Chapter 2024-228, Section 44, Laws of Florida permit the Florida Department of Law Enforcement (FDLE) to increase awards previously provided in fiscal year 2023-2024 to reflect the current program guidelines of awarding funds in an amount commensurate with the replacement cost, not to exceed \$25,000 per compliant drone, for each noncompliant drone relinquished to FDLE.

To request the supplemental funding for the drones purchased in the 2023-2024 program year, please complete the fields below and have the form signed by the Chief Official (Sheriff, Chief, etc.). FDLE will process an amendment to your previous award and process the supplemental payment based on the documentation received during the prior payment process.
