Profile

NOTE: Each Applicant is advised to attend at least one meeting prior to applying for appointment.

Board Member applications must be received no later than **ten (10) business days** prior to the first City Commission Meeting at which the Commissioner is eligible to nominate and appoint the prospective board member.

The [City Commission](#) appoints members of the boards and committees. All positions are voluntary and members are not compensated for their time. However, the individuals who serve on the boards and committees provide an invaluable service to the city. Their advice and expertise on a wide range of topics assist the City Commission in its decision-making process.

In general, individuals may serve on only one board or committee at a given time, with the exception of ad-hoc committees or task forces. Most advisory groups meet at least once a month, however, there are varying degrees of commitment, depending on the board. Membership requirements vary with each board and committee

Interests & Experiences

List any certifications or licenses which may further qualify you to serve on a board or committee.

Extensive engineering experience from my professional aircraft component career. Intimate knowledge of mechanical drawings and CAD/CAM systems which would be very useful in future data and engineering management and data utilization for the City.

James Vedder

Briefly describe why you wish to serve as a member of a board or committee and how your personal experience and background relate:

From my experience on the Code Enforcement Board I can say with full confidence that the city's drawing and data systems are in need of refinement and updating. A Board member who dealt with drawings defining hundredths of an inch (aircraft components) would be very useful in Board matters where locating a curb, a wall or sightline within several inches might be required.

List any other community/civic involvement which you would like the Commission to consider:

Delray Beach Code Enforcement Board. Delray Beach Rotary Club. Past VP Board of Directors Rainberry Lake HOA (Delray Beach).

University attended:

University of Missouri Southeast

Degree(s) received:

Bachelor of Science

Major area of study:

Business Admin, Engineering
