Projects Nos. 2014-002 and 2009-006

To Whom It May Concern:

West Construction, Inc. is a woman owned company which has achieved success through intensive collaboration with both private and public clients. **West** Construction was founded in 1969 on the principal of delivering well-crafted, highly functional and cost effective projects. Through 47 years of successful project delivery, we have evolved into an international corporation. **West's** main office is in South Florida with projects in Liberia (West Africa), and throughout the Caribbean.

West holds all required licenses in the state where the materials and services will be provided. We are able to comply with all federal, state, and local laws, codes, rules and regulations applicable to the work to be performed in accordance with this ITBC. Lastly, we are capable of providing the materials and services within the project's required time frame.

Employing experts in their respective fields, **West** currently has 100+ employees working in the US and abroad. Construction Specialist, Architects, Estimators and support staff work in a collaborative environment that promotes team work through individual excellence. The sharing of knowledge from multiple professional perspectives allows **West** to offer a creative and efficient end product. Our staff has a diverse range of experience in designing and building special places to Live, Work, Shop and Play.

While **West** has grown substantially over the years, we have always remained focused on providing technical expertise, a passion for performance and outstanding attention to client satisfaction.

West Construction, Inc. has managed and constructed many projects that include, but are not limited to, road work and streetscapes. **West** understands that the scope of work will cover 110 linear feet of sidewalk improvements and includes the construction of paver sidewalk, construction of a new alley on Blocks 20 and 8 in Delray Beach; installation of new pavement section, curbing, drainage, swale grading

Form 9 - CONE OF SILENCE

The Palm Beach County Lobbyist Registration Ordinance (Sections 2-351 through 2-357 of the Palm Beach County Code of Ordinances) is applicable in the City of Delray Beach. Section 2-355 of the Palm Beach County Lobbyist Registration Ordinance includes a "Cone of Silence" provision that limits communication during the City's procurement process in regard to this ITBC, which provides as follows:

Sec. 2-355. Cone of silence.

- (a) Cone of silence means a prohibition on any communication, except for written correspondence, regarding a particular request for proposal, request for qualification, bid, or any other competitive solicitation between:
 - (3) Any person or person's representative seeking an award from such competitive solicitation; and
 - (4) Any county commissioner or commissioner's staff, any member of a local governing body or the member's staff, a mayor or chief executive officer that is not a member of a local governing body or the mayor or chief executive officer's staff, or any employee authorized to act on behalf of the commission or local governing body to award a particular contract.
- (b) For the purposes of this section, a person's representative shall include but not be limited to the person's employee, partner, officer, director, consultant, lobbyist, or any actual or potential subcontractor or consultant of the person.
- (c) The cone of silence shall be in effect as of the deadline to submit the proposal, bid, or other response to a competitive solicitation. The cone of silence applies to any person or person's representative who responds to a particular request for proposal, request for qualification, bid, or any other competitive solicitation, and shall remain in effect until such response is either rejected by the county or municipality as applicable or withdrawn by the person or person's representative. Each request for proposal, request for qualification, bid or any other competitive solicitation shall provide notice of cone of silence requirements and refer to this article.
- (d) The provisions of this article shall not apply to oral communications at any public proceeding, including pre-bid conferences, oral presentations before selection committees, contract negotiations during any public meeting, presentations made to the board or local municipal governing body as applicable, and protest hearings. Further, the cone of silence shall not apply to contract negotiations between any employee and the intended awardee, any dispute resolution process following the filing of a protest between the person filing the protest and any employee, or any written correspondence at any time with any employee, county commissioner, member of a local municipal governing body, mayor or chief executive officer that is not a member of the local municipal governing body, or advisory board member or selection committee member, unless specifically prohibited by the applicable competitive solicitation process.
- (e) The cone of silence shall not apply to any purchases made in an amount less than the competitive bid threshold set forth in the county purchasing ordinance (County Code, chapter 2, article III, division 2, part A, section 2-51 et seq.) or municipal ordinance as applicable.
- (f) **The cone of silence shall terminate at the time the board, local municipal governing body, or a county or municipal department authorized to act on behalf of the board or local municipal governing body as applicable, awards or approves a contract, rejects all bids or responses, or otherwise takes action which ends the solicitation process.**
- (g) Any contract entered into in violation of the cone of silence provisions in this section shall render the transaction voidable.

By signing below, Bidder agrees to abide by the restrictions in this Cone of Silence.

**TRENCH SAFETY ACT
Florida Statutes Section 553.60 et seq.**

"Trench Safety Act" Compliance

Bidder acknowledges that the Florida Trench Safety Act, Section 553.60 et. seq., which became effective October 1, 1990, shall be in effect during the period of construction of the project. The Bidder by signing and submitting a Bid is, in writing, assuring that it will perform any trench excavation in accordance with the applicable trench safety standards. The Bidder further identifies the following separate item of cost of compliance with the applicable trench safety standards as well as the method of compliance.

<u>Method of Compliance</u>	<u>Cost</u>
Sloped / 500 LF / \$5.00 per LF	\$2,500.00

Bidder acknowledges that the Trench Safety Act Method of Compliance Cost shown above is included in the applicable items of its Bid and in the Grand Total bid price. Failure to complete the above may result in the Bid being deemed non-responsive.

The Bidder is, and the City and Engineer are not, responsible to review or assess City's safety precautions, programs or costs, or the means, methods, techniques or technique adequacy, reasonableness of cost, sequences or procedures of any safety precaution, program or cost, including but not limited to, compliance with any and all requirements of Florida Statute Section 553.60 et. seq. cited as the "Trench Safety Act". Bidder is, and the City and Engineer are not, responsible to determine if any safety or safety related standards apply to the project, including, but not limited to, the "Trench Safety Act".

4. Bidder will complete the Work for the following prices:
