7 List account number(s) here (optional)

Requester's name and address (optional)

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See *What is backup withholding*, later.

BUSINESS OWNER, PLEASE NOTE THE FOLLOWING:

• **DISPLAY THE ABOVE RECEIPT PROMINENTLY:** This Business Tax Receipt shall be displayed conspicuously at the place of business in such a manner that it can be open to the view of the public and subject to inspection by all duly authorized officers of the County. Upon failure to do so the business shall be subject to the payment of another business tax for the same business or profession.

• **RENEW THIS TAX BEFORE IT EXPIRES:** Pursuant to Florida Statutes, all Business Tax Receipts shall be issued by the Tax Collector beginning July 1st of each year, and it shall expire on September 30th of the succeeding year. Those Business Tax Receipts issued as renewal accounts beginning October 1st shall be delinquent and subject to a delinquency penalty of 10% for the month of October, plus an additional 5% penalty for each month of delinquency thereafter until paid; provided that the total penalty shall not exceed 25% of the business tax for the delinquent establishment (Florida Statute [FS] 205.053 [1]).

A 25% penalty shall be imposed on any individual engaged in any new business or profession without first obtaining a Seminole County Business Tax receipt ([FS] 205.053 [2]).

This Business Tax Receipt is only a receipt for business taxes paid. It does not permit the taxpayer to violate any existing regulatory or zoning laws of the state, county, or municipality, nor does it exempt the taxpayer from any other required licenses, registrations, certifications, or permits. Business Tax requirements are subject to legislative change.

• **REPORT ALL CHANGES:** The holder of this Business Tax Receipt is required to report a change in the following: Ownership, Business Location, Mailing Address, or any other information that would alter the status of the current year's information. This includes, but is not limited to, the loss of or a change in a State or Regulatory License which was used to qualify for the business identified on the current County Business Tax Receipt. If you have any changes to report, contact the Business Tax Department at 407-665-7636.

Landscape Structures Inc., 601 7th Street South, Delano, MN 55328 USA

Landscape Structures Inc. ("Manufacturer") warrants that all playstructures and/or equipment sold will conform in kind and in quality to the specifications manual for the products identified in the Acknowledgment of Order and will be free of defects in manufacturing and material. Manufacturer further warrants:

100-Year Limited Warranty On all PlayBooster[®] and PlayShaper[®] aluminum posts, stainless steel fasteners, clamps, beams and caps against structural failure due to corrosion/natural deterioration or manufacturing defects, and on PlayBooster steel posts against structural failure due to material or manufacturing defects.

15-Year Limited Warranty On all Evos[®] and Weevos[®] steel arches, all plastic components (including TuffTimbers[™] edging), all aluminum and steel components not covered above, Mobius[®] climbers, Rhapsody[®] Outdoor Musical Instruments, decks and TenderTuff[™] coatings (except Wiggle Ladders, Chain Ladders and Swing Chain) against structural failure due to material or manufacturing defects.

10-Year Limited Warranty On concrete products against structural failure due to natural deterioration or manufacturing defects. Does not cover minor chips, hairline cracks or efflorescence.

8-Year Limited Warranty On Aeronet[®] climbers and climbing cables against defects in materials or manufacturing defects.

5-Year Limited Warranty On Rhapsody[®] cables and mallets against defects in materials or manufacturing defects.

3-Year Limited Warranty On all other parts, i.e.: Pulse[®] products, all swing seats and hangers, Mobius climber handholds, Wiggle Ladders, Chain Ladders and ProGuard[™] Swing Chain, Track Ride trolleys and bumpers, all rocking equipment including Sway Fun[®] gliders, belting material, HealthBeat[®] resistance mechanism, Seesaws, etc., against failure due to corrosion/natural deterioration or manufacturing defects.

The environment near a saltwater coast can be extremely corrosive. Some corrosion and/or deterioration is considered "normal wear" in this environment. Product installed within 500 yards (457 meters) of a saltwater shoreline will only be covered for half the period of the standard product warranty, up to a maximum of five years, for defects caused by corrosion. Products installed in direct contact with saltwater or that are subjected to salt spray are not covered by the standard warranty for any defects caused by corrosion.

This warranty does not include any cosmetic issues or wear and tear from normal use of the product, or misuse or abuse of the product. It is valid only if the playstructures and/or equipment are erected to conform with Landscape Structures' installation instructions and maintained according to the maintenance procedures furnished by Landscape Structures Inc.

2019 Play Equipment Warranty

You have our word.

All the warranties commence on date of Manufacturer's invoice. Should any failure to conform to the above express warranties appear within the applicable warranty period, Manufacturer shall, upon being notified in writing promptly after discovery of the defect and within the applicable warranty period, correct such nonconformity either by repairing any defective part or parts, or by making available a replacement part within 60 days of written notification. Manufacturer shall deliver the repaired or replacement part or parts to the site free of charge, but will not be responsible for providing labor or the cost of labor for the removal of the defective part or parts, the installation of any replacement part or parts or for disposal costs of any part or parts. Replacement parts will be warranted for the balance of the original warranty.

THIS WARRANTY IS EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES, WHETHER EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY WARRANTY OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE.

The remedies hereby provided shall be the exclusive and sole remedies of the purchaser. Manufacturer shall not be liable for any direct, indirect, special, incidental or consequential damages.

Manufacturer neither assumes nor authorizes any employee, representative or any other person to assume for Manufacturer any other liability in connection with the sale or use of the structures sold, and there are no oral agreements or warranties collateral to or affecting this agreement. The warranties stated above are valid only if the structures and/or equipment are erected in conformance with Landscape Structures' installation instructions and maintained according to the maintenance procedures furnished by Landscape Structures Inc.; have been subjected to normal use for the purpose for which the goods were designed; have not been exposed to saltwater or salt spray; have not been subject to misuse, negligence, vandalism, or accident; have not been subjected to addition or substitution of parts; and have not been modified, altered, or repaired by persons other than Manufacturer or Manufacturer's designees in any respect which, in the judgement of Manufacturer, affects the condition or operation of the structures.

Terms of Sale

PRICING: Landscape Structures' list prices do not include delivery and handling charges. Prices are subject to change without notice.

TERMS: To tax-supported institutions and those with established credit: net 30 days from the date of the invoice. 1.5% per month thereafter; freight charges are prepaid and applied to the invoice.

TAXES: Landscape Structures' list prices do not include applicable taxes, if any.

WEIGHTS: Weights are approximate and may vary.

DELIVERY: If delivery of the equipment is by common carrier, and there is damage or a shortage, notify the carrier at once and sign delivery documents provided by the carrier noting the damage or shortage. Most products are delivered on large pallets and will require a forklift or similar equipment to unload as a unit on the site.

INSTALLATION: All playstructures and/or equipment are delivered unassembled and packaged with recyclable materials. For a list of factory-certified installers in your area, please contact your Landscape Structures playground consultant.

SERVICE: We have knowledgeable, qualified playground consultants throughout the world who are available to help you before, during and after the sale. Landscape Structures has exclusive design software that features all of our parts and pieces in pull-down menus. With this software, your playground consultant can design a playground layout that meets not only your needs, but ASTM and CPSC standards as well. In addition, we have a full staff of NPSI-certified designers, along with 2D and 3D drawing capabilities and custom capabilities to assist you with your playground plans.

RETURN POLICY: As an indication of our commitment to our customers, Landscape Structures will accept returns of new structures and/or new equipment purchased within 60 days of the original invoice date. Advance notification is necessary to ensure proper credit. Parts not included in this return policy are custom parts (including PlayShaper® posts), as well as used or damaged parts. A 20% restock fee plus all return freight charges will apply to all product returns. NOTE: All parts are subject to inspection upon return. Parts returned damaged may not receive a full credit. For this reason, it is important that all returned parts are properly packaged to prevent damage while in transit.

PRODUCT CHANGES: Because of our commitment to safety, innovation, and value, we reserve the right to change specifications at any time.

Landscape Structures Inc. ("Manufacturer") warrants that all equipment sold will conform in kind and in quality to the specifications manual for the products identified in the Acknowledgment of Order and will be free of defects in manufacturing and material. Manufacturer further warrants:

20-Year Limited Warranty On all SkyWays® and CoolToppers® steel components against structural failure due to material or manufacturing defects.

10-Year Limited Warranty On SkyWays® and CoolToppers® fabric and thread against failure from significant fading, deterioration, breakdown, mildew, outdoor heat, cold or discoloration. This warranty is limited to the design loads as stated in the manual. Should the fabric need to be replaced under the warranty, Manufacturer will manufacture and ship a new fabric at no charge for the first 6 years, thereafter pro-rated at 18% per annum over the last 4 years. This warranty applies to standard colors only.

3-Year Limited Warranty On all other parts, including Rapid Release®, against failure due to corrosion/natural deterioration or manufacturing defects.

The environment near a saltwater coast can be extremely corrosive. Some corrosion and/or deterioration is considered "normal wear" in this environment. Product installed within 500 yards (457 meters) of a saltwater shoreline will only be covered for half the period of the standard product warranty, up to a maximum of five years, for defects caused by corrosion. Products installed in direct contact with saltwater or that are subjected to salt spray are not covered by the standard warranty for any defects caused by corrosion.

This warranty does not include any cosmetic issues or wear and tear from normal use of the product, or misuse or abuse of the product. It is valid only if the equipment is erected to conform with Landscape Structures' installation instructions and maintained according to the maintenance procedures furnished by Landscape Structures Inc. Maintenance is particularly critical in regions where dirt and/or sand may cause abrasion of the fabric.

This warranty is void if conditions exceed local building codes.

2019 SkyWays® and CoolToppers® Shade Warranty

You have our word.

All the warranties commence on date of Manufacturer's invoice. Should any failure to conform to the above express warranties appear within the applicable warranty period, Manufacturer shall, upon being notified in writing promptly after discovery of the defect and within the applicable warranty period, correct such nonconformity either by repairing any defective part or parts, or by making available a replacement part within 60 days of written notification. Manufacturer shall deliver the repaired or replacement part or parts to the site free of charge, but will not be responsible for providing labor or the cost of labor for the removal of the defective part or parts, the installation of any replacement part or parts or for disposal costs of any part or parts. Replacement parts will be warranted for the balance of the original warranty.

THIS WARRANTY IS EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES, WHETHER EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY WARRANTY OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE.

The remedies hereby provided shall be the exclusive and sole remedies of the purchaser. Manufacturer shall not be liable for any direct, indirect, special, incidental or consequential damages.

Manufacturer neither assumes nor authorizes any employee, representative or any other person to assume for Manufacturer any other liability in connection with the sale or use of the structures sold, and there are no oral agreements or warranties collateral to or affecting this agreement. The warranties stated above are valid only if the structures and/or equipment are erected in conformance with Landscape Structures' installation instructions and maintained according to the maintenance procedures furnished by Landscape Structures Inc.; have been subjected to normal use for the purpose for which the goods were designed; have not been exposed to saltwater or salt spray; have not been subject to misuse, negligence, vandalism, or accident; have not been subjected to addition or substitution of parts; and have not been modified, altered, or repaired by persons other than Manufacturer or Manufacturer's designees in any respect which, in the judgement of Manufacturer, affects the condition or operation of the structures.

NFSG Job No.: 16-xxxx-NFSS
Customer: 0
Date of Completion:

No Fault Sport Group, LLC ("NFSG") warrants to the original purchaser (established as "Customer" above) that the No Fault Safety Surface ("NFSS"), installed under the above referenced Project, will conform to the NFSS specifications and remain free from defects in materials and workmanship for a period of five (5) years, per the terms and conditions provided herein. This limited warranty is expressly made in lieu of any other warranties and is exclusive to the original Customer.

This limited warranty shall provide for repairs or replacement of any defective materials or workmanship in the surface area(s) that fail during the warranty period. This warranty shall commence on the date of substantial completion (as established above) and shall provide for one hundred (100%) of the cost to repair or replace the failed area(s) for a period of one year. Thereafter, the warranty covers eighty percent (80%) of the cost to repair the affected areas from the first anniversary of substantial completion until the second anniversary of substantial completion. Thereafter, the warranty covers sixty percent (60%) of the cost to repair the affected areas from the second anniversary of substantial completion until the third anniversary of substantial completion. Thereafter, the warranty covers forty percent (40%) of the cost to repair the affected areas from the third anniversary of substantial completion until the fourth anniversary of substantial completion. Thereafter, the warranty covers twenty percent (20%) of the cost to repair the affected areas from the fourth anniversary of substantial completion until the fifth anniversary of substantial completion, at which date NFSG's obligations under this warranty are terminated.

All warranty claims shall be made in writing to NFSG within thirty (30) days of the Customer's knowledge thereof. The written notification from the Customer shall include the following: the date of the first notice of the failure, details of the failure, photos of the failed area and a request for a warranty claim meeting with NFSG at the installation site (if applicable). NFSG shall determine the validity of all claims after sufficient evidence has been gathered. NFSG shall then replace, repair, or make a refund for any claims validated by it. Any refund, credit or allowance provided to the Customer on a warranty claim is exercisable only if said allowance is used to accommodate replacement with NFSG's then current surfacing system. NFSG's liability for warranty claims shall in no event exceed the cost of repair or replacement of such area(s) that have failed. Customer agrees that in no event shall NFSG have any liability to Customer for loss of use or loss of profits or any form of consequential damages.

Any dispute as to whether and to what extent there is a NFSS failure and subsequent valid warranty claim within the meaning of this warranty shall be initially dealt with by joint investigation and discussion between NFSG and Customer in order to achieve a mutually agreeable solution. If a solution cannot be reached within thirty (30) days, then either the Customer or NFSG may submit the matter to an accredited arbitrator who is a member of the American Arbitration Association and who shall make a determination in accordance with the rules and regulation of the American Arbitration Association. The decision of the Arbitrator shall be binding on both parties.

This warranty does not include normal wear and tear, discoloration or fading as a result of ultraviolet rays, shrinkage (which is an inherent characteristic of elastic rubber), any damages to the surface during the curing period, or improper sub-base design or construction, including but not limited to surface cracking along expansion joints or separating from an adjacent border, curb, walkway, or existing surface. If the underlying sub-base materials fail for any reason whatsoever (including hydrostatic pressure, cracking, shifting, heaving), then NFSG's warranty shall be rendered invalid.

NFSG is under no obligation or responsibility to repair and/or replace the NFSS product if damaged by lawn and landscaping equipment; vehicular traffic; vandalism (including burns, cuts, gouges, etc.); product misuse, abuse or alteration; improper drainage; improper or lack of maintenance; any foreign residue that may be deposited on the surface; any foreign matter from surrounding areas (i.e. any substance other than those indicated on NFSG's MSDS sheets) that may be siphoned through, migrated in, lodged in and/or harden the surface; sharp objects (high heels, spikes, etc.); use of unapproved cleaning materials; or acts of God.

Specifically regarding Underwater, Water Play, and Pool-deck applications, foreign or excessive chemicals in the water can cause potential damage to the NFSS product resulting in fading, chalking, bleeding, and/or degradation. Pool chemicals and water treatments such as "Ozone" and chlorine levels with a ppm of greater than 3 will harm and degrade the NFSS. NFSG will not warrant the NFSS product when foreign or excessive chemicals are used in or around the surface installation. NFSG will not warrant against mold or mildew caused by improper drainage and/or improper sloping around the pool area, sauna area, steam area or shower area. Recommended minimum slope for positive drainage is 2% for areas over 2000 SF.

Customer acknowledges that the limited warranty will be voided if the Customer fails to follow the NFSS Maintenance Guidelines (attached hereto); keep maintenance and impact attenuation testing records; or fails to make payment in a timely manner as per the terms and conditions of the agreed contract. Customer also acknowledges and agrees that it will not, under any circumstance, make alterations to the NFSS product without the written authorization of NFSG. Any unauthorized alteration by the Customer could result in the termination of any existing warranty for the NFSS and shall also give rise to the duty of the Customer to hold harmless, defend and indemnify NFSG from any claim, suit or cause of action, personal injury, death, or property damage arising out of or related to said alteration.

WARNING: Surface areas can become extremely hot due to exposure of direct sunlight. Shoes and/or socks must be worn at all times. Customer is responsible for proper supervision of children when in contact with the surface. In addition, warning signs are recommended to be posted in all areas to prevent small children from touching or crawling on to surface areas that may be hot due to extended sun exposure in excessive temperatures. During winter and/or seasons when temperatures fall below 32°F, the impact attenuation performance of the NFSS system can be compromised. In this case, it is recommended to discontinue use until surface is no longer frozen. No Fault Sport Group assumes no liability to such exposure of surfacing temperature as this should be monitored prior to use of surfacing. No Fault Sport Group also assumes no liability to the expansion and contraction of the surfacing during freeze/thaw events.

NO REPRESENTATIVE OF THE SELLER HAS AUTHORITY TO MAKE ANY REPRESENTATION OR PROMISES EXCEPT AS STATED HEREIN. THERE ARE NO WARRANTIES EITHER EXPRESSED OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE THAT EXTEND BEYOND THE WARRANTIES CONTAINED IN THIS DOCUMENT. TotTurf® Limited Warranty

Issued to:

~~(Franklin Academy Sunrise)~~

Robertson Industries, Inc. warrants that its TotTurf® safety surfacing installed at Franklin Academy Sunrise shall be free of defects in workmanship and materials for a period of 5 years limited, from July 28, 2015, provided that the surfacing is installed by Robertson Industries, Inc. This warranty includes unreasonable rubber deterioration (limited color fade), and surface brittleness resulting in cracking.

THE WARRANTY CONTAINED HERE IS EXPRESSLY IN LIEU OF (AND PURCHASER HEREBY WAIVES) ALL OTHER WARRANTIES, EXPRESSED, STATUTORY, OR IMPLIED IN FACT OR BY LAW, INCLUDING MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. PURCHASER FURTHER AGREES THAT IN NO EVENT SHALL ROBERTSON INDUSTRIES, INC. ON ANY CLAIM OF ANY KIND HAVE ANY LIABILITY TO BUYER FOR LOSS OF USE, LOSS OF PROFITS OR FOR ANY INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES.

The Purchaser and Robertson Industries, Inc. expressly agree that the remedies provided in this warranty are in lieu of all other remedies against Robertson Industries, Inc. which Purchaser might otherwise have, to include but not limited to, consequential damages, direct damages, and indirect damages, and further that Robertson Industries, Inc. sole obligations hereunder are limited to the repair or replacement of defective material. If the same material is not available Robertson Industries, Inc. reserves the right to supply material of a similar grade, color and quality. Unless reasonable written notice is provided to Robertson Industries, Inc., by purchaser of a warranty claim all claims shall be barred. Reasonable notice is defined as written notice received thirty (30) days from the date the defect was either discovered or should have been discovered with reasonable diligence.

THE WARRANTY DOES NOT COVER DAMAGE DURING THE CURING PROCESS (Unless specified per contract), SHRINKING OF LESS THAN 3/8", SLIGHT COLOR VARIATIONS INCLUDING AMBERING, COLOR FADING, DAMAGE DUE TO STAINS, BURNS, CUTS, GOUGES, AND INDENTATIONS CAUSED BY UNUSUAL USE, PROBLEMS CAUSED BY MOISTURE, ALKALI, HYDROSTATIC PRESSURE, CRACKING, SHIFTING OR LIFTING OF THE SUBSTRATE OVER WHICH THE SURFACING PRODUCT HAS BEEN INSTALLED. DAMAGE FROM VANDALISM AND EXCESSIVE WEAR AND TEAR EXCLUDED. THIS WARRANTY EXCLUDES TRANSFER STATION, SWINGS AND SLIDE EXITS.

MUST APPLY URETHANE TOP COAT (TOTTURF APPROVED) EVERY 18 MONTHS AND SUPPLY DOCUMENTATION for Warranty Validation.

Why TotTurf® is the *Right Choice* for Your Playground Needs

1. We've been making playgrounds safe and accessible since 1991 with TotTurf, our rubberized playground surfacing, and we have been rewarded with a reputation for excellence. Why choose any other product?
2. We use only the highest quality raw materials, produced to our specifications, by the best vendors in the rubber industry.
3. We install our own product. Our installation professionals are company trained and average three or more years of experience. We do not subcontract, certify, franchise, or in any other way allow others to install TotTurf.
4. All of our sales and management staff are Certified Playground Safety Inspectors through the National Playground Safety Institute.
5. Our prices are competitive.
6. We offer "Robbie," a customized maintenance program designed to help extend the life of your surfacing.
7. We are committed to your satisfaction.
8. We honor our warranty commitments.
9. We are the only surfacing company that provides Talkin' TotTurf, a device that makes your surfacing interactive with children's play.
10. Overall, we provide better quality and services because of our dedication, experience and commitment to our customers. We take pride in the safety and play quality we provide for the thousands of children who play on our surfaces daily. We embrace the fact that our success depends on your satisfaction.

Safety surfacing is a major investment in your playground and risk management programs. Don't settle for low quality materials and craftsmanship. Purchase a proven product.

Routine Maintenance Poured-in-Place

Because poured-in-place surfacing has many positive inherent features if installed correctly at the proper critical depth for the play equipment, it is important to keep it as near to installation quality as possible. These positive features may include proper, continuous impact attenuation; a level, accessible, firm, stable, and slip-resistant surface; proper porosity or drainage provisions; attractive surface color combinations, patterns and designs; and long-term durability.

The presence of foreign objects and deposits can quickly diminish these qualities. These include a wide range of items, from sand, dirt, and stones to leaves, tree sap, chewing gum, bird droppings, urine and blood, scuff marks, tar, and common park maintenance products such as gasoline or grease. The longer these items are left on the surfacing, the more damage they cause, so prompt maintenance is important.

Principal key to effective poured-in-place surface maintenance: Keep Loose Debris Off

Loose debris such as sand, dirt, and small stones on top of unitary surfacing can reproduce slip hazards. In addition, fine particles can accumulate in porous openings and clog important drainage features of some surfaces, as can matting materials such as leaf litter. These particles can also be abrasive; they accelerate wear and shorten surface life. It is recommended that a regular periodic removal of this loose debris be done. It is best to vacuum porous surfaces to clear the permeable openings as well as removing top litter, but blowing can also be an effective means of achieving this. Dry sweeping or scrubbing will remove the loose litter, but can force more fine particles into porous openings of some surfaces. This should be done at least every two-three weeks, but may be necessary more often if conditions warrant.

A basic routine maintenance equipment and supply kit for poured-in-place surfaces

Maintenance divisions with several playgrounds that have unitary surfaces may find it useful to establish a standard routine maintenance kit for these areas. Here is a recommended list of equipment and supplies for such a kit:

- Lawn vacuum or blower for porous surfaces or soft-bristle push broom for non-porous surfaces
- Disposable rags
- Disposable gloves
- 2 cleaning and rinsing buckets
- 2 small reusable pump spray containers (for vinegar and hydrogen peroxide)
- Aerosol spray cleaner (Formula 409™ has been highly recommended)
- Orange oil cleaner
- Liquid detergent
- Powder cleaning compound (Borax™ has been highly recommended)
- STPP (Sodium Tripolyphosphate)
- White Vinegar (5% acid; available at grocery stores)
- Hydrogen Peroxide (3% solution; available at drug stores)
- Paste or powder cleanser (Goop™ and Bon Ami™ have been highly recommended)

It is important that the maintenance division obtains the MSDS for each of these chemical products from the manufacturer, includes them in all chemical in-service training, and has them on file for future reference. The quantities of these cleaning products will depend upon the amount of unitary surfacing to be maintained.

Use the right cleaner for problem deposits

Elbow grease is always useful, but it helps to use the right cleaner to remove problem deposits or spills on unitary surfacing. Briefly, here's what is recommended for the following problems on unitary surfacing:

Bird droppings or other excrement: Do not attempt to loosen any dry excrement that is stuck to the surfacing; this could cause disease-causing fungus in the deposition to become air-borne. Wear disposable gloves. Remove any loose excrement. Scrub deposits with dampened Bon Ami™, Borax™ or STPP and then wash with a Borax™ or STPP solution. Soak up residue with disposable rags. Disinfect by spraying on hydrogen peroxide and let stand for at least two minutes, then spraying again with vinegar and let stand for at least two minutes. (Do not mix these together; spray separately for best results.) Soak up residue with disposable rags. Double rinse with clean water.

Robertson Recreational Surfaces

Blood Wear disposable gloves. Remove and disinfect by spraying on hydrogen peroxide and let stand for at least two minutes, then spraying again with vinegar and let stand for an additional two minutes. Soak up residue with disposable rags. Double rinse with clean water.

Chewing gum: Apply dry ice (regular ice isn't as effective) to freeze the gum and chip it from the surface and remove it.

Gasoline: Wash with a detergent and water. Soak up with disposable rags. Double rinse with clean water.

Grass stains: Apply orange oil cleaner. Work in and soak up with disposable rags. Double rinse with clean water.

Moss / Algae / Mildew / Mold: Saturate with hydrogen peroxide and let stand for at least five minutes. Repeat using vinegar. Soak up with disposable rags. Double rinse with clean water.

Scuff marks. Scrub with dampened Bon Ami™, Borax™, or STPP. Double rinse with clean water.

Soda or juice: Saturate with Formula 407™. Work in and soak up with disposable rags. Then wash with a liquid detergent, Borax™ or STPP solution. Double rinse with clean water.

Tar / crayon / lipstick / tree sap / motor oil / grease. Apply one or more of the following: orange oil cleaner, Goo™, or Formula 407™. Work in and soak up with disposable rags. Then scrub with dampened Bon Ami™, Borax™ or STPP. Double rinse with clean water.

Urine / vomit / nasal discharge: Wear disposable gloves. Wash with a Borax™ or STPP solution. Soak up residue with disposable rags. Disinfect by spraying on hydrogen peroxide and let stand for at least two minutes, then spraying again with vinegar and let stand for an additional two minutes. (Do not mix these together; spray separately for best results.) Soak up residue with disposable rags. Double rinse with clean water.

Avoid harmful solvents and cleaning products

The following are effective cleaning agents but they are not recommended on most unitary safety surfaces. They may be detrimental to the surfacing because, over time, they could break down the polyurethane binding component and may lead to de-plasticization of the EPDM rubber. Most are not environmentally friendly. Some also change the appearance of the cleaned area compared to the rest of the surface, or make the surface very slippery:

Maintenance for Snow and Ice Conditions

(added January 1, 2003 by Robertson Industries, Inc.)

To remove ice or snow, Calcium Chloride is an acceptable solution. Please follow the manufacturer's instructions for proper use.

The information provided here is condensed from *Maintaining Safe Play*, the course manual of the new NPSI Playground Maintenance Service Program. Course availability, locations, and schedules will be posted later this fall on the NRPA website www.nrpa.org under "Education/training".

Robbie Maintenance Program

Description	Application	Value
Roll Coat	Rolled application, using an aliphatic based urethane. Recommended for use every 12-18 months.	This revolutionary system is rolled on clear, is quick to dry, and we can cover larger areas in the same amount of time as a typical installation. Top layer of pad will be rejuvenated helping to protect you from costly future repairs. Also helps to prevent holes, cracks and aranulation.
Design, Repair and Spray Coat	Choose from a variety of shapes and colors to repair holes or tears in the surface.	Instead of installing an entirely new surface, we can easily fix the problem with a fun shape or design.
Re-Top	Damaged rubber is removed and new wear course granules are placed directly over the existing surface.	Cost effective method of repairing the safety surface without needing a complete replacement of the wear course and cushion I
Demolish and Repair	Required when the surface is old and worn out, not had quality maintenance care, or was not installed properly.	This option is for pads that need to be completely replaced. Existing surfaces are replaced with new cushion and wear course materials.
TotTurf Repair Kit	Repair kit includes wear course granules, urethane, a trowel and instructions.	A repair kit is for small, simple repairs allowing the customer to fix the damaged area themselves. Repair kits are shipped directly from our Service Centers to your faci

A Poured in Place surface does need routine maintenance to keep it in excellent condition. We want to help you do that which is why we have created the Robbie Maintenance Program. One Year Limited Warranty on Installation

Robertson Recreational Surfaces warrants the installation for a period of ONE (1) year from the date of synthetic turf install. This limited warranty includes the base (if applicable) installed by Robertson. If Sub-Base issues occur such as: sink holes, not properly filled fence post holes or playground poles, or sprinkler systems issues, this is the responsibility of the owner.

8 YEAR TURF MANUFACTURER'S LIMITED WARRANTY

WARRANTIES, TERMS AND CONDITIONS

Manufacturer warrants to the Ultimate Consumer/Owner that its products are guaranteed against all defects in workmanship for a period of 8 years from the date of installation. Manufacturer further warrants that its product is guaranteed not to exhibit UV degradation or loss of tensile strength greater than 50 percent during said time period, and further guarantees that its product will not have a pile height decrease in excess of fifty percent (50%) as a result of normal wear and tear with properly maintained infill levels as required. API Standards related to pile fiber height shall be established pursuant to ASTM Test D5823.

The life expectancy of artificial grass is dependent on the intensity of use, as well as local climatic conditions. The more a product is being used and the harsher the climate, the quicker its lifetime will pass. The intensity of use is a combination of several factors including the usage in hours per day, the number of people that sport or play (simultaneously) on the pitch, the type of sport or play and the type of footwear that is used.

For Care and Maintenance see the Synthetic Turf Council Maintenance Manual at www.syntheticurfCouncil.org.

LIMITATIONS ON WARRANTY

While Robertson Recreational Surfaces Installs products manufactured by vendors that use current manufacturing techniques, fibers, and other component materials appropriate to the production of artificial turf and related components, this warranty is subject to limitations and conditions set forth below for the products supplied by the manufacturer. Contractors and owners must take special consideration to onsite exclusions that fall outside the warranty; section IV, including installation of turf and substructures. Please refer to the limitations and exclusions that void the warranty in sections 2, 4, 5, and 6.

1. Conditions Precedent to Manufacturer Honoring Any Claim under Warranty.

NOTICE

- A. If an observable manufacturing defect appears in the product at the time of delivery or prior to or during installation, including but not limited to tears, rips, holes, fabric distortion, color mismatch, the manufacturer must be notified immediately and installation should cease. For any such defect occasioned by the manufacturing process, Manufacturer will authorize a return of uninstalled, non-complying product and replace the same as soon as practicable, or make right at the manufacturer's choice. For damages occasioned in transit or by others, see section 6F.
- B. In the event of any latent or hidden defect which shall appear after installation at any time during the eight year warranty period, Manufacturer should be notified and shall have thirty (30) days to inspect and test the product, and at its sole option upon acceptance of responsibility for a claim under this warranty, shall repair, replace or adjust subject to the terms set forth below.

Should the Manufacturer elect to adjust the claim, the Manufacturer will pay to the Ultimate Consumer/Owner one hundred percent (100%) of the wholesale cost of replacement turf fabric at any time a notice of claim has been received and accepted during the first year of use, and remaining repair or replacement requests are based on normal wear and tear over the life of the warranty.

2. Additional Terms and Limitations of Warranty.

- A. Except as provided in the paragraphs below (Sections 2B, 2C and 2D), the Manufacturer warrants to the Ultimate Consumer/Owner that any of Manufacturer's first quality goods will be merchantable, and that any of Manufacturer's first quality goods will conform to the specifications of those goods as set forth in Manufacturer's PRODUCT SPECIFICATION SHEET on file at Manufacturer's corporate office available to Ultimate Consumer/Owner upon request. Any specifications set forth shall be subject to change as to future orders. Request for specification sheet should be made by Retailer, Contractor or Installer on behalf of Ultimate Consumer/Owner to Manufacturer for each order presented. THE EXPRESS WARRANTIES CONTAINED IN THIS DOCUMENT ARE IN LIEU OF ANY IMPLIED WARRANTIES OF MERCHANTABILITY, USE AND FITNESS FOR ANY PARTICULAR PURPOSE SOLD AS BETWEEN MANUFACTURER AND ULTIMATE CONSUMER/OWNER. THERE ARE NO WARRANTIES THAT EXTEND BEYOND THE TERMS HEREOF.

- B. IF ANY LANGUAGE ON THE FACE OF THE INVOICE INDICATES THAT THE GOODS DESCRIBED THEREON ARE SECONDS, OFF GOODS, OFF QUALITY, DISCOUNTS, ETC. THEN THE MANUFACTURER SPECIFICALLY EXCLUDES ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR THE PURPOSE FOR WHICH THE GOODS ARE INTENDED, AND EXCLUDES ALL IMPLIED WARRANTIES OF ANY KIND ARISING IN ANY WAY FROM A COURSE OF DEALING OR USAGE OF TRADE, SAID GOODS BEING SOLD "AS IS".
- C. If the goods ordered by the Ultimate Consumer/Owner are sold "as per sample" or manufactured to specifications provided to the Manufacturer by others, Manufacturer warrants only that the goods will meet the sample standard or the specifications provided. IN SUCH EVENT, THE MANUFACTURER UNDERTAKES NO RESPONSIBILITY FOR THE GOODS EXCEPT WITH RESPECT TO DEFECTS WHICH MAY OCCUR AS A DIRECT RESULT OF ITS MANUFACTURING PROCESS. ADDITIONALLY, THE MANUFACTURER ASSUMES NO RESPONSIBILITY THAT THE GOODS WILL BE FIT FOR ANY PARTICULAR PURPOSE INTENDED, OR WILL OTHERWISE BE MERCHANTABILITY OR FIT FOR ANY PARTICULAR USE. ULTIMATE CONSUMER/ OWNER SHALL LOOK SOLELY TO THAT ENTITY WHICH DESIGNED AND/OR INSTALLED, AND/OR PROVIDED SPECIFICATIONS OR COMPONENT PRODUCTS TO THE MANUFACTURER OUT OF WHICH ANY CLAIM MAY ARISE. MANUFACTURER SHALL BE RESPONSIBLE ONLY FOR COMPLYING WITH SPECIFICATIONS IN ULTIMATE CONSUMER/OWNER'S ORDER.
- D. Manufacturer's warranty extends only to the Ultimate Consumer/Owner, and shall not extend to any contractor, retailer or installer. Contractor, retailer or installer shall have no authority to make representations to the Ultimate Consumer/Owner on behalf of the Manufacturer. See also, Georgia law provisions in Section 9 hereof.
- E. The contractor, and/or installer who sells or installs the Manufacturer's product shall be required to deliver this warranty to the Ultimate Consumer/Owner. The Ultimate Consumer/Owner may obtain a copy of this warranty from the Manufacturer upon request. The contractor and installer assume all responsibility to the Ultimate Consumer/Owner in the event of failure of delivery of this warranty to the Ultimate Consumer/Owner or for any loss to Ultimate Consumer/Owner caused by their acts, omissions or representations. If the name and address of the Ultimate Consumer/Owner are made known to the Manufacturer by the retailer, contractor and installer, the Manufacturer will provide a copy of this warranty to the Ultimate Consumer/Owner at the address provided.

- F. In no event will Manufacturer be liable for any consequential damages, lost profits, lost revenue, loss of use, the labor cost of removal, the labor cost of replacement of its product, or freight. In no event shall the maximum of Manufacturer's liability exceed the wholesale purchase price of its product, less time use adjustments described herein.
- G. Manufacturer is not liable for ANY OTHER WARRANTIES. The warranty provided herein is the sole and exclusive manufacturer's warranty.

3. Additional Warranties.

- A. To the maximum extent permitted by law, Manufacturer assigns to the Ultimate Consumer/Owner, without recourse, any and all warranties provided to it by component manufacturers, including but not limited to, fibers, primary backing, secondary backing, and adhesives received from the manufacturer.
- B. All goods will be produced under terms and conditions which satisfy the requirements of the Fair Labor Standards Act of 1938, as amended.
- C. Seller warrants that all goods supplied hereunder destined for use in the Dominion of Canada conform to the specifications of Section Eight of the Hazardous Products Act.
- D. Buyer and Seller agree that goods are destined for use in any country other than Canada or the United States, that this contract has been made in the United States, and are to be governed by the Uniform Commercial Code and Georgia law.

4. Conditions Which Will Void Manufacturer's Warranty.

- A. Failure to follow notice and claims procedure set forth above, paragraphs 1A and B.
- B. IMPROPER TURF INSTALLATION:
Installation is a critical element in providing the Ultimate Consumer/Owner with a serviceable playing field which will last and perform well. Manufacturer recommends that the Ultimate Consumer/Owner or the contractor/retailer, engage professional assistance to test and examine the base and the fines for suitability of installation, drainage and compaction, and that the Ultimate Consumer/Owner, contractor or retailer select a

competent, experienced and responsible installer and carefully inspect the installer's work in terms of seaming, application and quantity of adhesives, application and quantity of in-fill at the time of installation. Do not install in extremes of weather, heat in extreme temperatures, cold below 40 degrees, or in conditions of ice, snow, rain or high wind. Use only approved adhesives which have not been exposed to extremes of temperature in shipment and storage, and which are freshly made and properly blended in original containers. Do not use old, left over or salvaged adhesives. Regardless of the quality of the field, it will not be serviceable if it is improperly installed.

C. IMPROPER INFILL:

As referred to herein, improper installation shall include, but shall not be limited to, failure to distribute and maintain in-fill products at the correct in-fill level per specification and ASTM F 1936.

D. IMPROPER SUB STRUCTURES:

Inadequate design or failure of sub-base which may cause wear and drainage issues, and specific installation defects which are agreed do not constitute manufacturing defects under the control of the Manufacturer, including failure of seams, inlaid lines and other field markings (factory manufactured logos excepted unless altered on job site), failure of adhesion of fabric to subsurface, buckling resulting from installation or thermal expansion and contraction, inadequate in-fill, and slow percolation rates.

5. Limitations on Warranty Repairs.

A. Authorized repairs do not extend or reset the manufacturer's warranty.

B. Unauthorized repair techniques may cause further damage to product and void warranty.

6. Miscellaneous Limitations and Exclusions.

A. Use of improper cleaning materials or maintenance methods which will degrade fabric or fabric color.

B. Use of acid, chemicals, herbicides or pesticides which will degrade fabric or fabric color.

C. Excessive static or dynamic loads which will crush or compact the fabric and in-fill, specifically including but not limited to such items as operation of vehicles, rollers, wagons, carts, horses and livestock on the surface of the field.

D. High traffic areas on baseball fields and in batting cages are susceptible to excessive wear if footwear is used that have metal cleats, spikes or similar projections other than conventional rubber-knob cleats designed for football, soccer or baseball which do not exceed ½ inch in length. High Wear includes pitcher's areas, fungo areas, batter's boxes or any section of turf where excessive traffic is in concentrated areas.

E. Application of excessive heat from various heat sources, field heaters, or other secondary reflective devices.

F. Transit Damages:
Merchandise damages in transit from Manufacturer should not be returned to the point of origin. All claims for transit damage should be made against the carrier.

Manufacturer is not responsible for damage in transit. This includes, but is not limited to rips, tears and/or any damage that results from jamming of product into freight containers or stacking the product higher than three (3) rolls high, which results in crushing or degradation of seam areas. Likewise, core damage is not the Manufacturer's responsibility. Claims for core damage must be made against the carrier.

G. Manufacturer and Ultimate Consumer/Owner agree that the following do not constitute manufacturing defects: Soiling, mold, mildew, extrinsic staining, extrinsic water marks, pile crushing, fuzzing, pitting, shedding, damage due to excessive brushing, any form of post-installation abuse not specified herein, and shading which results from different dye lots not called to the Manufacturer's attention prior to installation.

H. Appropriate footwear should be used. This means that the players should wear studded sole shoes or other "turf" appropriate footwear.

Using shoes with flat soles or other inappropriate footwear will accelerate the wear of the artificial grass field drastically.

I. Concentrated high wear areas identified as likely candidates for repair excluded from warranty provisions include, but not limited to, goal areas, penalty kicks, batters boxes, drill areas, under swings, at the end of slide exits, around transfer stations or any areas of concentrated use that could attribute to abnormal wear and tear.

J. Repair, removal or alteration for repair of the field or subsurface without prior written consent of the Manufacturer.

K. We cannot guarantee matching dye lots for repairs done after installation/usage. Matching dye lots may no longer be

available after installation/usage. It is recommended that the Ultimate Consumer/Owner purchase additional turf for attic stock to be used for any minor repairs due to normal wear and tear.

7. Arbitration.

In the event of any dispute arising under this contract, the parties agree to binding arbitration by a single, independent, experienced, commercial arbitrator appointed by Judicial Arbitration & Mediation Services, Inc. ("JAMS"), One Atlantic Center, Suite 2650, Atlanta, Georgia, 30309, to be held at JAMS' offices in Atlanta, Georgia, or at the JAMS office closest to the site of installation, as agreed upon by the parties in writing. For information, please see www.jamsadr.com for a complete list of locations. Should arbitration occur, the parties will equally share the arbitrator's fees and expenses.

8. Entirety, Modification and Waiver.

- A. No terms, prices or conditions other than those stated in this document, and no agreement or understanding in any way modifying the terms and conditions herein stated shall be binding on the Manufacturer, except if such modifications are made in writing on Manufacturer's stationary and signed by an officer of Manufacturer.
- B. No modification or waiver of the terms and conditions contained herein shall be deemed affected by the Ultimate Consumer/Owner's documents containing other or different terms. Acceptance by the Manufacturer of any order from the Ultimate Consumer/Owner is expressly limited to the terms and conditions contained herein. In the event Manufacturer shall be deemed to have accepted Ultimate Consumer/Owner's order, then the Ultimate Consumer/Owner's order is expressly conditioned to the Ultimate Consumer/Owner's assent to the terms and conditions hereof. No gratuitous accommodation by Manufacturer shall waive Manufacturer's rights to insist upon the terms hereof.

9. Georgia Law

Regardless of appropriate jurisdiction or venue, Manufacturer, and as appropriate, retailer, contractor and Ultimate Consumer/Owner agree that any contract resulting from Manufacturer's acceptance of order and any warranties shall be construed and governed exclusively according to the substantive laws of the State of Georgia, the United States of America, including arbitration standards described in the following paragraph, and to be held in Atlanta Georgia, or at the JAMS office closest to the site of installation.

Porter Corp Limited Warranty and Limitations

Porter Corp provides a 10-year pro-rated limited warranty from shipping date with the following limitations. Porter Corp limits its warranty to the supply of materials that will assemble according to sealed engineered drawings and installation instructions, and can be assembled with normal expertise and with tools required and found in the construction trades. It is expressly understood that Porter Corp's liability be limited to repair or replacement of nonconforming material at time of delivery.

Porter Corp does not warrant product for defects caused by erection, harsh site conditions, lack of maintenance, and/or other conditions beyond Porter Corp's control. Porter Corp will not be held responsible for any materials that were not properly stored prior to installation. Porter Corp reserves the right to void the limited warranty if it not installed per the installation instructions and/or unauthorized modifications.

Porter Corp shall not be held liable for field alterations. Porter Corp shall only be liable for meeting the building code indicated on the sealed engineered drawings.

Any replacement part under warranty is warranted for the remaining original warranty period or six (6) months, whichever is longer.

Under certain conditions (snow, wind, and the like), Fabric tops may be required to be taken down. The sealed engineered drawings and installation instructions will need to be referenced for design parameters. Porter Corp shall not be responsible to cover damage caused by failure to remove the top as required.

This Limited Warranty supersedes all other warranties expressed or implied.

The warranty on items not manufactured by Porter Corp (i.e. metal roofing, shingles, wood shelters, fabric and thread as applicable), will be as passed through Porter Corp's supplier as per their warranty; contact Customer Service for this Supplier Warranty.

This Limited Warranty is conditional upon payment in full to Porter Corp within terms. Liability under this Warranty is limited in that it shall not exceed the original sales price of the components as supplied by Porter Corp.

Poli-5000 Paint System 10 Year Limited Warranty for Structural Steel Shelters

This limited warranty is for the factory applied Poli-5000 powder coating. Poli-5000 powder coat paint system by Porter Corp of Holland, Michigan has been applied to steel entirely as an 'in-house' process. Poli-5000 finish has been applied over hot rolled structural steel parts and has been tested to meet or exceed the ASTM Standards illustrated in Figure 1.

This pro-rated limited 10 year warranty is intended to define the obligations and limitations of the purchaser as well as the obligations and limitations of the supplier. This limited warranty is only valid if Porter Corp has been paid in full for the cost of the shelter.

Damage occurring from shipping, erection, vandalism, accidents, or field modifications will require field touch-up immediately and periodically thereafter, which is not covered in this limited warranty.

Exposed nuts and bolts will either be supplied with a light plating or powder coating. It is the responsibility of the contractor to paint and/or touch up the nuts and bolts after erection and these must be maintained by the customer.

The 10-year limited warranty will exclude buildings erected at sites where salt air, corrosive environment, high humidity or sprinkler systems come in contact with the shelter.

Failure to maintain finish system with annual touch-up and documented maintenance procedures will void the limited warranty.

Not covered by this limited warranty are acute angles, end plates, and other accessories that are prone to minor defects on occasions and will require touch-up by owner.

Failure of the coating will be defined when at least 8% of the total coated surface has significant loss of performance or appearance characteristics when compared to the original finish. Rust stains from roof trim, screws, and screw holes do not constitute a failure.

If a claim is made for paint failure a complete document must be provided by the owner. If a site visit is required by Porter Corp the travel expenses will be covered by the customer prior to travel taking place. However, should the failure be determined to be under the limited warranty the customer will be reimbursed for these expenses.

In the case of a failed paint system, Porter Corp will repaint the structure with its best in-house system providing that the owner dismantles the structure and returns it to Porter Corp. Porter Corp will refinish the structure and ship it back to job site at their expense. The refinishing will not extend the original warranty of the paint system. The owner is responsible for erecting the building at their expense. As an alternative, Porter Corp will pay customer up to the cost of the original paint system on a pro-rated basis for time left of the 10 year limited warranty.

VITRITURF

Sample Warranty

Project Name: Main Street USA Playground

Owner:

Location:

City and State: Anytown, USA

Date Installation Completed:

Contractor:

Vitriturf warrants to the owner of the project name described above, subject to the conditions, and limitations stated herein, as follows:

That the Vitriturf System will not lose its bond from approved substrates and that the system will be fade-resistant so long as surface integrity is maintained; and that the system will not crack as a result of normal weather conditions and normal traffic pattern use. This warranty does not cover defects or damage caused by failure of the substrate, vandalism or misuse of the system. This system was developed to provide a resilient monolithic cushioned surface. Any other use of this system not explicitly authorized in writing by the company will not be warranted in any manner whatsoever.

The foregoing warranty shall continue for a period of (based on specification) year(s) commencing with the date of completion of the above stated system. In order to mitigate any warranty defects the owner, within the warranty period, must provide Vitriturf with written notice of any such defects within thirty (30) days of discovery.

The foregoing warranty does not cover defects of damage caused by: (1) structural or design defects; (2) misuse, vandalism, civil disobedience, acts of war; (3) acts of God, including lightning, hurricanes, tornados, earthquakes, fumes, flood, chemical fumes or foreign substances in the atmosphere or by other unusual natural occurrences. The obligations contained hereinto not cover any material used on the system which was not supplied by Vitriturf unless specifically identified above.

Any claim of defect in material in the system must be made in writing to Vitriturf as set forth above within the warranty period. This warranty will not cover damage resulting from the application, repair or subsequent work on the surface without written notice from Vitriturf of the methods and materials to be used and the party who will apply those materials. During the term of the warranty, Vitriturf, its agents, employees, and assigns shall have the right to inspect the system during business hours. If Vitriturf or its agents have not been paid by the contractor or owner for this project, the warranty will be null and void due to lack of consideration; however should payment be made in full with all associated late fees and collection fees and costs, the warranty will remain as previously stated from the date of completion.

Warranty Information

Statement of Limited Warranty for USA SHADE Products

1. The structural integrity of all supplied steel is warranted for ten years.
2. If assembly is provided by the Company, workmanship covering the labor for the removal, assembly, and cost of shipping will be covered for one year.
3. All steel surface finishes are warranted for one year.
4. Shadesure™, Colourshade® FR, Extreme 32™, Commercial 95™, SaFRshade™ and Monotec 370™ fabrics all carry a ten year limited manufacturer's warranty against failure from significant fading, deterioration, breakdown, outdoor heat, cold, or discoloration. Should the fabric need to be replaced under the warranty, the Company will manufacture and ship a new replacement fabric at no charge for the first six years, thereafter pro-rated at 20% per year over the remaining four years. The following are exceptions to the preceding warranty terms:
 - Shadesure™ fabrics in Red, Yellow, Atomic Orange, Electric Purple, Zesty Lime, Cinnamon, Olive, and Mulberry carry a five year pro-rated warranty;
 - Fabrics attached to Coolbrella structures carry a three year warranty;
 - Individual fabric tops measuring greater than 40' in length are covered by a non-prorated five year warranty;
 - Preconstraint 502™ waterproof material is subject to an eight year pro-rated warranty
5. Sewing thread is warranted for ten years.

General Limited Warranty Terms and Conditions

- These limited warranties are effective from the date of sale, or, if assembly is provided by the Company, upon receipt by Company from Purchaser of a completed and signed "Customer Checklist and Sign-off" form.
- In its sole discretion, the Company will repair and/or replace defective structures, products, or workmanship, or refund that portion of the price related to the defective product, labor, or service rendered
- The Company reserves the right, in cases where certain fabric colors have been discontinued, to offer the Purchaser or Owner a choice of available alternative colors to

replace the warranted fabric. The Company does not warranty that any particular color will be available for any period of time, and reserves the right to discontinue any color for any reason, without recourse by the Purchaser or Owner of the discontinued fabric color.

- Should the Purchaser or Owner sell the structures to another party, the warranty cannot be transferred to the new owner without a complete and thorough on-site inspection performed by a Company representative. Please contact the company at warranty@usa-shade.com for more details.
- All warranty claims covering Company-supplied structures, products, and services must be submitted by Purchaser or Owner in writing to the Company within thirty days from the date of discovery of the alleged defect, and must include a detailed description and photographs of the alleged defect or problem. Warranty claims should be submitted by email to: warranty@usa-shade.com.
- Purchaser or Owner agrees that venue for any court action to enforce these limited warranties shall be in the City or County of Dallas in the State of Texas, USA.
- These limited warranties are void if:
 - the supplied structures, products, services and/or labor are not paid for in full;
 - the structures are not assembled in strict compliance with USA SHADE specifications;
 - any changes, modifications, additions, or attachments are made to the structures in any way, without prior written approval from the Company— specifically, no signs, objects, fans, light fixtures, etc. may be hung from the structures, unless specifically engineered by the Company.
- These limited warranties do not cover defects and/or damages caused by:
 - normal wear and tear;
 - misuse, willful, or intentional damage, vandalism, contact with chemicals, cuts, or Acts of God (i.e. tornado, hurricane, micro/macros burst, earthquake, wildfires, etc.);
 - ice, snow, or wind loads in excess of the designed load parameters engineered for the supplied structures;
 - use, maintenance, neglect, repair and/or service inconsistent with the Company's written care and maintenance instructions, provided with the order.
- The limited warranties explicitly exclude:
 - workmanship related to assembly not provided by the Company or its agents;
 - fabric curtains, valances, and flat vertical panels;
 - fabric canopies installed on structures that were not engineered and originally supplied by the Company.
- **THE COMPANY SHALL NOT BE LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, SPECIAL, LIQUIDATED, EXEMPLARY, OR PUNITIVE DAMAGES, OR ANY LOSS OF REVENUE, PROFIT, USE OR GOODWILL, WHETHER BASED UPON CONTRACT, TORT (INCLUDING NEGLIGENCE), OR ANY OTHER LEGAL THEORY, ARISING OUT OF A BREACH OF THIS WARRANTY OR IN CONNECTION WITH THE SALE, INSTALLATION, MAINTENANCE, USE, OPERATION OR REPAIR OF ANY PRODUCT OR SERVICE. IN NO EVENT WILL THE COMPANY BE LIABLE FOR ANY AMOUNT**

GREATER THAN THE PURCHASE PRICE FOR ANY PRODUCT OR SERVICE PROVIDED BY THE COMPANY.

- **THE FOREGOING LIMITED WARRANTY IS THE SOLE AND EXCLUSIVE WARRANTY FOR THE COMPANY'S PRODUCTS AND SERVICES, AND IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, IN LAW OR IN FACT. SELLER SPECIFICALLY DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ALL IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE OR PURPOSE, AND ANY IMPLIED WARRANTIES ARISING OUT OF COURSE OF DEALING OR PERFORMANCE OR TRADE USAGE. PURCHASER, BY ACCEPTANCE AND USE OF THIS LIMITED WARRANTY, WAIVES ANY RIGHTS IT WOULD OTHERWISE HAVE TO CLAIM OR ASSERT THAT THIS LIMITED WARRANTY FAILS OF ITS ESSENTIAL PURPOSE.**
