I also feel that I have a finger on the pulse of what constitutes great contemporary art having worked closely on film projects with artists such as one of America's foremost Urban landscape painters, Trevor Young, and the internationally renowned Micheal Singer who's work is in museums around the world, including the Guggenheim and the Metropolitan in NYC.

City of Delray Beach  
City Clerk's Department  
100 NW 1St Avenue  
Delray Beach, FL 33444

Dear Ms. Ruiz,

Thank you for visiting us at our leadership meeting last week at the Delray Beach Golf Club.

I am a passionate real estate professional with more than 23 years' of experience and would love to bring my expertise, enthusiasm and advice as an asset to your boards, committees and City Commission. As you will see from the attached resume, I have built my career in a variety of roles. It's the passion that has shaped my career; I thrive in an environment where no two work days are exactly the same.

When I was listening to your speech last week, I realized how much I am missing serving on the boards and being involved in the community life . Before I moved from Germany to Florida 6 years ago, I was very active serving the community and City of Senden, Germany.

I would like to take this opportunity to send you my board member application, advisory board questionnaire and resume.

Warmest regards,  
Maren Graben

# City Clerk Board Application

	<b>Application Element</b>	<b>Comments</b>
Advisory Board Questionnaire		
	How long have you lived in the city? (Where applicable)	We purchased our first home in Delray in October of 2017.
	How does your education or experience complement the powers and duties of the board/commission?	I believe that my experience of making art and teaching art education uniquely qualifies me to help the board visualize how public art can be transformational, educational, and a place maker. While working as Curator of Education at the Museum of Contemporary Art for many years, I helped the public navigate often challenging and innovative works of art. Learning to listen and to help others discover their own meaning in a work of art inspires the work that I do when in galleries. When working with students, art becomes an avenue of exploration, experimentation, innovation, and unique expression. Bringing art to the community provides the opportunity for many residents (that may not enter a museum) to encounter beauty, mystery, and metamorphosis within their everyday surroundings. I believe that art is for all, and public art provides that opportunity.
	Have you served on board(s) previously?. If so, what were your contribution(s) to the board(s)?	Yes, I have served on many boards. Currently I serve as the President of the Florida Art Education Association and as a member of the Board of Directors of the Florida Alliance for Arts Education. While serving these boards and others I held positions such as, Professional Development Chair, Museum Division Representative, Liaison, Member at Large, Secretary, adjudicator and presenter.
	What direction would you like to see this board/commission go?. What suggestions do you have?	I am eager to explore new potential for beautification through art, creating safe spaces, and transformative changes within Delray Beach. I am interested in the merging of interdisciplinary ideas, and would like to introduce art that makes connections between the visual and a story/history, or the visual and music, or even the visual and science/ecology.
	Have you ever attended a meeting of this board/commission?	I have not attended a meeting, but look forward to attending in the future. I follow the Public Art Advisory Board on Facebook to stay up to date on current requests, calls for artists, and art news.
	Are you aware of the City's adopted vision and goals for the future?. If so, what is your opinion of the vision and goals?	I am aware of the monetary commitment to Public Art Advisory Board, as well as the Vision 2020 Report. I like very much that so many of the goals can be coordinated with visually appealing art installations and designs. I think that educational enhancements and opportunities can connect to the public art installations and projects, also linking well being and positive self-esteem with art making and exploration. Delray continues to grow in vibrancy and the visual effects of art support that atmosphere.
	Why are you interested in this board?	I am interested in being a member of this board because Delray Beach is my home. I love the personality of Delray, and am proud of how this town celebrates the arts on a daily basis! So many wonderful programs, opportunities, and artworks are featured in

		the city and highlight the art and cultural proficiency of our residents. I would love to help this board grow Delray Beach's artistic footprint through art that is accessible to all.

<b>Advisory Board Questionnaire</b>	
How long have you lived in the city? (Where applicable)	I came to the city about 2 years ago, back and forth from New York City as I got acquainted with the Old School and Arts Communities and made the move about 1 year ago. Magic people and Place!
How does your education or experience complement the powers and duties of the board/commission?	Well, beyond the academic experiences spent in New York, Montreal, Europe, and Africa spent the past 25-30 years in the field working professionally in a variety of Art Related fields among them Galleries, Outdoor Installation Arts, Theater and Film. I much enjoy teaching in Delray now and publishing a Monthly Comic Book Narrative on our beautiful city and its People and Creative Events with Delray Newspaper.
Have you served on board(s) previously?. If so, what were your contribution(s) to the board(s)?	I have served on Boards in New York, specifically as Art Director for the Episcopal Response to Aids for 4 years.
What direction would you like to see this board/commission go?. What suggestions do you have?	Keep the openness and streamline the processes for artists.
Have you ever attended a meeting of this board/commission?	I have been attending PAAB Meetings every month over the past year and have benefited from the insights of my many Board colleagues as a contributing artist and member of the public. I am also working on my Monolith Interactive Installation with the Board.
Are you aware of the City's adopted vision and goals for the future?. If so, what is your opinion of the vision and goals?	I have attended most meeting over the last year and am familiar with the variety of proposals, directions and concerns expressed by the Board (Pull up an Arts Chair!) and the interfacing Artists and Communities: To make Delray a beacon for the Arts with sustainable Public Arts projects that highlight both the Local and Global aspects of this part of Paradise.
Why are you interested in this board?	I was asked by Anita Lovett and Dan Bellante to join. I was honored to accept.

# City Clerk Board Application

RECEIVED

JUN 12 2017

CITY CLERK

Application Element	Comments
<b>Advisory Board Questionnaire</b>	
<p>How long have you lived in the city? (Where applicable)</p>	<p>Born at Bethesda Hospital, I lived in the same home in Delray until I was 18, our family still owns that property. I left to go to college and then moved to NYC where I jumpstarted my career. I have been back in Delray Beach since August of 2016.</p>
<p>How does your education or experience complement the powers and duties of the board/commission?</p>	<p>First off, I am extremely well organized and consider myself to be very self-disciplined. I work from home so I'm constantly under pressure to stay focused and committed to the task ahead. Working at a small start-up in sales, I have a lot of autonomy on my day-to-day and I'm constantly collaborating with multiple teams. While wisdom is gained in age, I believe that my age (29) will bring an alternative perspective to help balance the board's direction.</p>
<p>Have you served on board(s) previously?. If so, what were your contribution(s) to the board(s)?</p>	<p>I have not served on any boards yet.</p>
<p>What direction would you like to see this board/commission go?. What suggestions do you have?</p>	<p>I'd like to see more public art in general. I think that this can be accomplished through cross collaboration between multiple boards and city management from the CRA to parks and rec, and the DDA, Pineapple Grove Arts District to name a few. Getting everyone aligned is no small feat but I have a passion and fresh energy to keep my head up and connect all the puzzle pieces. As well, I am a doer and I think that creating small wins to get momentum is how you create positive growth. Finally, I'd like to solve city-wide problems like parking and urban blight through unconventional channels like the public arts. By strategically placing public artworks and venues we can expand the downtown town footprint. I believe that creating public art in areas less traveled will bring positivity not only seen through the creative eye but also between the communities East and West, North and South.</p>
<p>Have you ever attended a meeting of this board/commission?</p>	<p>I have met with Dan Bellante to discuss if I would be a good fit for this board.</p>
<p>Are you aware of the City's adopted vision and goals for the future?. If so, what is your opinion of the vision and goals?</p>	<p>Yes, and I agree with the majority of it. I believe that Delray has found an identity through its comprehensive planning that they'd like to build and now it's the board's job to see that materialize. I'm a firm believer in progress and while I'm passionate about my Village by The Sea, preserving and fostering the arts and our cities rooted culture are the balancing force to development, both economically and structurally.</p>
<p>Why are you interested in this board?</p>	<p>Art, in general, has always been a passion for me, as well as, Delray Beach. I'm constantly trying to immerse myself in the arts community by visiting new art exhibits, installations, and artist talks. Plus, being a big advocate for our city I am always exploring all that Delray has to offer, trying to find new ways that I can help contribute and improve it. With a seat on this board, I'd be able to have a direct impact making positive influences in the community through art.</p>

Lately, I've been enjoying creating pieces on my own with my girlfriend who is a professional artist. We recently moved back to Delray Beach from NYC where there is a plethora of public art. Luckily, I was able to take advantage of the city's expansive art scene while living there. I regularly spent time viewing the various works scattered about the city and visiting new installations/exhibitions. It's clear NYC appreciates a thoughtful presentation of public art which makes communities richer and brings different cultures together. I'd love to help bring this vision to Delray.
