PROCLAMATION TO DESIGNATE THE MONTH OF APRIL AS WATER CONSERVATION MONTH.

Recommended Action:

Motion to proclaim the month of April as Florida's Water Conservation Month.

Background:

The State of Florida, South Florida Water Management District and the City of Delray Beach are working together to increase awareness about the importance of water conservation. The Florida Section of the American Water Works Association has designated April, typically a dry month when water demands are most acute, Florida's Water Conservation Month, to educate citizens about how they can save Florida's precious water resources.
