FOR FIRE RESCUE STATION NO. 5**

THIS AGREEMENT is dated as of the _____ day of _____, 20____, by and between the City of Delray Beach, Florida, hereinafter called the City, and Zabatt Engine Services, Inc. D/B/A Zabatt Power Systems, Inc., hereinafter called Contractor.

OWNER and Contractor, in consideration of the mutual covenants hereinafter set forth, agree as follows:

Article 1. WORK.

Contractor shall complete all Work as specified or indicated in the Contract Documents. For the project entitled:

**Replacement of Emergency Generator for Fire Rescue Station No. 5
City of Delray Beach Project No. 2014-011
ITBC No. 2016-133**

Article 2. Consultant.

The Project has been designed by City of Delray Beach, who is hereinafter called Consultant and who will assume all duties and responsibilities and will have the rights and authority assigned to Consultant in the Contract Documents in connection with completion of the Work in accordance with the Contract Documents.

Article 3. ENTIRE AGREEMENT.

This Construction Contract, along with the Contract Documents consisting of the Agreement, M/WBE Program Requirements, Documents contained in the Project Manual, General and Supplementary Conditions, Addenda, Drawings, Specifications and modifications issued after execution of the Contract embodies the entire agreement between City and Contractor and supersedes all other writings, oral agreements or representations. The parties shall not be bound by or be liable for any statement, representation, promise, inducement or understanding of any kind or nature not set forth herein. NO CHANGES, AMENDMENTS OR MODIFICATIONS OF ANY OF THE TERMS OR CONDITIONS OF THE CONTRACT SHALL BE VALID UNLESS REDUCED TO WRITING AND SIGNED BY BOTH PARTIES.

Article 4. CONTRACT SUM.

Article 5. CONTRACT TIME; LIQUIDATED DAMAGES.

- 5.1 The work will be substantially completed within ninety calendar days from the date of the issuance of the Notice to Proceed, and completed and ready for final payment in accordance with the General Conditions within thirty calendar days from the date of Substantial Completion.
- 5.2 Liquidated Damages. The City and Contractor recognize that time is of the essence of this Agreement and that the City will suffer financial loss if the Work is not completed within the times specified in paragraph 5.1 above, plus any extensions thereof allowed in accordance with the General Conditions.

They also recognize that the actual loss suffered by the City if the Work is not completed on time is not readily ascertainable at the time of entering this Contract. Accordingly, instead of requiring any such proof, the City and Contractor agree that as liquidated damages for delay (but not as a penalty) Contractor shall pay the City five hundred dollars (\$500.00) for each day that expires after the time specified in Article 5, paragraph 5.1 for substantial completion until the Work is substantially complete. After Substantial Completion if Contractor shall neglect, refuse or fail to complete the remaining Work within the Contract Time or any proper extension thereof granted by the City, Contractor shall pay the City five hundred dollars (\$500.00) for each day that expires after the time specified in Article 5, paragraph 5.1 for completion and readiness for final payment. Contractor expressly acknowledges that such sum is not payable as a penalty but as liquidated damages representing a reasonable estimate of delay damages, inconvenience and additional overhead and costs likely to be sustained by the City, estimated at the time of executing the Contract. If the City reasonably believes in its discretion that Substantial Completion will be delayed, it shall be entitled, but not required to withhold from any amounts otherwise due the Contractor an amount then believed by the City to be adequate to recover liquidated damages applicable to such delays. Partial use or occupancy of the Work shall not result in the Work deemed substantially completed, and such partial use or occupancy shall not be evidence of Substantial Completion.

Article 6. PAYMENT PROCEDURES.

Contractor shall submit Applications for Payment in accordance with the General Conditions. Applications for Payment will be processed by the **Construction Management Technician** as provided in the General Conditions.

**Environmental Services Department
Main Administration Building
434 South Swinton Avenue

- 6.1 Progress Payments. The City shall make progress payments on account of the Contract Price on the basis of Contractor's Applications for Payment as recommended by Consultant, on or about the First day of each month during construction as provided below. All progress payments will be on the basis of the progress of the Work measured by the schedule of values established in the General Conditions and in the case of Unit Price Work based on the number of units completed or, in the event there is no schedule of values, as provided in the General Requirements.
- 6.1.1 Prior to Substantial Completion progress payments will be made in an amount equal to 90% of the work completed until 50% of the work has been completed

and installed, then payment may be made in an amount equal to 95% of the work completed, but in each case, less the aggregate of payments previously made and less such amounts as Consultant shall determine, or the City may withhold, in accordance with the General Conditions.

6.0.2. Prior to Substantial Completion, progress payments for materials and equipment not incorporated in the Work but delivered and suitably stored and accompanied by documentation satisfactory to the City, as provided in the General Conditions, will be made in an amount equal to 0% as established by the schedule of values.

6.0.3 The City is entitled to withhold amounts due Contractor for any defective or non-conforming work or for liquidated damages.

6.2 Final Payment. Upon final completion and acceptance of the Work in accordance with the General Conditions, the City shall pay the remainder of the Contract Price as recommended by Consultant as provided in said paragraph 15.13.

Article 7. SUBCONTRACTS.

No more than 40% of dollar value of the total contracted work may be accomplished by subcontractors. Balance of work must be accomplished by Contractor's own forces.

Article 8. CONTRACTOR's REPRESENTATIONS.

- 9.4 Contractor shall not be entitled to any claim for damages on account of hindrance or delays from any cause whatsoever, but if caused by any act of God or active interference on the part of the City, such act, hindrance or delay may only entitle the Contractor to receive an extension of time as its sole and exclusive remedy, as set forth in the General Conditions.
- 9.4.1 And extension of time to complete the Work shall be determined by the Consultant provided the Contractor provides Consultant and City with notice in writing of the cause of said act, hindrance or delay within twenty (20) days after its occurrence.
