

PARKING LICENSE AGREEMENT

THIS PARKING LICENSE AGREEMENT (“Agreement”) is made this ____ day of _____, 2024, by and between the **CITY OF DELRAY BEACH**, a Florida municipal corporation (the “**CITY**”), and **DELRAY TACO, LTD**, a Florida corporation (the “**LICENSEE**”).

WITNESSETH:

WHEREAS, it has been determined that valet parking in commercial areas can reduce issues caused by vehicular traffic; and

WHEREAS, valet parking also increases the number of available parking spaces in the City; and

WHEREAS, providing a process for obtaining a valet parking license enables the City to allow commercial businesses to have valet parking, while being able to monitor its usage; and

WHEREAS, **LICENSEE** has requested permission to use a certain number of public parking spaces on East Atlantic Avenue between SE 1st Avenue and SE 2nd Avenue for valet parking queues; and

WHEREAS, in order to use the parking spaces, the **CITY** requires that **LICENSEE** enter into this non-exclusive License Agreement; and

NOW THEREFORE, in consideration of the sum of Ten Dollars (\$10.00), the mutual covenants and conditions contained in this Agreement, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. **Incorporation of Recitals.** The parties hereby represent and warrant that the above recitals are accurate and correct and hereby incorporate them into this Agreement.

2. **Valet Parking Queues.** The **CITY** agrees to allow **LICENSEE** the non-exclusive use of six (6) parking spaces located on the south side of East Atlantic Avenue between SE 1st Avenue and SE 2nd Avenue to create a valet parking queue in order to provide valet parking services to the public. The valet parking queue must be open every day between the hours of 5:00 PM and 2:00 AM, twelve (12) months a year. **LICENSEE** acknowledges that the valet parking queues may be relocated or unavailable for use during certain special events from time to time (as

determined in the CITY's sole discretion), and during these special events, the license may not be valid. The valet queue locations may from time to time be relocated by the CITY in its sole discretion after providing thirty (30) days written notice to LICENSEE. The LICENSEE shall not restrict the use of the valet parking queue to only persons who are using the LICENSEE's business. The valet parking queue must be open to anyone wanting to use the valet parking service offered by LICENSEE.

3. **Parking Locations.** LICENSEE will ensure that, its employees and/or any valet operator hired by the LICENSEE will park cars in private parking lot(s) leased to the LICENSEE for that purpose. LICENSEE will ensure that its employees, and/or any valet operator hired by LICENSEE will not park any cars in on-street or off-street parking spaces owned and/or maintained by the CITY. Upon execution of this Agreement and at the CITY's request, LICENSEE must provide the CITY with a copy of LICENSEE's lease agreement(s), naming the LICENSEE as the lessor for use of a private parking lot(s) containing sufficient capacity as determined by CITY and complying with the requirements for parking lots as described in the City's Land Development Regulations. If the lease changes, the LICENSEE must provide the CITY with a copy of the new lease agreement within thirty (30) days. Failure to comply with this section will be a basis for termination of this Agreement.

4. **Staffing.** LICENSEE agrees that the valet parking queues shall be staffed by a minimum of two (2) people, with one (1) person dedicated to oversee the queue to ensure that the valet service is operated in a manner that will not result in illegal parking in the queue or stacking and/or blocking of the travel ways of any alleyway, public street, or parking lot. Upon execution of this Agreement, LICENSEE must provide the CITY with a copy of its agreement with the valet operator (if any), and a copy of the valet operator's current insurance certificate as set forth in Exhibit "A".

5. **Payment.** LICENSEE agrees to pay the CITY One Hundred Eighty-Nine and 09/100 Dollars (\$189.09) per space by the tenth (10th) day of each month. This fee shall be increased by three percent (3%) annually. A late fee of five percent (5%) shall be charged after this date. If more than one License Agreement is issued for this valet parking queue, the fee shall be shared proportionately. Only one (1) valet operator will be permitted to operate the queue.

LICENSEE shall pay one (1) month's fee in advance of beginning operation of the valet parking queue as a security deposit. This deposit is due when the signed agreement is submitted to the **CITY** and shall be held by the **CITY** in a non-interest bearing account and shall be returned within thirty (30) days of written request subsequent to termination of this Agreement, provided that **LICENSEE** is not in arrears at the time of termination. Only one (1) security deposit per **LICENSEE** shall be required.

6. **Maximum Parking Fee Permitted.** Valet parking fees for the first four (4) hours shall not exceed Ten Dollars (\$10.00). An additional extended stay fee in the amount of Five Dollars (\$5.00) may be assessed to all vehicles parked in excess of four (4) hours west of the Intracoastal Waterway. Valet prices must be prominently displayed on the valet stand and on the associated signage as described in Section 7 of this Agreement. **LICENSEE** may provide a discounted valet parking rate upon proof of customer receipt from **LICENSEE**'s restaurant or through the validation program in Section 9 of this Agreement ("Validation Discount"). Extended stay fees are excluded from Validation Discounts. Customer valet tickets must be time stamped upon arrival to qualify for a Validation Discount.

7. **Signage.** The **CITY** agrees to place signs at the valet parking queue that display the valet parking times and days of service as well as valet prices. **LICENSEE** may use additional signs to advertise the valet service. All valet stands and signage must display the words "OPEN TO THE PUBLIC" in lettering no less than three inches (3") in height on valet stands and two inches (2") in height on all other signage. All lettering must be of similar color and font as the lettering on associated signs. All signage must comply with the City's Sign Code as described in the Land Development Regulations and is subject to the approval of the City Manager or his/her designee. Sandwich board signs may not be used to advertise the valet service.

8. **Valet Equipment.** The **LICENSEE** may install a moveable, temporary, valet desk for the storage of keys on the sidewalk during the hours of valet service so long as the desk does not impede the flow of pedestrians. All uniforms of the personnel operating the valet service must display "VALET" across the back, in no less than two inch (2") block lettering, and the name of the **LICENSEE** on the front, left, upper torso. Corporate logos are permitted. Shirts should have collars and be light in color for optimal visibility after dark.

9. **Validation Programs.** LICENSEE shall provide a validation program with neighboring businesses interested in validating parking for customers in any of the following ways:

a) **Donation of Spaces.** A neighboring business may provide, by lease or otherwise, the private parking spaces as required in Section 3 of this Agreement. The costs to insure the private spaces provided shall be the responsibility of the business that is providing the private parking spaces.

b) **Financial Donation.** Neighboring businesses may contribute towards the total costs associated with this Agreement, including the requirement of the private parking lot(s), in exchange for validation of their customer's vehicles by the LICENSEE. In no case shall their contribution exceed the total cost of the valet parking queue and the private parking lot. For example, if a neighboring business contributes to the costs associated with this Agreement, the neighboring business will contribute no greater than fifty percent (50%) of the total. If two neighboring businesses contribute to the costs associated with this Agreement, the neighboring business will each contribute no greater than thirty-three percent (33%) of the total.

c) **Coupon Program.** LICENSEE may offer the sale of coupons to neighboring businesses who want to provide validated parking to customers.

10. **Term.** The term of this Agreement shall commence on October 1, 2024, and end on September 30, 2026. If the LICENSEE has an account in arrears and/or is unable to provide proof of valid parking lot lease(s) and/or insurance, the license may be suspended until required payment and/or documentation is received by the CITY.

11. **Revocable License.** This Agreement is only a non-exclusive License Agreement and may be revoked by the CITY at any time with or without cause by providing written notice via U.S. Mail, certified, return receipt requested, to LICENSEE. The revocation shall be effective when mailed. LICENSEE may cancel this Agreement by providing written notice of cancellation no less than thirty (30) days prior to cancellation.

12. **Compliance with Laws.** LICENSEE agrees to comply with and adhere to all state laws and local ordinances regarding parking either now existing or as amended from time to time.

13. **ADA Compliant Parking.** LICENSEE acknowledges that handicapped parking

spaces in leased private parking lots are subject to statutory regulation and may only be used for parking vehicles that have a valid ADA-compliant license plate or hanging placard issued by any state. Direct access to the valet parking space must be provided for vehicles unable to be operated by valet attendants or for customers who need a safe area to unload passengers with disabilities. Regular valet parking fees apply.

16. **Indemnification.** In consideration of the payment of Ten Dollars (\$10.00), receipt of which is hereby acknowledged, **LICENSEE** shall protect, defend, indemnify and hold harmless the **CITY** from and against any and all claims, suits, actions, damages and/or causes of action arising during the Term of this Agreement for any personal injury, loss of life and/or damage to property sustained in or about the parking spaces/queues by reason of or resulting from the use and occupancy of the parking spaces/queues by **LICENSEE**, its officers, agents, employees, sub-licensees, invitees, and/or members of the public generally. **LICENSEE** shall further protect, defend, indemnify and hold harmless the **CITY** from and against any orders, judgments, and/or decrees which may be entered thereon, and from and against all costs, attorney fees, expenses and liabilities incurred in and about the defense of any such claim, suit or action for personal injury, loss of life, and/or damage to property by **LICENSEE** its officers, employees, or sub-licensees.
