## Muscle On The Beach Car Show Statement of Public Purpose

Prepared for the City of Delray/Request for Sponsorship of City Services 2025

1. 100% produced by volunteers; the Muscle on the Beach Car Show's primary "public purpose" is to provide financial support for one the City's most important non-profit organizations, The Sandoway Discovery Center (Sandoway).
2. Through school field trips, summer camps, outreach and visitors, Sandoway hosts over 30,000 visitors a year. Sandoway is Delray's only environmental preserve by the sea. Located in a 1936 Colonial revival home owned by the City of Delray Beach and listed on the National Register of Historic Places. Sandoway offers visitors a genuine Florida wildlife and environmental experience. Muscle on the Beach creates invaluable "awareness" and publicity for Sandoway.
3. Muscle on the Beach Car Show is a daytime event that is free to all spectators and provides an opportunity for residents and visitors of all ages to enjoy a return to the past; a fun experience and; safe outdoor activity.
4. In the heart of downtown Delray Beach, Muscle on the Beach Car Show in 2024 attracted over 5,000 attendees from all over the United States. Muscle on the Beach supports our local business community. Food and drink vendors are excluded from the show to encourage all spectators to explore downtown Delray Beach and the Delray Green Market, which reported sell out business in 2023 and 2024. Further, the financial impact to other local businesses as a result of "direct" and "indirect" spending by visitors including but not limited to: accommodations, food, drink; additional entertainment and; merchandise purchases estimated at a minimum average spend of \$200 per visitor represents an additional \$1,000,000 to the City and City businesses from this one day event. A 9000% return on the City's contribution of essential services not to mention putting Delray Beach on the Map for thousands of visitors.

Our mission at The Sandoway Discovery Center is to be one of South Florida's premier coastal ecosystem and marine life centers. We will transform and inspire our school groups and visitors through experiential education and conservation.

Through school field trips, summer camps, outreach and visitors we host over 30,000 visitors a year. We are Delray's only environmental preserve by the sea. Located in a 1936 Colonial Revival home and listed on the National Register of Historic Places, the Sandoway Discovery Center offers our visitors a genuine, interactive Florida experience. The Discovery Center allows our guests to interact with the ocean creatures we care for – including feeding sharks! This approach creates respect for, and an interest in conservation of Florida's coastal marine life right here in our own backyard.

More important, over recent years the Sandoway Discovery Center has been transforming into a learning destination for the children of Palm Beach County. The center has been particularly focused on schools who have a larger than average number of students from low-income families, also known as Title 1 Schools. **Many of these children have never seen the ocean before their trip to the Sandoway Discovery Center.**

The Sandoway Discovery Center is committed to supporting Muscle on the Beach and making this year's event another huge success. Our goal is for the show to become a fun yearly event that directly financially benefits Sandoway and indirectly benefits the city by bringing in tourism dollars. We are appreciative of the organizers' efforts and will gratefully accept any potential donations from the proceeds of this event. We are looking forward to a successful car show.

Thank you for your support,

Dear Applicant:

Based on information you supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from federal income tax under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3).

Because you are a newly created organization, we are not now making a final determination of your foundation status under section 509(a) of the Code. However, we have determined that you can reasonably expect to be a publicly supported organization described in sections 509(a)(1) and 170(b)(1)(A)(vi).

Accordingly, during an advance ruling period you will be treated as a publicly supported organization, and not as a private foundation. This advance ruling period begins and ends on the dates shown above.

Within 90 days after the end of your advance ruling period, you must send us the information needed to determine whether you have met the requirements of the applicable support test during the advance ruling period. If you establish that you have been a publicly supported organization, we will classify you as a section 509(a)(1) or 509(a)(2) organization as long as you continue to meet the requirements of the applicable support test. If you do not meet the public support requirements during the advance ruling period, we will classify you as a private foundation for future periods. Also, if we classify you as a private foundation, we will treat you as a private foundation from your beginning date for purposes of section 507(d) and 4940.

Grantors and contributors may rely on our determination that you are not a private foundation until 90 days after the end of your advance ruling period. If you send us the required information within the 90 days, grantors and contributors may continue to rely on the advance determination until we make a final determination of your foundation status.

If we publish a notice in the Internal Revenue Bulletin stating that we

Letter 1045 (00/06)

THE FRIENDS OF SANDOWAY HOUSE

will no longer treat you as a publicly supported organization; grantors and contributors may not rely on this determination after the date we publish the notice. In addition, if you lose your status as a publicly supported organization, and a grantor or contributor was responsible for, or was aware of, the act or failure to act, that resulted in your loss of such status, that person may not rely on this determination from the date of the act or failure to act. Also, if a grantor or contributor learned that we had given notice that you would be removed from classification as a publicly supported organization; then that person may not rely on this determination as of the date he or she acquired such knowledge.

If you change your sources of support, your purposes, character, or method of operation, please let us know so we can consider the effect of the change on your exempt status and foundation status. If you amend your organizational document or bylaws, please send us a copy of the amended document or bylaws. Also, let us know all changes in your name or address.

As of January 1, 1984, you are liable for social security taxes under the Federal Insurance Contributions Act on amounts of \$100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the private foundation excise taxes under Chapter 42 of the Internal Revenue Code. However, you are not automatically exempt from other federal excise taxes. If you have any questions about excise, employment, or other federal taxes, please let us know.

Donors may deduct contributions to you as provided in section 170 of the Internal Revenue Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Donors may deduct contributions to you only to the extent that their contributions are gifts, with no consideration received. Ticket purchases and similar payments in conjunction with fundraising events may not necessarily qualify as deductible contributions, depending on the circumstances. Revenue Ruling 67-246, published in Cumulative Bulletin 1967-2, on page 104, gives guidelines regarding when taxpayers may deduct payments for admission to or other participation in fundraising activities for charity.

You are not required to file Form 990, Return of Organization Exempt From Income Tax, if your gross receipts each year are normally \$25,000 or less. If you receive a Form 990 package in the mail, simply attach the label provided, check the box in the heading to indicate that your annual gross receipts are normally \$25,000 or less, and sign the return.

If you are required to file a return you must file it by the 15th day of the fifth month after the end of your annual accounting period. We charge a penalty of \$10 a day when a return is filed late, unless there is reasonable

THE FRIENDS OF SANDOWAY HOUSE

cause for the delay. However, the maximum penalty we charge cannot exceed \$5,000 or 5 percent of your gross receipts for the year, whichever is less. We may also charge this penalty if a return is not complete. So, please be sure your return is complete before you file it.

You are not required to file federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your applications, we will assign a number to you and advise you of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

This determination is based on evidence that your funds are dedicated to the purposes listed in section 501(c)(3) of the Code. To assure your continued exemption, you should keep records to show that funds are spent only for those purposes. If you distribute funds to other organizations, your records should show whether they are exempt under section 501(c)(3). In cases where the recipient organization is not exempt under section 501(c)(3), you must have evidence that the funds will remain dedicated to the required purposes and that the recipient will use the funds for those purposes.

If you distribute funds to individuals, you should keep case histories showing the recipients' names, addresses, purposes of awards, manner of selection, and relationship (if any) to members, officers, trustees or donors of funds to you, so that you can substantiate upon request by the Internal Revenue Service any and all distributions you made to individuals. (Revenue Ruling 56-304, C.B. 1956-2, page 306.)

You indicate that you will not finance your activities with tax-exempt bonds or certificates of participation. Therefore, this determination letter is based on the understanding that you will not raise funds through such financing. If in the future you wish to raise funds by either of these methods, you should request a ruling from the Internal Revenue Service, 1111 Constitution Avenue, N.W., Washington, D.C. 20224; Attn: CP:E:EO:R; according to Revenue Procedure 90-4, 1990-2 I.R.B. 10.

If we said in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

Because this letter could help us resolve any questions about your exempt status and foundation status, you should keep it in your permanent records.

We have sent a copy of this letter to your representative as indicated in your power of attorney.

THE FRIENDS OF SANDWAY HOUSE

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

Sincerely yours,

A handwritten signature in cursive script that reads "Paul A. Huntington".

Form 872-C

THE FRIENDS OF SANDOWAY HOUSE

You are required to make your annual return available for public inspection for three years after the return is due. You are also required to make available a copy of your exemption application, and supporting documents, and this exemption letter. Failure to make these documents available for public inspection may subject you to a penalty of \$10 per day for each day there is failure to comply (up to a maximum of \$5,000 in the case of an annual return). See Internal Revenue Service Notice 88-120, 1988-2 C.B. 454, for additional information.

If your organization conducts fund-raising events such as benefit dinners, auctions, membership drives, etc., where something of value is received in return for contributions, you can help your donors avoid difficulties with their income tax returns by assisting them in determining the proper tax treatment of their contributions. To do this you should, in advance of the event, determine the fair market value of the benefit received and state it in your fund-raising materials such as solicitations, tickets, and receipts in such a way that your donors can determine how much is deductible and how much is not. To assist you in this, the Service has issued Publication 1391, Deductibility of Payments Made to Charities Conducting Fund-Raising Events. You may obtain copies of Publication 1391 from your local IRS Office. Guidelines for deductible amounts are also set forth in Revenue Ruling 67-246, 1967-2 C.B. 104 and Revenue Procedure 90-12, 1990-1 C.B. 471 and Revenue Procedure 92-49, 1992-26 I.R.B. 18.

The value of time or personal services contributed to your organization by volunteers is not deductible by those volunteers as a charitable contribution for Federal income tax purposes. You should advise your volunteers to this effect.
