GROUP A – HYDRAULIC REPAIRS for ALL DEPARTMENTS				Motion Industries Inc. dba Hydraulic Supply Co.	
Item No.	Description	Estimated Annual Quantity	UOM	Unit Price	Total Price
1	Shop Time Rate	300	Hrs	45 per hour	\$13,500.00
2	Machine Time Rate	400	Hrs	50 per hour	\$20,000.00

Non-OE (Original Equipment) or OEM (Original Equipment Manufacturer) Parts and Materials:
 For Item 3, the City has indicated the estimated annual expenditure that is required to provide non-OE or OEM replacement parts and materials. This item is exclusive of items listed in Group B, OE and OEM replacement parts and materials.

This estimate is not actual and shall be used to evaluate pricing. Bidder is to indicate percentage discount or check "pass through" if no percentage is applied.	
3	City's Estimated Annual Parts and Materials Expenditure is \$ 52,000.00 Identify percent discount from Manufacturer's Suggested Retail Price (MSRP) for parts OR Check here if pass through and no percentage is applied. ☐ TOTAL FOR ITEM 3 Sample Calculation Formula: Multiply the City's estimated annual expenditure (\$52,000.00) by the percentage discount. Example: If bidder is offering 10% discount; calculation is \$52,000.00 x 10% = \$5,200.00. \$5,200.00 is then deducted from \$52,000 to equal a discounted parts expenditure of \$46,800. If bidder checks as <i>pass through</i>, amount used for bid evaluation will be \$52,000.00. 10% \$46,800.00 SUBTOTAL GROUP A (Items 1, 2 & 3) \$80,300.00

GROUP B – OE (Original Equipment) or OEM (Original Equipment Manufacturer) Parts and Materials:
 For Group B, the City has indicated the approved manufacturers required to provide OE or OEM replacement parts and materials to completed repairs and fabrications. These items are exclusive of Group A, Item 3 non-OE and OEM replacement parts and materials.
