## 564 SMSS

WI RECESSED HOSE BIBB  
SHOWN W/OPTIONAL TEMPLATE

## 564 SMSS SPECIFICATIONS

### STAINLESS STEEL PEDESTAL

One piece weld construction with MDF standard 304 schedule 10 stainless steel.

### PUSH BAR

304 stainless steel with circumference exceeding 8.6". Mushroom style push bar overlaps and prevents sand and other objects from sticking push bar in the ON position. Stainless steel bubbler housing standard.

### SPRAY HEADS

1.5 GPM at 60 PSI.

### CONTROL VALVE

Shower heads - metered valves. Foot wash - self closing valve. Requires less than 5 lbs to operate. This valve design is to operate and function at 30 to 80 PSI. Ideal operating pressure is 60 PSI.

### WATER SUPPLY (LEAD FREE)

Maintenance free reinforced nylobraid tubing that is NSF-61 certified. **This tubing is not plastic.** It is supplied with a 1/2" MIP threaded inlet with stainless steel strainer. Union fittings at every connection. Supply line stops above grade.

### INSTALLATION

**Surface Mount** installation, is designed to be anchored on top of an existing surface (concrete, etc.) with anchor bolts through a mounting plate that is welded to the unit. Surface mount carrier recommended for all surface mount installations. Access door standard on all pedestal units.

### FINISH

Oven baked powder coat. Textured Sapphire - Color to be verified by Landscape Architect prior to manufacturing.

### SPECIFIED OPTIONS

External hose bibb with locking cover.

### WINTERIZATION

Shut off water and drain down.

### WARRANTY

One year warranty, labor not included.

### SHIPPING WEIGHT

Model 564 SMSS.....160 lbs

## 10155 SMSS CHILLED SPECIFICATIONS

**WATER QUALITY (LEAD FREE)**

Section 9, California Proposition 6 and the Federal Safe Drinking Water Act.

**STAINLESS STEEL PEDESTAL**

One piece weld construction with MDF standard 304 schedule 10 stainless steel.

**RECEPTOR BOWL**

18 gauge electro-polished stainless steel bowl. Bowl overlaps pedestal, preventing buildup of residue in visual drinking area. Optional stainless steel Bowl Strainer recommended for areas with sand. Not applicable on Model 10125 SMSS.

**BOTTLE FILLER SPOUT**

Sanitary recessed nozzle.

**BUBBLER HEAD**

Stainless steel anti-squirt head (weighing a pound and a half) mounted with a lock nut and washer to prevent tampering. Lock nut pin holds bubbler in locked position to prevent twisting or turning. The MDF bubbler head has a unique design that features a steady stream trajectory and a built in natural shield from contamination.

**PUSH BAR**

304 stainless steel with circumference exceeding 8.6". Mushroom style push bar overlaps and prevents sand and other objects from sticking push bar in the ON position. Stainless steel bubbler housing standard.

**CONTROL VALVE**

Requires less than 5 lbs to operate. Non-cartridge O-ring valve delivers steady stream of water through an adjustable valve. This valve design is to operate and function at 30 to 80 PSI. Ideal operating pressure is 60 PSI.

**WATER SUPPLY (LEAD FREE)**

Maintenance free reinforced nylobraid tubing that is NSF-61 certified. **This tubing is not plastic.** It is supplied with a 1/2" MIP threaded inlet with stainless steel strainer. Union fittings at every connection. Supply line stops above grade. Water Filter is standard on this model.

**DRAIN**

1 1/2" schedule 40 PVC pipe. Drain line stops above grade.

**FINISH**

Oven baked powder coat. Textured Sapphire - Color to be verified by landscape Architect prior to manufacturing.

**INSTALLATION**

**Surface Mount** installation, is designed to be anchored on top of an existing surface (concrete, etc.) with anchor bolts through a mounting plate that is welded to the fountain. Surface Mount Fountains provide an access door with vandal resistant stainless steel screws. Surface mount carrier recommended for all surface mount installations. Access door standard on all pedestal fountains.

**CHILLER and WINTERIZATION**

Chilling capacity 8 gallons per hour. NO lead design. 115 VAC. Shut off water and drain down. Remove water filter and chiller if applicable.

**WARRANTY**

One year warranty, labor not included.

**SHIPPING WEIGHT**

Model 10155 SMSS..... 310 lbs
