Recommended Action:

Staff recommends approval of the increase in spending P2025-029 the Delray Beach Police Department's Galls agreement to address the uniform purchasing needs of the Fire Department.

Background:

Galls has been one of the vendors utilized by the Fire Department to provide its employees with uniforms. In an effort to operate in a more efficient manner and not have multiple agreements with the same company for different departments, we are looking to consolidate public safety onto one agreement with Galls.
