222-9538

In addition, PCS requests that a broadcast email be sent to the following:

Lynn Bayles at: lbayles@pcsfiber.com
Bruce Boyd at: bboyd@pcsfiber.com
Robert Sanford at: rsanford@pcsfiber.com

Once initial contact is made from the Client to the Service/PCS, our office will deploy for initial on-site review and begin the restoration and/or repair process. During this review, if additional support resources are required, they would be deployed at that time from our >22 Palm Beach County and >38 Jupiter based technical personnel.

- ✚ PCS would arrive on site to review and start initial diagnosis
- ✚ A visual inspection will be made to evaluate and locate damage
- ✚ If extent of damage cannot be measured by visual inspection, an OTDR will be used to determine the damaged location and extent
- ✚ PCS will immediately initiate underground restoration and coordinate with other contractors that may be involved in such damage/restoration activity in order to get the problem resolved

15834 Guild Court • Jupiter, FL 33478 • 561-743-9737 • (Fax) 561-743-0775 • pcsfiber.com

PRECISION CONTRACTING SERVICES INC.

- ✦ Once PCS has access to the conduit, PCS would initiate cable repairs as follows, depending on the damage to the fiber optic cable
- ✦ Pull cable slack from the surrounding area and a single splice will be installed
- ✦ The damaged cable will be cut out, a new piece of cable shall be installed in its place, and two splices will be put in. Permanent repairs of the fiber will include replacement from point of termination to point of termination
- ✦ The cable will then be tested with an OTDR to ensure the cable once again has continuity
- ✦ PCS will then contact the Owner to ensure that full service has been restored

Once PCS is allowed access to the restored conduit, fiber cable restoration could take anywhere from 30 minutes to 24 hours for a single splice restoration, depending on the fiber count needing repair. In addition, permanent repairs requiring sections of cable to be deployed and splicing at each end are not always completed within the desired timeframe due to additional outside exposure that is typically addressed at the Engineer level prior to providing corrective measure directions.

PCS will perform our best efforts to meet desired time frames for restoration; however, it has been PCS's experience that permanent repairs require additional coordination to avoid future damages that may exceed this.

DRUG ABUSE POLICY STATEMENT

PRECISION CONTRACTING SERVICES, INC. strives to provide a safe work environment and encourages personal health. In regard to this, this company considers the abuse of drugs on the job to be an unsafe and counterproductive work practice. Furthermore, we see substance abuse as a serious threat to our staff and customers. With these objectives in mind, the company has established the following policy with regard to the use, possession, or sale of illegal drugs at work.

It is company policy that an employee found with the presence of illegal drugs in his/her system, in possession of, using, selling, trading, or offering for sale illegal drugs during working hours, may be subject to disciplinary action up to and including discharge.

Substance abuse includes possession, use, purchase or sale of drugs on company premises (including parking lots). It also includes reporting to work under the influence of drugs.

An employee reporting for work visibly impaired is unable to properly perform required duties and will not be allowed to work. If possible, the supervisor should first seek another supervisor's opinion of the employee's status. Then the supervisor should consult privately with the employee with the observation, to rule out any problems that may have been caused by prescription drugs.

If, in the opinion of the supervisor, the employee is considered impaired, the employee should be sent home or to a medical facility by taxi or other safe transportation alternative, depending on the determination of the observed impairment, accompanied by the supervisor or another employee, if necessary. An impaired employee should not be allowed to drive.

Drugs prescribed by the employee's physician may be taken during work hours. The employee should notify the supervisor if the use of properly prescribed medication will effect the employee's work performance. Abuse to prescription drugs will not be tolerated.

It is the responsibility of the company's supervisors to counsel an employee whenever they see changes in performance that suggest an employee problem. The supervisor may suggest that the employee seek help with the problem.

DRUG ABUSE PROGRAM

STATEMENT OF POLICY

PRECISION CONTRACTING SERVICES, INC. acknowledges the problem of substance abuse in our society. Furthermore, we see substance abuse as a serious threat to our staff, customers, and shareholders. We are addressing this problem by introducing a new substance abuse policy to ensure the company will have a drug free workplace.

Drug addiction is a complex, yet treatable disease. For this reason, our substance abuse program is targeted at alleviating the problem at the community level by involving both our employees and their families. Our commitment to eradicating substance abuse in the community reflects our firm belief that by building this community, we build our company.

While **PRECISION CONTRACTING SERVICES, INC.** understands employees and applicants under a physician's care are required to use prescription drugs, abuse of prescribed medications will be dealt with in the same manner as the abuse of illegal substances.

The ultimate goal of this policy is to balance our respect for individual privacy with our need to keep a safe, productive, drug free environment. Our intention is to prevent and treat substance abuse. We would like to encourage those who abuse drugs to seek help in overcoming their problem.

With these basic objectives in mind, the company has established the following policy with regard to use, possession or sale of drugs.

II. DEFINITIONS

- A) "Legal Drug"- includes prescribed drugs and over-the-counter drugs which have been legally obtained and are being used solely for the purpose for which they were prescribed or manufactured.
- B) "Illegal Drug"- any drug: (a) which is not legally obtainable; (b) which may be legally obtainable but has not been legally obtained; or (c) which is being used in a manner or for a purpose other than as prescribed.

III. POLICY AND WORK RULE

The company's policy is to employ a work force free from use of illegal drugs either on or off the job. An employee determined to be in violation of this policy is subject to disciplinary action, which may include termination, even for the first offense. It is a Standard of Conduct of Employees of the Company that employees shall not use illegal drugs. In order to maintain this Standard, the Company shall establish and maintain the programs and rules set forth here.

A. GENERAL PROCEDURES

An employee reporting for work visibly impaired is unable to properly perform required duties and will not be allowed to work. If possible, the supervisor should first seek another supervisor's opinion of the employee's status. Then the supervisor should consult privately with the employee to determine the cause of the observation, including whether substance abuse has occurred. If, in the opinion of the supervisor, the employee is impaired, the employee should be sent home or to a medical facility by taxi or other safe transportation alternative, depending on the determination of the observed impairment, accompanied by the supervisor or another employee, if necessary. An impaired employee should not be allowed to drive.

B. PRE-EMPLOYMENT DRUG ABUSE SCREENING

The company will conduct pre-employment screening examinations designed to prevent hiring individuals who use illegal drugs or individual whose use of legal drugs indicates a potential for impaired or unsafe job performance (see "Pre-employment Drug Testing Policy").

C. ACTIVE EMPLOYEE DRUG ABUSE SCREENING

The company will maintain screening practices to identify employees who use illegal drugs either on or off the job. It shall be a condition of continued employment for all employees to submit to a drug screen:

- 1) When there is reasonable suspicion to believe that an employee is using or has used illegal drugs.
- 2) When there is any mishap or accident involving the employee in which injury to persons or damage to property has occurred.
- 3) Upon return from extended absences (See "Active Employee Drug Testing Policy").

D. GROUNDS FOR TERMINATION OR DISCIPLINE

An employee bringing onto the company's premises or property, having possession of, being under the influence of, possessing in the employee's body, blood or urine in any detectable amount, or using, consuming, transferring, selling or attempting to sell or transfer any form of illegal drug as defined above while on company business or at any time during the hours between the beginning and ending of the employee's working day, whether on duty or not, and whether on company business, company property or not, is guilty of misconduct and is subject to discipline including discharge or suspension without pay from employment, even for the first offense. Failure to submit to required medical or physical examinations or tests is misconduct and is grounds for discharge or suspension without pay from employment.

PRE-EMPLOYMENT DRUG TESTING POLICY

Consistent with this company's policy opposing drug abuse, we have implemented a pre-employment drug testing policy.

All job applicants at this company will undergo screening for the presence of illegal drugs as a condition of employment.

Applicants will be required to voluntarily submit to a urinalysis test at a laboratory chosen by the company, and by signing a consent agreement will release the company from liability.

Any applicant with positive test results will be denied employment at that time, but may initiate another inquiry with the company after six months.

The company will not discriminate against applicants for employment because of past abuse of drugs. It is the current abuse of drugs which prevents employees from properly performing their jobs that the company will not tolerate.

**PRE-EMPLOYMENT DRUG TESTING
CONSENT AND RELEASE FORM**

I hereby consent to submit to urinalysis and/or other tests as shall be determined by **PRECISION CONTRACTING SERVICES, INC.** in the selection process of applicants for employment, for the purpose of determining the drug content thereof.

I agree that _____ may collect these specimens for
(Clinic/Physician)
these tests and may test or forward them to a testing laboratory designated by the company for analysis.

I further agree to and hereby authorize the release of the results of said tests to the company.

I further agree to hold harmless the company and its agents (including the above named Clinic or Physician) from any liability arising in whole or in part, out of the collections of specimens, testing, and use of the information from said testings in connection with the company's consideration of my application of employment.

I further agree that a reproduced copy of this pre-employment consent and release form shall have the same force and effect as the original.

I have carefully read the foregoing and fully understand its contents. I acknowledge that my signing of this consent and release form is a voluntary act on my part and that I have not been coerced into signing this document by anyone.

ACTIVE EMPLOYEE DRUG TESTING POLICY

This company has adopted screening practices to identify employees who use illegal drugs either on or off the job. It shall be a condition of continued employment for all employees to submit to drug screening:

- (1) When there is reasonable suspicion to believe that an employee is using or has used illegal drugs.
- (2) When there is any mishap or accident involving the employee in which injury to persons or damage to property has occurred.
- (3) Upon return from extended absences.

Circumstances that could be indicators of a drug problem and considered reasonable suspicion are:

- (1) Observed drug use during work hours on company premises.
- (2) Apparent physical state of impairment.
- (3) Incoherent mental state.
- (4) Marked changes in personal behavior that are otherwise unexplainable.
- (5) Deteriorating work performance that is otherwise unexplainable.
- (6) Accident or other actions that provide reasonable cause to believe the employee may be under the influence.

An employee bringing onto the company's premises or property, having possession of, possessing in the employee's body, blood, urine an amount above the threshold levels established by the National Institute on Drug Abuse (N.I.D.A.), or using, consuming, transferring, selling or attempting to sell or transfer any form of illegal drug while on company business or at any time during the hours between the beginning and the ending of the employee's working day, whether on duty or not, and whether on company business, property or not, is guilty of misconduct and is subject to discipline including discharge or suspension without pay from employment, even for the first offense. Failure to submit to required medical or physical examinations or tests is misconduct and is grounds for discharge or suspension without pay from employment.

DRUG USE INFORMATION

(This form must be presented to the individual both before and after testing)

Are you taking, or have you taken in the last month, any drug(s) prescription or non-prescription, i.e., aspirin, Roloids, cough medicine, etc.?

_____ NO _____ YES (Complete remainder of this form.)

To insure the safety of all personnel and equipment, the following information is required for the drug(s) you are taking at this time. Please provide the information for each drug used.

Name of drug/Pres #	Name/Address/Phone Prescribing Physician	Date Prescribed/Taken	Effects/Side Effects Affecting Safety /or Performance
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____

I hereby give my consent for any above-named prescribing physician to answer any job- or safety-related questions about my use of the above drug(s) or any questions concerning the prescribed drug(s) and their effect(s) upon my compliance with the Company's substance abuse policy.
